Your Municipal News Source

HAPPY NEW YEAR!

THE VILLAGE OF DEERFIELD WISHES YOU A PROSPEROUS 2011

WRF REPLACEMENT PROJECT

On November 1st the Village Board approved award of the construction contract for the renovation of the Wastewater Reclamation Facility to Joseph J. Henderson and Son of Gurnee, IL. The contractor has spent the last few weeks preparing for the project and expects to mobilize and begin construction in mid-January. Some of the early construction elements include relocation of the incoming power feed to the facility and rerouting of some critical piping to allow construction of the new influent pumping station.

Construction of the facility improvements is expected to continue through the next few years. Service to Village residents will continue uninterrupted through the duration of the project. Some of the most visible aspects of the project include demolition of the large trickling filter domes, elimination of the sludge drying beds, reconfiguration of Hackberry Road including the addition of angle parking to better serve users of Shepard Park, and construction of a public restroom, also intended for park users.

TAX LEVY APPROVED BY BOARD OF TRUSTEES

Each year local governments must approve a tax levy ordinance in order to receive property taxes the next year. The ordinance must be adopted before the last Tuesday in December. Deerfield's Mayor and Board of Trustees approved the 2010 Real Estate Tax Levy Ordinance at their December 20th meeting.

Based on fiscal year 2009/2010 year end results and fiscal year 2010/2011 year to date results, the Village was able to abate (remove) several debt service line items from the levy. These abatements reduced the levy by approximately \$1.3 million.

The 2010 Village levy, including abatements, is \$3,570,912. This represents an increase over the 2009 levy of approximately \$544,000. A Truth in Taxation hearing was required since the increase from the 2009 levy was greater than 5%. Notice of the hearing was published in the Deerfield Review and it was held during the December 6, 2010 Board meeting.

WRF REPLACEMENT PROJECT

Continued from Page 1

The Village looks forward to beginning the construction process in anticipation of an improved facility that will enhance efficiency, safety, and reliability.

Funding of this approximately \$30 million improvement will take place in phases over the life of the project. To date, the Village has issued \$7.5 million of Build America Bonds. The Village continues to explore alternative funding sources to minimize borrowing costs.

For more information, please contact the Director of Public Works at 847/317.7245 or visit www.deerfield.il.us

CONSOLIDATED ELECTIONS

Three Village Trustee positions, along with three Library Trustee terms, will be open for election. All open trustee positions will appear on the April, 2011 ballot. Village Trustees are elected for four-year terms while Library Trustees are elected to six-year terms.

Packets of supplemental information about the library and library trustee responsibilities may be obtained by contacting Mary Pergander, Library Director. Current board members are also available to speak with interested candidates, if desired.

TAX LEVY

Continued from Page 1

A significant portion of the increase in the tax levy (92%) is for debt service on the new Wastewater Reclamation Facility. Construction on this \$30 million improvement will take place through 2013. To date the Village has issued \$7.5 million of Build America Bonds to finance the first phase of construction. The Village continues to explore alternative funding sources to minimize borrowing costs.

Individual property tax bills, payable in June and September, are comprised of levies from multiple taxing districts. The Village receives approximately 3% of the total property tax bill. Property taxes, along with other sources of revenue, allow the Village to provide services such as police protection, public works and administration.

For more information, please contact the Finance Department at 847/945.5000 or visit www.deerfield.il.us

DEERFIELD PARENTS NETWORK PRESENTS:

DEB ROFFMAN

The Deerfield Parents Network presents author and nationally certified Sexuality and Family Life Educator Deb Roffman who will present "Everything You Always Wanted to Know About Talking To Your Teens About Sex". This presentation will take place on Thursday, January 27, 2011,

from 12:30 - 2:20 p.m. at the North Shore Unitarian Church, 2100 Half Day Road in Bannockburn. Everyone is invited to attend this FREE program, no RSVP required, and please bring your friends!

