D-TALES

Your Municipal News Source

HAPPY NEW YEAR!

THE VILLAGE OF DEERFIELD WISHES YOU A PROSPEROUS 2012

A MESSAGE FROM MAYOR HARRIET ROSENTHAL

Wow! We made it!

What a construction season this has been. Now that the Cook County and Federally funded and subsidized projects have been shut down for the year, it's time to reflect.

The Deerfield Road pedestrian walkway was a one-time civic improvement, joining our west quadrants to our downtown commercial and Village Center, while very significantly improving pedestrian safety under the railroad tracks. This project was made possible through a one-time Federal grant available now, and only now. To our benefit, the walkway will impact the vitality and aesthetics of the Village for decades to come.

For safety reasons, two of our bridges over the West Fork creek required replacement this year. Federal funds covered approximately 80% of the work. We don't foresee additional repairs to these bridges for at least the next 30 years.

Additional safety issues along Hazel Avenue and Chestnut Street also needed correction this year. This work was part of our ongoing street maintenance program rather than a one-time improvement, all part of our master plan for keeping Village infrastructure where it needs to be.

Continued on Page 2

TAX LEVY APPROVED BY BOARD OF TRUSTEES

Each year local governments must approve a tax levy ordinance in order to receive property taxes the next year. The ordinance must be adopted before the last Tuesday in December. The Board of Trustees approved the 2011 Real Estate Tax Levy Ordinance at their December 19th meeting.

Based on fiscal year 2010/2011 year end results and fiscal year 2011/2012 year to date results, the Village was able to abate (remove) \$910,385 of debt service line items from the levy on December 19th and the Village Board is anticipated to approve an additional \$996,077 in abatements at the January 3rd meeting. If all anticipated abatements are approved on January 3rd the levy will be reduced by approximately \$1.9 million.

The anticipated 2011 Village levy, including abatements, is \$4,430,702. This represents an increase over the 2010 levy of approximately \$859,790.

February 9, 7:00 p.m.

Appearance Review Commission

February 27, 7:30 p.m.

MESSAGE FROM THE MAYOR TAX LEVY

Continued from Page 1

Completion this year of the two-year reconstruction of Carlisle Avenue and Carriage Way also was part of our ongoing infrastructure program. Residents there now can breathe easy for years to come.

As for Lake Cook road -- what a mess! As most of you know, this is an ongoing Cook County project in which the Village has practically no say. Although we tried to keep residents informed, there were times the County didn't keep the Village informed, so at times confusion reigned. As we breathe a collective sigh of relief over surviving the headaches, we also must feel a collective commitment to patronize local businesses. Our retail is mostly family operated and while every restaurant and store is suffering to some degree, those along Lake Cook are seemingly suffering the worst. In hope of easing the burden on everyone, we have worked with our State and County representatives in obtaining a one year moratorium on the remaining portion of Lake Cook construction. Beyond that, Village Manager Kent Street, other staff and I have met formally with our Cook County Commissioner, and will continue regularly to do so. We have very few voters in Cook County, so the Village will push to be heard in every other way possible.

Thank you to all residents for your necessary tolerance. Next summer should be an easier time individually, and an all-important period of recovery for our retail base.

From my family to yours, best wishes for a healthy, happy and prosperous holiday season.

Harriet Rosenthal
Mayor

Continued from Page 1

All of the increase in the tax levy is for debt service on the new Wastewater Reclamation Facility. Construction on this \$30 million improvement will take place through 2013. To date, the Village has issued \$7.5 million of Build America Bonds (35% of the interest refunded by the Federal government) and \$12.5 million of Qualified Energy Conservation Bonds (70% of the interest refunded by the Federal government) to finance the first phase of construction. The Village continues to explore alternative funding sources and maintain its Triple A bond rating to minimize borrowing costs.

A Truth in Taxation hearing was required since the increase from the 2010 levy was greater than 5%. Notice of the hearing was published in the Deerfield Review and it was held during the December 5, 2011 Village Board meeting. Individual property tax bills, payable in June and September, are comprised of levies from multiple taxing districts. The Village receives approximately 3% of the total property tax bill. Property taxes, along with other sources of revenue, allow the Village to provide services such as police protection, public works and administration.

For more information, please contact the Finance Department at 847/945.5000 or visit www.deerfield.il.us

ELECTRONICS LANDFILL BAN

Beginning January 1, 2012 the Illinois Electronic Products Recycling and Reuse Act landfill ban for certain electronic devices will take effect. Under the Act electronic items such as televisions, monitors, computers, fax machines, VCRs, scanners and printers will no longer be allowed in the regular trash.

