VILLAGE GREEN PROPOSAL~ UPDATE

Since the last edition of D-Tales, the Village Board has discussed the Village Green and parking proposal at the Committee of the Whole workshop July 27th and the regular Board meeting on August 17th. At the conclusion of the August 17th discussion, staff was directed to develop alternate designs for the 1.7 acres that take several agreed upon factors into consideration. Revised alternatives will be presented for further deliberation at yet to be scheduled meetings. The August 17th staff report, along with other project information, is available on the Village's website www.deerfield.il.us. ☞

WHY SHOP LOCAL?

SHOPPING LOCAL...

1. ... Supports Deerfield's Vibrant Mix of Businesses
2. ... Fosters Community Relationships
3. ... Protects the Environment
4. ... Reinvests in the Village
5. ... Creates Jobs that Help to Strengthen the Local Economy

Shop Deerfield is a joint partnership of the DBR Chamber of Commerce and the Village of Deerfield.

For more information, call the Chamber at 847/945.4660 or visit www.dbrchamber.com.

2010 CENSUS: IT'S IN OUR HANDS

In less than a year, a very important event will take place. In April 2010, the U.S. Census Bureau will conduct its decennial survey to find out how many Americans are living in the United States.

The Census count is extremely important to our Village. We receive state and federal funds based on our population. A short count means we will not get our fair share of those funds.

The April 2010 Census form is going to be much shorter and easier to complete than the one completed in 2000, with only 10 questions. The information you provide is confidential. Village staff and officials will not receive individual answers, but rather a broad analysis of the data collected.

The 2010 Census also offers opportunity for employment. Please visit www.2010.census.gov for the current job opportunities that are available.

For more information about the 2010 Census in Deerfield, please contact Jeff Ryckaert, Principal Planner, at jryckaert@deerfield.il.us or call 847/719.7482. ☞

COMMUNITY SERVICES DAY ~ A TRIBUTE TO SERVICE

A cooperative effort of the Village of Deerfield, the Deerfield-Bannockburn Fire Protection District, the Deerfield Park District, and the Deerfield and Bannockburn Police Departments, the 5th Annual Community Services Day celebration is a free, community-wide event for residents of all ages. The festivities will be held on Saturday, September 12 from noon to 4:00 p.m. at Brickyards Park and the Patty Turner Senior Center in Deerfield.

Community Services Day is spearheaded by local government agencies to help promote services offered by the many local organizations that serve the community. This event is a unique opportunity for residents to learn about the programs and services that local agencies offer. Deerfield, Bannockburn and Riverwoods community service clubs and organizations will be represented.

Throughout the day there will be demonstrations, exhibits and activities. These include a live landing of the Flight for Life medical helicopter; a police dog demonstration; "Touch-a-Truck" featuring Fire, Police, & Public Works vehicles; a mascot race and various other types of entertainment. New activities this year include safety kiosks, interactive demonstrations, and a new DUI simulated driving experience (height requirement applies). Also, North Shore Hospital Systems joins the venue with the following free services: cholesterol & glucose testing as well as blood pressure checking. Food will be available for purchase throughout the day. A passenger/child safety seat checkpoint will be offered from 9:00 a.m. to noon. Also during that time, the Village will host a household electronics collection at the Public Works facility, 465 Elm Street.

Thanks to the generous support of Astellas Pharma U.S., Inc., The John Buck Company of Parkway North, Deerfield Park

Foundation, Food for Thought, District 109 PTOs, and other sponsors, this event promises to be fun for the whole family. We hope to see you there!

SCHEDULE OF EVENTS

9:00 - 11:00 a.m.: Passenger/Child Safety Seat Checkpoint*

9:00 a.m. - Noon: SWALCO Household Electronics Collection*
No gas can collection this year. For listing of materials accepted, please visit www.co.lake.il.us/swalco