Deb Roffman is a powerful advocate for children. She understands that in a society that gives confusing and exploitative messages about sexuality, children are desperate for communication from the caring adults in their lives.

BARBARA COLOROSO

Do not miss these important programs presented by the nation's foremost authority on bullying. Reknowned author and educator, Barbara Coloroso, will be making two exclusive appearances Tuesday, February 22, 2011. First, from 12:20 - 2:30 p.m. at Highland Park High School and then again from 7:00 - 9:00 p.m. at Deerfield High School. All are invited to attend these FREE programs! No RSVP required, and please bring a friend.

Barbara Coloroso is a best-selling author and an internationally recognized speaker and consultant on parenting, teaching, school discipline, positive school climate, bullying, grieving, nonviolent conflict resolution and restorative justice. She has appeared on Oprah, CBS, NBC, ABC, CNN and NPR and has been featured in the New York Times, Time, U.S. News & World Report, Newsweek, and other national and international publications.

REMINDERS:

CHRISTMAS TREE COLLECTION:

Veolia will collect Christmas trees and other organic holiday decorations placed at the curb during your regular garbage collection for the first two weeks of January.

VILLAGE HALL CLOSED:

Village Hall will be closed on Monday, February 21 in Observance of Presidents' Day.

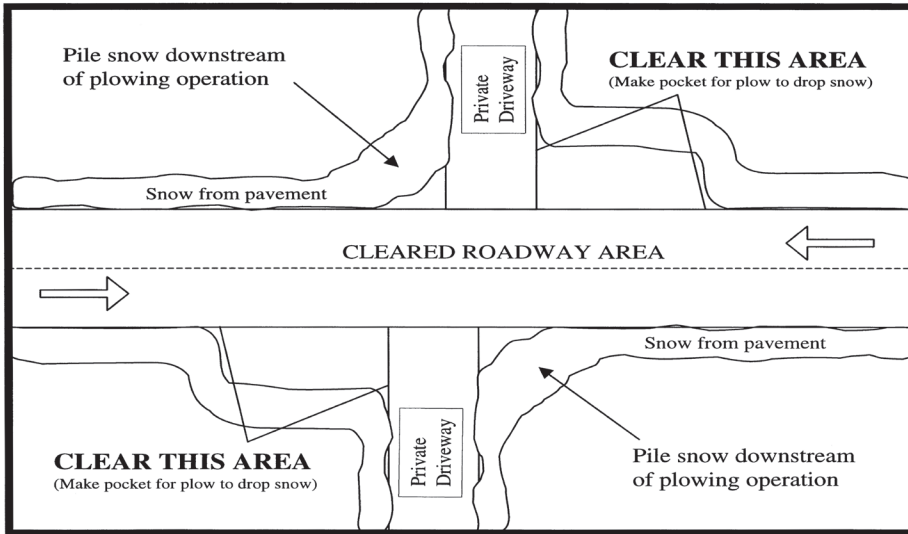

SWALCO COLLECTIONS:

SWALCO hosts household electronic collections on Tuesdays and Fridays from 7:00 a.m. to 1:00 p.m., (year-round) at 1180 Half Day Road, Highland Park.

For a list of items that are accepted for collection, please visit the SWALCO website at www.lakecountyil.gov/swalco/default.htm

THANK YOU, NORRIS W. STILPHEN

Long time Village Manager, Norris W. Stilphen, who contributed 20 years of dedicated service to the Village of Deerfield passed away this past December at the age of 91. Throughout his years as Village Manager he was dedicated to improving our community. Norris' professional service resulted in many accomplishments including upgrades to the water and sanitary sewer systems, implementation of subdivision control ordinances, and many developments such as Clavinia and Deerbrook Mall. Also, during his service the Village elected to become a Home-Rule unit of government and successfully brought closure of the Brickyards construction landfill. Norris served the Village with distinction from 1959 - 1979, and we thank him greatly.