Waste Management drivers will tag any electronic items that cannot be picked up. Residents can call Waste Management at [800/796.9696](tel:8007969696) and be directed to a free drop-off location in the area. Residents

also have the option to pay \$25 and Waste Management will pick up 3 items. Note that only one of the items can be a television and each additional television will cost \$25.

In addition to the free electronic drop-off centers and Waste Management's special home pick-up service (fee for this service), residents may want to consider other E-waste recycling and reuse options including the donation of good working equipment to a charitable organization, or taking E-waste to a retail store that accepts electronics for recycling.

For more information, please contact Waste Management at 800/796.9696 or email questions to villageofdeerfield@wm.com and a customer service representative will contact you the same day.

WEST DEERFIELD TOWNSHIP TO HOST EMPLOYMENT CLINIC

On Wednesday, January 25, come to Deerfield Village Hall, 850 Waukegan Road, with your resume, your smile and a winning attitude! Between 9 a.m. - 1 p.m., representatives from Aerotek, a commercial staffing company located in Deerfield, and JVS (Jewish Vocational Services) will be on hand to jumpstart your job search in 2012. JVS has a record of helping clients open doors to employment with one-on-one mentoring and coaching in many fields of employment. Aerotek, located in Parkway North, will come with a listing of current job openings that they are seeking employees for that day. Postings come from a wide range of employment opportunities: machinists, engineering, sale, quality assurance, and customer service just to name a few.

The morning will be an open house format, no appointments needed. Walk in and talk with professionals that will point you in the right direction. Its current, its convenient, and its free!

For more information, please contact Township Supervisor, Julie Morrison at [847/945.0614](tel:8479450614)

SNOW PLOWING OPERATIONS

Snow removal and roadway ice control operations have been underway since early December. The Village’s Public Works Department is prepared to deal with these situations and is able to effectively clear Deerfield’s 70 miles of roadway quickly to make safe passage possible for all who use our streets.

To assist your neighbors and Village staff this winter, please remember the following:

- One way to assure that street plows do not fill a cleared driveway entrance with snow is to follow this simple guideline: Shovel the snow to the side, in the direction of traffic, and clear a pocket of snow on the opposite side of your driveway (see the illustration above). The accumulated snow in the plow will dump into the pocket and not on your driveway. This simple procedure will reduce the possibility of residual snow being plowed from the street into your driveway.
- By Village Ordinance, vehicles cannot be parked on the street for 24 hours after 3 inches of snow have fallen. Keeping vehicles off the street assists plows and salt trucks in clearing the streets more effectively.

The illustration above highlights the best ways to shovel snow to keep your driveway as clear as possible during plowing operations.

- By Village ordinance, you may not deposit snow from your property onto the street or sidewalk. This can hinder safe passage of vehicles and pedestrians and make it harder for Village plow crews to keep streets clear.
- Adopt a fire hydrant! Remember, when you shovel your sidewalk and driveway, do not forget to clear snow from fire hydrants in front of your property to ensure that they are accessible if needed.
- Please remember to shovel an extra area on your driveway apron or parkway to properly stage your refuse and recycling bins for pick-up by Waste Management. ♻️

PREVENT DAMAGE TO MAILBOXES

During the winter months, mailboxes are sometimes damaged when snow storms affect Deerfield. If your mailbox has been damaged this winter, or if you are planning to install a new one, please be aware of how to properly install a mailbox that meets Postal standards.

The majority of mailbox knockdowns result because the post supporting the mailbox has deteriorated or because the mailbox was installed too close to the roadway.

A mailbox may extend no less than 12 inches away from the back of the curb or the roadway edge. The mailbox post must be mounted at least 18 inches away from the back of the curb or roadway edge. The post should be strong, but should be able to break away if struck by a vehicle that leaves the pavement.

If you decide to install a new mailbox, contact JULIE by dialing 811 before you dig. This will allow you to see any buried utilities so that you will know where they are located.

If you have questions regarding your mailbox, please contact the Public Works Department at [847/317.7245](tel:8473177245) 📞

SIDEWALK SNOW REMOVAL

Residents are asked to please be mindful of pedestrians and school children by clearing their sidewalks of snow and ice. Trash bins should be placed on the driveway apron or parkway to keep the sidewalk as unobstructed as possible.

Thank your neighbors for shoveling their sidewalk or remind them to do so, with a friendly smile and cup of coffee or hot chocolate. ☺️

BOARDREPORT

The following is a synopsis of actions taken by the Village Board since the last issue of D-Tales. For complete sets of minutes for Village Board meetings or to watch meetings on demand, please visit the Village's website at www.deerfield.il.us.

