VILLAGE GREEN PROPOSAL

At its June 1st meeting, the Village Board received the Plan Commission and Village Center Development Commission (VCDC) reports concerning the proposed Village Green for 1.7 acres of Village property on the north side of Deerfield Road just west of Waukegan Road. Further Board discussion— but no decision— on the proposal will take place at the July 27th Committee of the Whole meeting.

The Village Green proposal seeks to convert the existing deteriorated parking lot into a public activity and parking area, demonstrating sustainable materials, energy generation and plantings.

For more information, please visit the Village website at www.deerfield.il.us. The proposed design and related information can be found on the "Upcoming Public Hearings" page under the Community Development Department. ~

SEWER TESTING MAY HAVE SOME SEEING SMOKE

From now through September, some Deerfield residents may be seeing smoke in their neighborhoods, but they should not panic.

Starting in June, crews began testing the sanitary sewers of certain portions of Deerfield by blowing nontoxic smoke into the sewer system. This process – called smoke testing – helps identify spots where rainwater can enter the sanitary sewer system during heavy rainstorms and cause sewer backups in basements.

Smoke testing crews from the RJN Group Inc., plan to test the sanitary sewers in Deerfield through September. The testing involves forcing nontoxic, harmless smoke through the sanitary sewers. The smoke used

46TH ANNUAL DEERFIELD FAMILY DAYS CELEBRATION

Deerfield Family Days will again take place on July 3rd and 4th. Join family and friends for a holiday weekend filled with fun and entertainment!

The spectacular fireworks show will be held Friday at Brickyards Park with live entertainment from *The Fundamentals*. The gates will open at 5:00 p.m. On Saturday, head on over to the festivities at Jewett Park including a pancake breakfast, dog show and a variety of games and rides. The parade starts at noon. (For a full listing of Family Days events, please turn to page 2 or visit the Village's website at www.deerfield.il.us.)

Deerfield Family Days is sponsored by the Village of Deerfield, planned by the all volunteer Family Days Committee, and the parade is organized by the Deerfield Lions Club. The hard work and dedication of all keeps this annual event a staple of the Deerfield community. Funding for Family Days comes from the generous support of many Deerfield residents and businesses. ~

CONSTRUCTION UPDATES

Please refer to the Village's website www.deerfield.il.us (click "Construction Updates" on the homepage) for additional project information, detour maps and construction updates. If you have questions regarding any of the following projects, please contact Robert Phillips, Assistant Village Engineer, at 847/317.2490, or via email at rphillips@deerfield.il.us.

repairs. This project includes patching portions of the streets, curbs, and sidewalks that have been affected by road salt, freezing temperatures, and utility work.

The Public Works and Engineering Department has compiled a list of locations to be repaired based upon field investigations and resident requests. The project is expected to begin before the end of July and will be complete by October 2009.

QUICK UPDATES:

- **East Side Sanitary Pumping Station:** Expected to be complete by September of 2009.
- **Waukegan Rd. at High School Drive:** Traffic signal and the sidewalk at the High School entrance will be complete by the end of July 2009.
- **Wilmot Road Bridge:** Construction is scheduled to begin the first week of July and be completed by the end of August 2009. The bridge will be closed completely during construction.

WILMOT ROAD SOUTH

The Village of Deerfield is preparing to rehabilitate Wilmot Road from Gordon Terrace to Deerfield Road. The work is scheduled to begin in late July and be completed by December 2009. The Village was successful in procuring up to \$1.45M (depending on bid results) in "Economic Stimulus Funding" through President Obama's American Recovery and Reinvestment Act (ARRA).

Wilmot Road will be closed to southbound traffic for approximately four months to facilitate the work. A detour route has been established and will be in place as the work commences. Wilmot School will be accessible off of Wilmot Road for northbound traffic only but will have full access off of Deerfield Road.

2009 STREET REHABILITATION

Harsh winters have left Village streets in need of patching and resurfacing. The scope of the 2009 Street Rehabilitation Project will be to rehabilitate portions of Village streets that can benefit from small scale

CARLISLE AVE. & CARRIAGE WAY INFRASTRUCTURE PROJECT

The Village Engineering Department is in the process of completing the design for the Carlisle Avenue and Carriage Way infrastructure replacement project. The intention of the project is to reconstruct and rehabilitate existing Village roadways and utilities. The project limits are Carlisle Avenue between Deerfield Road and the Briarwood Nature Area and Carriage Way between Foxhunt Trail and the Briarwood Nature Area. The scope of the overall work will include complete replacement of the existing roadway, water main replacement, point repairs on storm and sanitary sewer systems, lighting system upgrades, and sidewalk replacement as needed.