SNOW PLOWING OPERATIONS

Snow removal and roadway ice control operations have been underway since early December. The Village’s Public Works Department is prepared to deal with these situations and is able to effectively clear Deerfield’s 70 miles of roadway quickly to make safe passage possible for all who use our streets.

To assist your neighbors and Village staff this winter, please remember the following:

- One way to assure that street plows do not fill a cleared driveway entrance with snow is to follow this simple guideline: Shovel the snow to the side, in the direction of traffic, and clear a pocket of snow on the opposite side of your driveway (see the illustration above). The accumulated snow in the plow will dump into the pocket and not on your driveway. This simple procedure will reduce the possibility of residual snow being plowed from the street into your driveway.
- By Village Ordinance, vehicles cannot be parked on the street for 24 hours after 3 inches of snow have fallen. Keeping vehicles off the street assists plows and salt trucks in clearing the streets more effectively.

The illustration above highlights the best ways to shovel snow to keep your driveway as clear as possible during plowing operations.

- By Village ordinance, you may not deposit snow from your property onto the street or sidewalk. This can hinder safe passage of vehicles and pedestrians and make it harder for Village plow crews to keep streets clear.
- Adopt a fire hydrant! Remember, when you shovel your sidewalk and driveway, do not forget to clear snow from fire hydrants in front of your property to ensure that they are accessible if needed. ♪

PREVENT DAMAGE TO MAILBOXES

During the winter months, mailboxes are sometimes damaged when snow storms affect Deerfield. If your mailbox has been damaged this winter, or if you are planning to install a new one, please be aware of how to properly install a mailbox that meets Postal standards.

The majority of mailbox knockdowns result because the post supporting the mailbox has deteriorated or because the mailbox was installed too close to the roadway.

A mailbox may extend no less than 12 inches away from the back of the curb or the roadway edge. The mailbox post must be mounted at least 18 inches away from the back of the curb or roadway edge. The post should be strong, but should be able to break away if struck by a vehicle that leaves the pavement.

If you decide to install a new mailbox, contact JULIE by dialing 811 before you dig. This will allow you to see any buried utilities so that you will know where they are located.

If you have questions regarding your mailbox, please contact the Public Works Department at 847/317.7245 ♪

SIDEWALK SNOW REMOVAL

Residents are asked to please be mindful of pedestrians and school children by clearing their sidewalk of snow and ice. Trash bins should be placed on the driveway apron to keep the sidewalk as unobstructed as possible. ♪

BOARDREPORT

The following is a synopsis of actions taken by the Village Board since the last issue of D-Tales. For complete sets of minutes for Village Board meetings, please visit the Village's website at www.deerfield.il.us.

VILLAGE BOARD ACTION

- Approved ordinance granting a special use to permit liquor sales in a drug store (Walgreens, 780 Waukegan Road)
- Approved ordinance increasing the number of Class B liquor licenses from 0 to 1 (Walgreens, 780 Waukegan Road)
- Approved ordinance granting a special use to permit the establishment of a restaurant at 483 Lake Cook Road for Ristorante Abruzzo in Deerfield Park Plaza (former Nick's Fishmarket space)
- Approved authorization to sign intergovernmental agreement for the use and operation of the Highland Park Public Access Center
- Awarded contract to Dellinger Electric for energy efficiency improvements
- Awarded contract to J.J. Henderson & Sons for construction of the Wastewater Reclamation Facility
- Awarded contract to Soil and Material Consultants for Wastewater Reclamation Facility replacement project geotechnical engineering
- Awarded contract to Valor Technologies to remediate asbestos containing materials at the Wastewater Reclamation Facility
- Approved ordinance regarding issuance of 2010 series general obligation bonds
- Awarded contract to Gewalt-Hamilton for phase II engineering design services contract for the Lake Eleanor Drive and the Heather Road reconstruction projects
- Awarded contract to Christopher Burke Engineering for phase I engineering design study for the improvement of Deerfield Road
- Approved public comment policy
- Approved ordinance amending the Municipal Code to allow drug and grocery stores to remain open beyond the hours they are permitted to sell alcoholic beverages.