Noon - 4:00 p.m.: Inflatable

Rides; Touch-A-Truck; Balloon Twisters/Entertainers; DJ

Noon - 4:00 p.m.: Craft Tent Sponsored by PTOs of District 109

12:45 p.m.: Posting of the Colors by American Legion Post 738

1:00 - 1:15 p.m.: Special Award Presentation to Corporate Sponsors

1:15 - 2:45 p.m.: Flight for Life Helicopter Landing

1:45 - 2:15 p.m.: Police K-9 Demonstration

2:00 - 2:30 p.m.: Auto Extrication

2:30 - 2:45 p.m.: Corporate Mascot Race

3:15 p.m. - 4:00 p.m.: Residential "Live Fire" Sprinkler & Extinguisher Demo

**At 465 Elm, Public Works Facility.*

OTHER ACTIVITIES (TIMES VARY)

Service Club Displays/Booths; Games; Give-Aways; Safety Kiosks; DUI Simulated Driving Experience; Cholesterol & Glucose Testing; Blood Pressure Checking; **and much, much more!** Food and Beverages Available for Purchase from Il Forno Pizza.

For more information on this exciting community event, please visit the Village's website at www.deerfield.il.us, or call 847/945.5000. ☞

PARENTS. THE ANTI-DRUG

Parents. The Anti-Drug is a newly formed community based organization comprised of parents, local government and school officials, clergy and healthcare providers, whose mission is to generate conversation

and provide accurate information about alcohol, tobacco and other drug use in Bannockburn, Deerfield, Highland Park, Highwood and Riverwoods.

By taking time to talk (adult to adult, adult to teen, and teen to teen) about the risks and consequences of alcohol, tobacco and other drug use, a more informed adult and teen citizenry is created, resulting in reduced consumption of alcohol, tobacco and other drugs among teens in our communities.

Parents are the most powerful influence in a child's life — greater than peers, popular music, television, celebrities and the media! Research shows that kids who consistently learn about the risks of drugs from their parents are **50% less likely to use drugs and alcohol** than those who do not; yet, only 30% of teens report learning about the risks of using drugs and alcohol from their parents. More surprisingly, according to a recent study of District 113 students, parental disapproval is one of the most important deterrents to drug or alcohol use.

In the coming weeks, *Parents. The Anti-Drug* will be providing interesting, and perhaps surprising facts about:

- Alcohol and drug use in our teen community (Illinois Youth Survey Data);
- Consequences/laws and local school policies; and,
- Tips to get your teens talking (conversation starters and talking points)

We encourage parents and all adults to keep your eyes open for additional information from *Parents. The Anti-Drug*. ☞

FLOOD INFORMATION: PART 2

(Continued from July/August 2009 Issue)

FLOODPLAIN PERMIT REQUIREMENTS

All development within the 100-year floodplain is required to undergo a formal review by the Engineering Department. Approval by the department must be granted prior to doing any work. This includes not just building construction, but also filling, excavation, fences, etc. Please contact the Engineering Department at 847/317.2490 to receive all the information you will need in order to properly develop in the floodplain.

SUBSTANTIAL IMPROVEMENT

The National Flood Insurance Program (NFIP) requires that if the cost of improvements or the cost to repair damages (from any cause) to a building in a floodplain exceeds 50% of the market value of the building (excluding land value), the entire building must be brought up to current floodplain management standards. Building improvement projects include exterior/interior remodeling, rehabilitation, additions, and repair/reconstruction projects. Additionally, the cost of currently planned improvements will be added to the cost of previously made improvements and compared to the existing market value to determine if the improvements exceed 50% of the structure's value.

FLOOD INSURANCE

Most homeowner's insurance policies do not cover flood damage. Flood insurance is only available to those communities participating in the NFIP. Because of Deerfield's current floodplain management programs, the Village is part of the NFIP and thus, residents are able to obtain flood insurance. Additionally, because the Village participates in the Federal Emergency Management Association's (FEMA) voluntary Community Rating System (CRS) program, flood insurance premiums are discounted.

Be sure to check your policy to ensure you have adequate coverage. Usually these

policies cover the building structure, but not the contents. However, this coverage can also be obtained upon request. There is a 30-day waiting period before coverage becomes effective. Plan ahead; do not wait until a flood is predicted before purchasing flood insurance. If you are building inside the floodplain, the purchase of flood insurance is mandatory if using a federally regulated/insured bank for a loan.