The project is currently proposed to begin in the spring of 2011 and, weather dependent, be completed in the fall of 2012. In the interim, the Public Works and Engineering Department expects to perform pothole patching and roadway spot patching to maintain operations until reconstruction can begin. ↻

FLOOD INFORMATION: PART 1

FLOOD HAZARD AREAS

Special Flood Hazard Areas (100-year floodplain) in the Village of Deerfield are located near the Middle Fork and West Fork of the North Branch of the Chicago River. The eastern portion of Deerfield is in the Middle Fork watershed, while the western part of downtown is in the West Fork watershed. For a detailed map visit the Village of Deerfield website www.deerfield.il.us (Public

Works & Engineering pages, under maps and information).

Information on whether your property is in the 100-year floodplain can be obtained by contacting the Engineering Department at 847/317.2490.

FLOOD SAFETY

The following guidelines can help you avoid the dangers of flooding:

- **Do not drive through a flooded area.** More people drown in cars than anywhere else. Do not drive around barriers.
- **Do not walk through flowing water.** Currents can be deceptive. Six inches of water can knock you off your feet.

FLOOD RECOMMENDATIONS

- **Stay away from power lines and electrical wires.** If your house is about to be flooded, turn off the power at the service box. Electrical current can travel through water. Electrocutation is the second leading cause of death during floods.
- **Be alert to gas leaks.** Turn off the gas to your house before it floods. If you smell gas, report it to your gas company. Do not use candles, lanterns or open flames if you smell gas or are unsure if your gas has been shut off.
- **Keep children away from flood waters, ditches, culverts and storm drains.** Flood waters can carry substantial items that have dislodged themselves. Culverts can pull smaller objects into them blocking water flow.
- **Clean everything that has been wet.** Flood water is usually contaminated with sewage and other chemicals which pose health threats.
- **Look out for animals, especially snakes.** Small animals that have been flooded out of their home may seek shelter around your home.
- **Be smart when using gas engines,** such as generators, or charcoal fires indoors during power outages. Carbon monoxide exhaust can pose serious health hazards.

PROPERTY PROTECTION

If your property is susceptible to flooding,

Continued on Page 5

BOARDREPORT

The following is a synopsis of actions taken by the Village Board since the last issue of D-Tales. For complete sets of minutes for Village Board meetings, please visit the Village's website at www.deerfield.il.us.

VILLAGE BOARD ACTION

- Accepted the Report and Recommendation of the Appearance Review Commission Re: Request for the Deerfield Area Historical Society to Restore the Historic Deerfield Train Station to the 1918 Color Scheme
- Accepted the Report and Recommendation of the Board of Zoning Appeals Re: Request for Sideyard Variation for 1403 Greenwood
- Adopted an Ordinance Granting a Variation for Certain Property Commonly Known as 1403 Greenwood Avenue
- Adopted a Resolution re Closure of Portion of Waukegan Road for the 4th of July Parade
- Adopted a Resolution for 2009 MFT for Wilmot Road South Infrastructure Rehabilitation
- Approved Amendment #1 to the Strand Agreement for Design Services for the Wastewater Reclamation Facility
- Authorized the Purchase of Police Vehicles
- Awarded the Contract for Design Engineering and Construction Assistance Services for Replacing the Sanitary Sewer Lift Station at Deerbrook Mall
- Awarded Construction Engineering Services to RJN Group for IEPA/ARRA Submittals for Water Infrastructure Projects
- Executed a Mutual Assistance Agreement Between the Village of Deerfield Police Department and Baxter Healthcare Corporation
- Executed a Memorandum of Understanding Between the Village of Deerfield and Takeda Pharmaceuticals to Provide Alternate Space and Support for Emergency Operations During Emergency Events

AWARDS AND PROCLAMATIONS

- Proclaimed May 30th and May 31st, 2009, as Relay for Life Days in Deerfield
- Recognized Glenn Smith for 25 Years of Service
- Recognized Former Mayor Steven Harris for his Service to the Village
- Recognized Former Trustee Norton Wasserman for his Service to the Village

WEST DEERFIELD TOWNSHIP

Township Board meetings will be held July 21 and August 18 at the Township Offices, 601 Deerfield Road. For more information, visit www.westdeerfieldtownship.org.