AWARDS AND PROCLAMATIONS

- Village received honorable mention as an Illinois Arts Friendly Community
- Proclaimed November 19, 2010 as World Diabetes Day in Deerfield
- Village was presented with the Distinguished Budget Presentation Award from the Government Finance Officers Association

- Friday and Saturday 8:00 p.m.
- Sunday 3:00 p.m.

Theater D and Deerfield Family Theater are sponsored programs of the Deerfield Park District

For more information regarding Squabbles, please call Producer, Donna Price at 847/940.1890 (evenings) ☞

KNOW YOUR WINTER WEATHER TERMS

With Old Man Winter just around the corner, the National Weather Service urges residents to keep abreast of local forecasts and warnings and familiarize themselves with key weather terminology.

Winter Storm Warning: Issued when a combination of heavy snow, heavy freezing rain, or heavy sleet is expected to begin.

Winter Storm Watch: Alerts the public to the possibility of a blizzard, heavy snow, freezing rain, or heavy sleet. Winter Storm Watches are usually issued 12 to 36 hours before the beginning of a winter storm.

Winter Storm Outlook: Issued prior to a Winter Storm Watch. The Outlook is given when forecasters believe winter storm conditions are possible and are usually issued 48 to 60 hours in advance of a winter storm.

Blizzard Warning: Issued for sustained or gusty winds of 35 mph or more, and falling or blowing snow creating visibilities at or below 1/4 mile; these conditions should persist for at least three hours.

Lake Effect Snow: Issued when lake effect snow is expected to occur. A Lake Effect Snow Advisory also cautions for the possibility of snow.

Wind Chill Warning: Issued when wind chill temperatures are expected to be less than 34 degrees below zero.

THANK YOU!

The Police Department would like to thank the community for its generosity and support throughout 2010. Thanks to your help, the Department raised almost \$6,000 for the American Cancer Society/Relay for Life, over \$9,000 for the Illinois Special Olympics, several hundred dollars for the MS Foundation, a truckload of toys for the Marine's Toys for Tots, and dozens of bags of food for the West Deerfield Township food pantry. ☞

Wind Chill Advisory: Issued when wind chill temperatures are expected to be between 20 and 34 degrees below zero.

Winter Weather Advisories: Issued for accumulations of snow, freezing rain, freezing drizzle, and sleet, which will cause significant inconvenience and moderately dangerous conditions.

Dense Fog Advisory: Issued when fog will reduce visibility to 1/8 mile or less over a widespread area.

Snow Flurries: Light snow falling for short durations. No accumulation or light dusting is all that is expected.

Snow Showers: Snow falling at varying intensities for brief periods of time. Some accumulation is possible.

Snow Squalls: Brief, intense snow showers accompanied by strong, gusty winds. Accumulation may be significant. Snow squalls are best known in the Great Lakes region.

Sleet: Raindrops that freeze into ice pellets before reaching the ground. Sleet usually bounces when hitting a surface and does not stick to objects. However, it can accumulate like snow and cause a hazard to motorists. ☞

YOUR CHILD AND 9-1-1

9-1-1 is a vital part of the emergency response system. If an emergency situation exists and the only person who is able to call 9-1-1 is a child, that child's knowledge of 9-1-1 and how to use the system can be the key to getting the help that is needed.

Here are some tips to help arm your child with the tools they need to make a 9-1-1 call:

- Teach your child their last name, their parents' names, their home address and phone number. Always list this information near the phone.
- Teach your child the name of your employer and work phone number.
- Teach your child when they should call 9-1-1
- Teach your child not to be afraid to call 9-1-1 if there is any doubt as to whether they should.
- Teach your child to dial "Nine, One, One" and never "Nine Eleven". This might confuse the child who may look for the number eleven on the phone.
- Make sure your child can reach at least one of the phones in your house. Wall mounted phones can be unreachable for small children.
- Discuss with your child any situations that may be unique to them. This could include an elderly live-in relative; younger sibling or other unique factor that the child might encounter.
- Tell your child to always call from a safe location. If your house is on fire, get out and call from a nearby phone.
- Also, teach your child how to use your home phone and your cell phone to call 9-1-1

Ensuring your child is informed on how to properly use 9-1-1 can save your life and theirs.