ADDITIONAL INFORMATION

If you require further or more detailed information regarding flood-related issues in Deerfield, following are some additional sources:

- FEMA.gov
- Engineering Department, 847/317.2490
- Floodplain FAQ page, www.deerfield.il.us
- Deerfield Public Library 

FALL LEAF COLLECTION

The Village's annual leaf collection program provides residents with an alternative for disposal of their autumn leaves. Residents who do not mulch or bag their leaves may simply rake leaves to the curb or carriage walk line the night before their scheduled pickup. Beginning the week of October 26 and continuing through November 19, Public Works Department crews will make one pass by each house in the Village every week during the 4-week program. Please inform your landscaper of these provisions.

Here are some reminders for leaf pickup:

- Do not park on the street the day of your pickup.
- Do not rake grass clippings, sticks, rocks, branches or mud to the curb with your leaves.
- Try to put leaves out each week, if possible.

Inclement weather may delay pickups, but crews will make at least four trips through your neighborhood.

To view a map that highlights the quadrants of the Village and their associated pick-up day of the week, please visit www.deerfield.il.us. For more information call 847/317.7245. 

CONSTRUCTION UPDATES

Please refer to the Village's website www.deerfield.il.us (click "Construction Updates" on the homepage) for additional project information, detour maps and construction updates. If you have questions regarding any of the following projects, please contact Robert Phillips, Assistant Village Engineer, at 847/317.2490, or via email at rphillips@deerfield.il.us.

QUICK NOTES:

• **Waukegan Road Resurfacing:**

IDOT's roadway rehabilitation work on Waukegan Road between Central Avenue and North Avenue will be complete by October 16, 2009. Daytime and/or permanent lane closures are expected to be in place for the duration of the project.

If you have questions, please contact Mike Schechtman, IDOT, at mike.schechtman@illinois.gov.

• **2009 Bridge Work Complete:**

The 2009 Bridge Rehabilitation Project was completed on July 31, 2009 by Herlihy Mid-Continent Company. The newly constructed bridges (Wilmot and Hazel) have been built according to the IDOT and American Association of State Highway and Transportation Officials (AASHTO) requirements. The project was 80% funded by the Federal Highway Administration through the Highway Bridge Rehabilitation and Reconstruction Program (HBRRP). Through the HBRRP, the Village is also preparing to reconstruct/rehabilitate two additional bridges in 2011 (Central Ave. & Juniper Court).

• **Wilmot Road South:**

To attain ARRA stimulus funds, construction will begin in September. For construction and public safety purposes, Wilmot Road will be closed to southbound traffic to facilitate the work. A detour route has been established and will be in place as the work commences. Wilmot School will be accessible from Wilmot Road for northbound traffic only but will have full access from Deerfield Road. A map of the detour can be viewed on www.deerfield.il.us. 

BOARDREPORT

The following is a synopsis of actions taken by the Village Board since the last issue of D-Tales. For complete sets of minutes for Village Board meetings, please visit the Village's website at www.deerfield.il.us.

VILLAGE BOARD ACTION

- Accepted the Report and Recommendation of the Plan Commission Regarding Text Amendments to the Zoning Ordinance Regarding the Definition of Attics in the Floor Area Ratio
- Accepted the Recommendations of the Manpower Commission and Approved Commission Appointments
- Adopted an Ordinance Granting a Front Yard Setback Variation for 464 Grove Place
- Adopted an Ordinance Amending the Municipal Code of the Village of Deerfield to Increase the Number of Class C Liquor Licenses from Three to Four for Teddy Fabz Restaurant
- Approved IDOT's Award of Contract for the Wilmot Road Infrastructure Rehabilitation Project
- Approved Award of Contract for the 2009 Street Rehabilitation Project
- Approved a Supplement for Engineering Design Services for Lake Cook Road Construction to McDonough Associates, Inc.
- Authorized the Purchase of Two Replacement Slicer Pumps for the Pfingsten Road Lift Station
- Authorized a Lease Agreement with the Northeast Illinois Regional Crime Laboratory for a Five-Year Period
- Authorized Staff to Enter into an Agreement with D&W Events for the 2010 Festival of Fine Arts
- Authorized a \$2,500 Donation to the North Suburban Career and Networking Center
- Authorized the Purchase of New Frames and Covers for Village Utility Structures from East Jordan Iron Works, Inc.
- Awarded the Contract for Sludge Removal to Dahm Enterprises at a cost of \$18.10 per cubic yard
- Awarded the Contract for Two New 2009 4-Wheel Drive Trucks with 9' Service Body, Lift Gate and Plows to Peterson GMC
- Awarded the Contract for One New 2009 or 2010 Vacuum Leaf Loader to Standard Equipment Company
- Awarded the Contract to Purchase Grinder Packs for Deep Sewage Line at the WRF to JWC Environmental