BEWARE OF TELEMARKETING SCAMS

Many legitimate companies and charities solicit consumers by phone and consider it an effective way to raise money or increase company business. Unfortunately, others are simply up to no good. The Deerfield Police Department believes citizens can prevent telemarketing fraud by becoming educated consumers.

According to the Federal Trade Commission (www.ftc.gov), nearly 25 million Americans are victims of consumer fraud each year. Senior citizens continue to be a rapidly increasing segment of the population, and that makes them a prime target for con artists and thieves. Americans who are 65 or older represent about 13 percent of our country's population, and their population will only continue to grow as the Baby Boomer generation begins to enter that age range.

Studies have shown that senior citizens are more at risk of being targeted by telemarketing scams than any other age group, and fraudulent telemarketers direct anywhere from 56 to 80 percent of their calls at older Americans. These con artists believe that senior citizens are vulnerable and more susceptible to their tricks.

UTILITY BILLING SCHEDULE

The Village bills on a quarterly basis for water, sewer, and refuse. In order to assist residents and businesses in understanding billing dates and due dates, the Finance Department has provided the following schedule:

Account #s 01-0000 -15-9999
Bills Mailed: 8/10/09, 11/10/09
Due Dates: 9/1/09, 12/1/09

Account #s 21-0000 -39-9999
Bills Mailed: 9/10/09, 12/10/09
Due Dates: 10/1/09, 1/4/10

Account #s 41-0000 -54-9999
Bills Mailed: 7/10/09, 10/9/09, 1/8/10
Due Dates: 8/3/09, 11/2/09, 2/1/10

The Deerfield Police Department recommends keeping the following tips in mind:

- **Offers too good to be true usually are.** Remember the latest headlines of Bernie Madoff's \$50 Billion Ponzi Scheme? Madoff's promise of high profits and guaranteed double-digit interest rate returns ensnared many well-known investors, non-profit organizations and pension funds. Carefully read through any "unbelievable deals" or the "amazing prize offer" and discuss with someone you trust before making a commitment.
- **Never give out your personal information over the phone or Internet unless you have initiated the contact.** Legitimate business callers will never ask you for this information over the phone.
- If a caller asks you to pay for an offer in advance or asks for your credit card or Social Security number, **tell the person you do not give out personal information over the telephone.**

Remember that legitimate telemarketers will not be turned off if you use these techniques. They will appreciate dealing with an educated consumer. *It's not rude - it's shrewd!* ☺

Please note: There is a 10% late fee for bills that are not paid by their due date.

The Village encourages residents to utilize the drop box located on Jewett Park Drive by Village Hall to make payments. This will ensure that your payment is processed in a timely manner and save postage.

Of course, bills can be paid in person at Village Hall from 8:00 a.m. - 4:30 p.m., Monday through Friday or via mail.

Questions should be directed to the Finance Department at 847/945.5000. ☺

SEWER TESTING CONTINUED

Continued from Page 1

does not create a fire hazard. Where there are leaks, crews will see smoke. Smoke should not enter residents' homes unless there are dried-up drain pipes or defective plumbing issues. Residents in the area being tested should fill seldom-used drains with water to prevent smoke from entering their homes.

RJN Group crews will notify residents before they begin working in their neighborhood by placing information cards on their doors. These cards have additional information about what residents should expect to happen during the smoke testing. The testing does not require the field crews to enter homes, and residents do not need to be home during the testing. RJN Group personnel will be identified with uniforms and badges. If residents see smoke in their homes or on their property during the testing, they should notify the RJN crew working on their street.

Information and a map of the area being tested are available on the Village's website, www.deerfield.il.us. ☺

FLOOD INFO CONTINUED

Continued from Page 3

there are many flood damage reduction measures you can employ.

- Watertight seals can be applied to brick and block walls to protect against low-level flooding.
- Mechanical equipment such as heating and air conditioning systems, water heaters and other major appliances can be elevated to higher floors in the structure or on raised platforms.
- Temporary measures such as moving furniture and other valuables to higher floors or sandbagging exterior openings will also help.

If you should require further or more detailed information regarding flood-related issues in Deerfield, here are some additional sources:

- FEMA.gov
- Engineering Department, 847/317.2490
- Floodplain FAQ page, www.deerfield.il.us
- Deerfield Public Library ☺

COMMUNITYINFO

CHAMBER OF COMMERCE SCHOLARSHIPS AWARDED

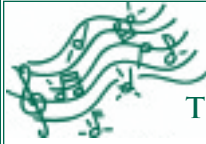

The Deerfield Bannockburn Riverwoods (DBR) Chamber of Commerce Dollars for Scholars chapter is pleased to announce the awarding of the 2009 college scholarships to Christine Mulhern, Arielle Gray, and Niteesh Chitturu. All three of the scholarship recipients are graduating seniors at Deerfield High School.