If you have questions or concerns, please contact the Deerfield Police Department Communications Director, Mary Anne Glowacz at 847/945.8636. ☞

MEASURE YOUR CARBON FOOTPRINT

A carbon footprint is a measure of the impact human activities have

on the environment in terms of the amount of green house gases produced, measured in units of carbon dioxide. During the winter season heating costs can take a toll on your pocketbook, as well as on the environment.

Following these simple steps can save you money and help lessen your carbon footprint.

- Turn off unused lights and electronics.
- Use compact fluorescent light bulbs.
- Use a programmable thermostat to lower temperatures when no one is at home.
- Take a shorter shower, use a low-flow showerhead, and turn down your water heater by 1-3 degrees.
- Increase wall, window, and roof insulation as much as possible.

Decreasing your carbon footprint will help contribute to a healthier environment. Deerfield is a proud member of Clean Air Counts, a coalition of governments and private businesses in the Chicagoland area committed to promoting the environment. These simple steps can help you to do your part to make a visible difference in Deerfield!

For more information on energy saving tips, visit www.cleanaircounts.org.

UPCOMING EVENTS @ PTC

For a complete listing of programs, or to register to be a member, please call the Patty Turner Center (PTC) at 847/940.4010 or visit www.pattyturnercenter.org.

SHIP

Volunteers are available free of charge to help interpret and resolve problems with medical bills, Medicare, Medicare Supplemental Insurance and with appeals if needed. For an appointment, please call the center at 847/940.4010

LENDING CLOSET

The PTC lends on a short term basis, wheelchairs, walkers, canes, bath benches, commodes, grabber sticks, etc.

SENIOR CAR PROGRAM

The PTC offers a drop off/pick-up service for older adults in Deerfield, Lincolnshire, Bannockburn and Riverwoods. Reservations only.

FITSTART

Start the New Year right! Everyone 16 and up is invited to sign up for FitStart, a fitness, nutrition

and healthy lifestyle program, that begins just after the New Year at Sachs Recreation Center (SRC), in Deerfield. This 10-week class involves individual and team challenges, prizes and more.

FitStart meets on Mondays and Wednesdays from 6:00-7:00p.m., from January 10 through March 16. Instructor/ Nutritionist Jamie Portnoy helps participants lose weight and feel great, incorporating exercise and healthy eating in this dynamic program. She will help guide participants through a challenging and lifestyle-changing program.

Other highlights include: weekly weigh-ins, menus, weekly progress analysis, grocery store tour, T-shirts, water bottle and access to some of the most amazing group exercise classes on the North Shore. Whitehall of Deerfield is the FitStart program sponsor.

For more information, please contact SRC Fitness Manager Tim Johnson at tim@SachsRecCenter.org (847/572.2661) or Fit Start Instructor Jamie Portnoy at jportnoy7@aol.com (847/924.9564)

PRESCHOOL REGISTRATION

2011-2012 registration is ongoing! Learn to play & play to learn at Deerfield's Park District Preschool Program offered September through May to all children 2.5 to 5 years of age. Lottery registration deadline is Friday January 7, 2011 at 5:00 p.m. for Deerfield Park District residents. "Walk-in" registration resumes Monday, January 17, depending on space available.

For a tour or more information, please call 847/572.2634 or you may email info@dfpd.org or visit www.dfpd.org

THANK YOU!

Our sincere thanks to these residents who volunteered their time on the Village's various Boards, Commissions, and Committees in 2010.