VILLAGE BOARD ACTION

- Approved ordinance for a text amendment for proposed advertising signs on sports fences for Deerfield High School
- Approved ordinance for a text amendment to the Zoning Ordinance regarding commercial vehicles used for advertising
- Approved resolution authorizing execution of the Illinois Public Works Mutual Aid Network Agreement
- Approved ordinance reducing the number of members on the Sustainability Commission
- Approved ordinance amending Chapter 5 "Animals" of the Deerfield Municipal Code
- Approved resolution initiating the submission of a public question to authorize the Village to adopt an "Opt-Out" program for the supply of electricity
- Approved resolution authorizing the Village Manager to sign an intergovernmental agreement establishing the North Shore Electricity Aggregation Consortium
- Approved ordinance levying taxes for corporate purposes for the current fiscal year, commencing on the first day of May, 2011 and ending on the thirtieth day of April, 2012 for the Village of Deerfield
- Approved ordinance abating all of the 2011 tax levy requirements for the Series 2003 general obligation refunding bonds
- Approved ordinance abating a portion of the 2011 tax levy requirements for the Series 2011B general obligation bonds

AWARDS AND PROCLAMATIONS

- Proclamation Honoring the Public Service of Virginia "Ginny" Hunt
- Proclamation Honoring the Public Service of Joan Simonds
- Proclaimed the month of December, 2011 as Drive Sober or Get Pulled Over month in Deerfield

WEST DEERFIELD TOWNSHIP

Township Board meetings will be held January 17 and February 21 at the Township Offices, 601 Deerfield Road. For more information, visit www.westdeerfieldtownship.org.

GIRL POWER!

6th grade girls are invited to attend a fun support group either Wednesdays or Thursdays in January. The first Wednesday meeting will be on January 11, and the first Thursday meeting will be on January 12, from 4:30 - 6:00 p.m. and will continue for 10 weeks. Meetings are held at Village Hall, 850 Waukegan Road. This support group is sponsored by the Social Services Program of the Deerfield Police Department (no fee).

For more information and registration, contact Stephanie Locascio, LPC at 847/945.3120 ext. 2 ☞

KNOW YOUR WINTER WEATHER TERMS

With Old Man Winter just around the corner, the National Weather Service urges residents to keep abreast of local forecasts and warnings and familiarize themselves with key weather terminology.

Winter Storm Warning: Issued when a combination of heavy snow, heavy freezing rain, or heavy sleet is expected to begin.

Winter Storm Watch: Alerts the public to the possibility of a blizzard, heavy snow, freezing rain, or heavy sleet. Winter Storm Watches are usually issued 12 to 36 hours before the beginning of a winter storm.

Winter Storm Outlook: Issued prior to a Winter Storm Watch. The Outlook is given when forecasters believe winter storm conditions are possible and are usually issued 48 to 60 hours in advance of a winter storm.

Blizzard Warning: Issued for sustained or gusty winds of 35 mph or more, and falling or blowing snow creating visibilities at or below 1/4 mile; these conditions should persist for at least three hours.

Lake Effect Snow Warning: Issued when lake effect snow is expected to occur. A Lake Effect Snow Advisory also cautions for the possibility of snow.

Wind Chill Warning: Issued when wind chill temperatures are expected to be less than 34 degrees below zero.

THANK YOU - FROM THE POLICE DEPARTMENT

The Police Department would like to thank the community for its generosity and support throughout 2011. With your help, the Deerfield Police Department raised almost \$5,000 for the American Cancer Society/Relay for Life, over \$15,000 for the Illinois Special Olympics, gathered and donated a truckload of toys to the Marines' Toys for Tots, and dozens of bags of food for the West Deerfield Township food pantry. We look forward to the year ahead and our role in community charity endeavors.

On March 3, 2012 the Police Department will be participating in the Law Enforcement Polar Plunge, which will be held at Sunset Beach in Lake Bluff. We have rallied more than a dozen personnel to jump into the frigid waters of lake Michigan all in the name of the Special Olympics; each participant must raise a minimum of \$75 in sponsorship funds. If you would like to contribute please contact Communications Director, Mary Anne Glowacz, at 847/945.8636 or via email at mglowacz@deerfield.il.us ☞

Snow Squalls: Brief, intense snow showers accompanied by strong, gusty winds. Accumulation may be significant. Snow squalls are best known in the Great Lakes region.

Sleet: Raindrops that freeze into ice pellets before reaching the ground. Sleet usually bounces when hitting a surface and does not stick to objects. However, it can accumulate like snow and cause a hazard to motorists. ☞

REQUEST FOR COMCAST FEEDBACK

The Village's Cable and Telecommunications Commission is seeking resident feedback to assist in its negotiation of a cable franchise renewal with Comcast. The Commission is seeking community assistance in identifying future cable-related community needs, interests and review of Comcast's performance under the franchise during the current franchise term. Due to the rules at both the State and Federal levels, the Village can regulate only certain areas of Comcast service. These areas primarily include Comcast's cable services, public access stations, customer service related to cable (including penalties and credits), and Comcast's use of the Village's Right of Way.