- Note: To register call 847/945.3311. For more information and a full listing of events, please visit the library on the web at www.deerfieldlibrary.org.*

WEST DEERFIELD TOWNSHIP

Township Board meetings will be held September 15 and October 20 at the Township Offices, 601 Deerfield Road. For more information, visit www.westdeerfieldtownship.org.

CITIZENS POLICE ACADEMY

The Deerfield Police Department is sponsoring a Citizens Police Academy beginning September 16, 2009. The program runs for 12 weeks. Classes meet on Wednesday nights from 7:00 p.m. - 9:00 p.m. The classes are limited to 12 participants who must be at least 18 years old, a Deerfield resident (or work in the Village) and have no felony convictions.

Most classes will be held at the Deerfield Police Department, 850 Waukegan Road, but some classes may also be held at an alternate location, depending on the subject matter. Each two-hour Academy session covers a variety of subjects ranging from basic law enforcement and its role in the community to discussions and demonstrations with other specialized units within the Deerfield Police Department including: SWAT, Mobile Field Force, Gangs and Drug Suppression, K-9, Traffic, Crime Prevention, and Youth and Social Services. Academy students will also participate in a citizen ride-along with a patrol officer.

To apply to participate in the Citizens Police Academy, download an application from the Village website at www.deerfield.il.us and return the completed application to the Police Department. You may also pick up an application at the Department. Questions may be directed to Commander Mel Soltwisch at 847/945.8636.

The Academy is an important component of the Deerfield Police Department's Community Oriented Policing and Problem Solving (COPPS) philosophy. The Department is committed to the philosophy of Community Policing. The Citizen Police Academy provides a forum to improve communication between police and the community. Graduates become partners with us in identifying problems and solutions to quality of life issues that face our community and are able to take their knowledge back to neighborhoods, where they can inform other community members about the Police Department. 

THE DANGERS OF AIRSOFT GUNS

Nationwide, law enforcement officers are having a growing number of tense encounters with young people who have AirSoft guns, as these "toys" look like real firearms.

AirSoft guns are made of metal and plastic to look exactly like real handguns, rifles and assault weapons. They are spring, electric or gas operated and fire round plastic pellets. The replica guns often have a small orange marking around the tip of the gun barrel, but this often wears off, is removed or covered.

The replica weapons are difficult to tell from real guns at dusk, in the dark or during suspected crimes. Parents and others should be aware of the dangers of the look-alike guns, because law enforcement might respond as if these are real weapons. According to Village Ordinance 0-88-69, AirSoft guns are not allowed in Deerfield. The Ordinance states, "No person shall have in his possession, carry ... a shotgun or rifle which may be used for the explosion of bullets and cartridges or any air gun, BB guns, gas operated gun or spring operated gun..."

AirSoft was originally designed as a toy, but it later gained popularity as a training tool for law enforcement live fire training. 

PARENTS WHO HOST LOSE THE MOST

The Deerfield Police Department would like to remind parents of the legal ramifications of hosting parties for underage children. State law and local ordinance prohibit the consumption of alcohol by a minor, and parents that host parties will be subject to prosecution to the full extent of the law.

With the school year upon us and reunions and homecoming events on the horizon, it is important that parents keep an open and active line of communication with their children about the hazards of drinking and

driving and be vigilant in knowing their child's whereabouts.

Events in past years have shone a spotlight on the dangers of underage drinking, a hazard that can be effectively remedied by parental prevention that starts at home. *Parents Who Host Lose the Most* is a local campaign to remind parents of the legal ramifications of hosting parties and the harm it can cause families.

WHAT PARENTS SHOULD KNOW:

- As a parent, you cannot give alcohol to your teen's friends under the age of 21 even in your own home or with their parent's permission.
- You cannot knowingly allow a person under 21 to remain in your home or on your property while consuming or possessing alcohol.