The Village's regulatory powers do not include Comcast's pricing, channel selection, phone services, internet services, or the ability to enact more stringent customer service standards than are currently in State law.

There are several ways in which residents can provide feedback to the Commission:

1. Attend a Cable and Telecommunications Commission meeting. Meetings are held on Tuesdays on an "as needed" basis at 7:00PM in Village Hall. The next Commission meeting is January 31.
2. Email Assistant to the Village Manager, Jennifer Maltas (jmaltas@deerfield.il.us).
3. Mail Ms. Maltas at Village Hall – 850 Waukegan Road, Deerfield, IL 60015. Emails and letters will be shared with the Commission. ☞

COMCAST NOTIFICATIONS

You can set up the following notifications to be sent to you by e-mail, text or both, whichever you prefer.

Appointment Reminder - Receive an e-mail reminder 24 hours prior to a scheduled appointment.

Bill is Past Due - Receive an e-mail alert if your Comcast bill is past due.

Payment Confirmation - Receive an e-mail confirmation when you make a payment to your Comcast account.

Sign up for notifications at www.comcast.com/alerts ☞

MEASURE YOUR CARBON FOOTPRINT

A carbon footprint is a measure of the impact human

activities have on the environment in terms of the amount of green house gases produced, measured in units of carbon dioxide. During the winter season heating costs can take a toll on your pocketbook, as well as on the environment.

Following these simple steps can save you money and help lessen your carbon footprint.

- Turn off unused lights and electronics.
- Use compact fluorescent light bulbs.
- Use a programmable thermostat to lower temperatures when no one is at home.
- Take a shorter shower, use a low-flow showerhead, and turn down your water heater by 1-3 degrees.
- Increase wall, window, and roof insulation as much as possible.

Decreasing your carbon footprint will help contribute to a healthier environment. Deerfield is a proud member of Clean Air Counts, a coalition of governments and private businesses in the Chicagoland area committed to promoting the environment. These simple steps can help you to do your part to make a visible difference in Deerfield!

For more information on energy saving tips, visit www.cleanaircounts.org.

UPCOMING EVENTS @ PTC

For a complete listing of programs, or to register to be a member, please call the Patty Turner Center (PTC) at 847/940.4010 or visit www.pattyturnercenter.org.

January 20, Chinese New Year Luncheon & Cooking Demonstration, 12:15 p.m., Fee: \$15 per person (Register by 1/13)

February 5, Love Out Loud 2:Valentine Day Intergenerational Concert, Sponsored by South East Lake County Faith In Action Volunteers, 1 - 3 p.m., To register call 847/433.9411

February 9, Fire Department's Fabulous Chili Lunch, 12:00 p.m., (Register by 2/2)

February 14, PTC Women's "Dessert with Oscar", Sponsored by the Wealshire/The Ponds, 12:45 p.m., Fee: \$5 member/\$15 non-member (Register by 2/9)

LENDING CLOSET

The PTC lends on a short term basis, wheelchairs, walkers, canes, bath benches, commodes, grabber sticks, etc.

SENIOR CAR PROGRAM

The PTC offers a drop off/pick-up service for older adults in Deerfield, Lincolnshire, Bannockburn and Riverwoods. Reservations only.

2012 VOTING INFO

West Deerfield Township Clerk, Kristen Scott would like to remind registered township voters that new Voter Registration Cards were mailed in November. **Please note that some polling places have changed and new precinct numbers have been assigned.** Check you new card for any change to your election-day voting site.

If you have not yet received your new Voter Registration Card, please contact the Lake County Clerk's Office at 847/377.2410

If you are not registered to vote, please come to the Township Office, 601 Deerfield Road, to do so. It only takes a few minutes. You must be a U.S. citizen, 18 years old at the date of the next election and a resident of your precinct address for 30 days immediately prior to the election. Bring two forms of ID, at least one of which shows your name and current address.

The General Election Primary will be held on Tuesday, March 20, 2012. **Please note voter registration closes on February 21.**

Early voting for the General Election Primary will begin on February 27 and continue through March 15, 2012.

For a tour or more information, please call the West Deerfield Township at 847/945.0614

DINE OUT IN DEERFIELD IS ON FACEBOOK

Visit www.facebook.com/DineOutInDeerfield and receive Deerfield restaurant specials and coupons.

THANK YOU!

Our sincere thanks to these residents who volunteered their time on the Village's various Boards, Commissions, and Committees in 2011.