IF YOU BREAK THE LAW:

- You face a sentence of 365 days in jail, a \$2,500 fine and two years probation.
- Civil action may be taken against you if you give alcohol to anyone under 21 and they, in turn, damage property, hurt themselves or hurt someone else.

THINGS YOU CAN DO AS A PARENT:

- Refuse to supply alcohol to anyone under 21.
- Be at home when your teen has a party.
- Make sure that alcohol is not brought into your home or property by your teen's friends.
- Talk to other parents about not providing alcohol at other events your child will be attending.
- Report underage drinking to the Deerfield Police Department (you can report anonymously).

For more information on this program, contact the Deerfield Police Department at 847/945.8636. 

HISTORIC VILLAGE FALL FEST & CAR SHOW

The 34th annual Deerfield Area Historical Society Fall Festival will take place on Sunday, September 13, from noon to 4:00 p.m. at the Deerfield Historic Village, Deerfield Road and Kipling Place. This family-friendly, free event features children's activities, live entertainment, food, demonstrations, antique cars, a book and antique sale and fun for the entire family. Children can try their hand at vintage activities and attend class in a one-room schoolhouse. Visitors are invited to tour five buildings of historic interest including the Caspar Ott log house. Built in 1837, it is Lake County's oldest surviving building.

All profits from the Fall Festival will be used to help restore the buildings in the Historic Village. *For information call 847/948.0680, email deerfieldhistory@gmail.com or visit www.deerfieldhistoricalsociety.org*

ATTENTION CAR COLLECTORS!

A special invitation is extended to Deerfield area residents to display their antique or classic car at the Fall Festival on September 13. Add local flair to the event by showing off your pride and joy. Park on the grass and spend a pleasant afternoon at the Deerfield Historic Village. Note: This is a showcase for vehicles, not a competition. *For car show information, call 847/948.0680 or email scramer724@yahoo.com*

CRAFTERS & ARTISANS INVITED

Crafters, artisans and traditional craft demonstrators are also invited to participate in the Fall Festival. *Call 847/948.0680 or email deerfieldhistory@gmail.com*

HOUSEHOLD WIPES BLOCK SEWERS

While many household cleaning wipes are labeled as disposable, these products do not shred quickly after being flushed. Our crews report that these wipes often block private sewer lines and create problems for the pump stations.

Please dispose of these items with the trash and never flush:

- Disinfecting wipes
- Baby wipes
- Q-tips
- Mop or "Swiffer" type refills
- Paper towels

THANK YOU!
The Village wishes to thank the Family Days Committee for their dedication to this annual event. Your hard work made the 46th celebration a big success!

MUDFEST

Mudfest will be held on Sunday, September 13th from noon to 4 p.m. at Jewett Park. Participants are teams of 8 to 10 high school students which must be Co-Ed (at least 4 boys and 4 girls per team). *For further information contact Jerry Zachar at the Deerfield Police Department at 847/945.3120, or Linda Anderson at the Deerfield Park District at 847/945.0650.*

CELEBRATE CHICAGO!

As part of the Burnham Plan Centennial, Deerfield Public Library is offering a series of programs that celebrate the history, diversity, and food of this great city. Stop by the Library this fall to see the magnificent "Make Big Plans: Daniel Burnham's Vision of an American Metropolis" exhibit. To learn more about Centennial programs throughout Chicago, visit <http://burnham-plan100.uchicago.edu/>.

developing Chicagoland as we know it today: vast lakefront parks, double decked Wacker Drive, the Michigan Avenue Bridge, and the Forest Preserves of Cook and neighboring counties. Dave Clark takes us on a historical journey of Chicago and the man who planned it.

MOVERS AND SHAKERS OF CHICAGO

Wednesday, October 7, 7:00 p.m.
The Colonel, the Everleigh Sisters, and Hizzoner are just a few of the larger than life "Movers and Shakers" that made Chicago, Chicago. See these unique historical figures come alive in this narrated multimedia presentation by architectural docent Hy Speck.

CHICAGO: BEHIND THE SKYSCRAPERS

Sunday, October 11, 2:00 p.m.
When Rick Kogan and Charles Osgood take us on a tour of Chicago, they are telling us about the city's true main streets, where people work and live and love and dream in a uniquely Chicago way. Join these journalists for their stories of this great city.

For more information, please visit the library on the web at www.deerfieldlibrary.org or call 847/945.3311.

A COOK'S GUIDE TO CHICAGO

Sunday, September 20, 2:00 p.m.
Want to visit the exotic markets of India or Vietnam without getting on an airplane? Come take an armchair trip to some of Chicago's famous ethnic markets with Marilyn Pocius, author of *A Cook's Guide to Chicago*. Pocius will share helpful tips and samples of these fabulous foods.

"NO LITTLE PLANS": THE BURNHAM PROJECT

Wednesday, September 23, 7:00 p.m.
Daniel Burnham, one of the world's most famous architects, was instrumental in

WRF REPLACEMENT PROJECT UPCOMING EVENTS @ PTSC

The Wastewater Reclamation Facility (WRF) replacement project design is being prepared for Plan Commission review. The WRF's components and new layout (all in the same area as the current WRF on Hackberry Road) are being finalized over the next few months. The Village's engineering advisor, Strand Associates, is including recommendations for sustainable features, and coordination with neighboring Park District facilities, as well as the necessary technical components to meet EPA operating requirements and reduce odors and noise for WRF neighbors.

The Plan Commission public hearing concerning changes to the WRF Special Use permit will likely be held in October. Additional background and information on the WRF replacement project can be found at www.deerfield.il.us.

For more information on programs, or to register to be a member, please call the Patty Turner Senior Center at 847/940.4010 or visit www.deerfieldseniors.org.

The Patty Turner Senior Center offers a drop off/pick-up service for older adults in Deerfield, Lincolnshire, Bannockburn and Riverwoods. The service is available on a reservation only, first come/first served basis.

REMINDERS:

VILLAGE HALL CLOSED

The Village Hall will be closed on Monday, September 7, in observance of Labor Day. The regularly scheduled meeting of the Board of Trustees will be held on Tuesday, September 8.

HOUSEHOLD ELECTRONICS

The Village of Deerfield will hold a household electronics collection on Saturday, September 12, from 9:00 a.m. - noon at the Public Works Facility, 465 Elm Street. *For information on what can be collected, please visit www.lakecountyil.gov/swalco.*

REFUSE/RECYCLING COLLECTIONS

Remember to place refuse and recycling collections out no later than 7:00 a.m. on your collection day (6:30 a.m. if you live on Deerfield or Waukegan Roads) to ensure collection. Veolia works in the Village from as early as 6:30 a.m. and sometimes uses alternate routes due to construction, staff changes, or other unforeseen circumstances. Please wait until 11:00 a.m. to call if you believe you have been missed. Also, excess recycling that does not fit in your recycling toter should be placed neatly in paper bags next to the toter. Remember, large cardboard should be cut down to no larger than 2' x 2'.

Due to the Labor Day holiday, refuse collections during the week of September 7 will be delayed one day.

FARMERS MARKET

Don't forget to visit the Deerfield Farmer's Market, running Saturdays through October 17!

TRICK-OR-TREAT HOURS

Trick-or-Treating hours in the Village will be on Saturday, October 31, from 3:30 p.m. to 7:00 p.m. **Have a safe and fun Halloween!**

DAYLIGHT SAVINGS TIME ENDS

Daylight Savings time will end on Sunday, November 1. Remember to set your clocks back one hour (2:00 a.m. to 1:00 a.m.).

CLEAN AIR COUNTS~ FOR KIDS!

The following sites provide some useful information and fun activities to start teaching kids about the importance of protecting our environment:

- **Smog City**, www.smogcity.com
Smog City is an interactive game that shows how our behavior affects air quality!
- **Environmental Protection Agency for Kids**, www.epa.gov/students/air.htm
The EPA has information, advice, and projects related to air quality designed for kids of all ages.
- **Planet Protectors Club**, www.epa.gov/epawaste/education/kids/planetprotectors/index.htm
The Planet Protectors Club has tons of information on how we can protect the environment. It talks about air quality and much, much more!
- **Air Avenger**, <http://daq.state.nc.us/cgi-bin/aakids.cgi?actcd=0>
Lots of great air quality activities, including Air Jeopardy.

For more useful information, visit Clean Air Counts at www.cleanaircounts.org