The DBR Chamber of Commerce Dollars for Scholars chapter is a nonprofit volunteer organization that provides financial assistance to help students in the 60015 zip code pursue a higher education. The Chamber awards three scholarships each year, one for Community Service and two Takeda Pharmaceuticals North America, Inc. Science scholarships. The criteria for these awards includes, but is not limited to, residing in the 60015 zip code, and an outstanding record of service to others.

Christine Mulhern, the recipient of the Community Service award has spent a great deal of her high school years in service to others, including work with St. Malachy's school in Chicago. Christine will be attending Northwestern University in the fall of 2009. Arielle Gray and Niteesh Chitturu, recipients of the Takeda Pharmaceuticals North America, Inc. Science awards, are both outstanding students who are focused on careers in science. Arielle will attend the University of Michigan and Niteesh will attend the University of Illinois, Urbana -Champaign.

The Chamber organized the scholarship program in 2002. The committee that oversees the program is comprised of members of the community including Bank Financial, Takeda Pharmaceuticals North America, Inc., Walgreen Company and What's Happening Newspaper.

Donations to the DBR Chamber of Commerce Dollars for Scholars can be sent to the DBR Chamber of Commerce, 601 Deerfield Road, Suite 200, Deerfield, Illinois 60015. ☞

- **July 25:** Police and Fire Department "Rib Cook- Off" (Stoney River)
- **August 1:** Cooking Demonstration with Gale Gand, 10:00 a.m.
- **August 25:** Farmers Market Grillfest
- **September 12:** 5th Annual Apple Pie Contest

For more information, visit the Village website at www.deerfield.il.us. ☞

HOUSEHOLD STRATEGIES FOR THE SUMMER

Fill up your gas tank & mow your lawn in the evening.

Even with new gas pumps and cans, designed to prevent the release of VOCs into the atmosphere, filling your gas tank and mowing your lawn during the middle of a hot summer day can increase the levels of “bad” ozone in your area. Because NOX + VOCs + Sunlight + Hot Weather = Ozone, the heat and sunlight typical of a summer day increase the likelihood that the VOCs will combine with NOX to form ozone. If we wait until nightfall to fill our gas tanks, the reaction that creates ozone cannot take place. Also, when mowing your lawn, consider replacing your gas lawn mower with an electric or manual model.

Use native landscaping on your property.

Natural landscaping uses native plants, wildflowers and grasses instead of traditional turf grass. Because natural landscaping is adapted to the Midwestern geography, hydrology and climate, it requires fewer pesticides, fertilizers and watering to maintain. This can improve air quality both because it reduces the use of pesticides and it minimizes the need to mow our lawns. A gasoline-powered lawn mower pollutes as much in one hour as does driving an automobile for 350 miles! Because many communities have municipal weed ordinances, it makes sense to consult a local plant nursery that can both recommend native plants that fit best with your area and can advise you on how to complete your native landscaping project while staying within your community’s landscaping regulations.

For more useful strategies, visit Clean Air Counts at www.cleanaircounts.org. ☞

UPCOMING EVENTS @ PTSC

For more information on any of the programs listed below, or to register to be a member, please contact the Patty Turner Senior Center at 847/940.4010 or visit www.deerfieldparkdistrict.org.

July 1, Brewers vs. Mets @ Milwaukee

July 4, Pancake Breakfast

July 7, Blood Pressure/Blood Glucose Screenings

July 8, Modern Wing- Art Institute & Millennium Park Trip

July 13, Great Decisions

July 16, Harbor Country Tour

July 21, Single Mingle

July 23 & 24, AARP Defensive Driving Course

August 4, Blood Pressure/Blood Glucose Screenings

August 4, Holocaust Trip

LOOKING TO BUY A HOME OR TO MAKE REPAIRS?

The Affordable Housing Corporation, a local nonprofit agency, offers a variety of low-interest loans, grants and education programs that can help.

For more information, log onto www.ahclc.org or call 847/263.7478. ☞

REMINDERS:

HOUSEHOLD ELECTRONICS

The Village of Deerfield will hold a household electronics collection on Saturday, July 18 from 9:00 a.m. - noon at the Public Works Facility, 465 Elm Street. *For information on what can be collected, please visit www.lakecountyyil.gov/swalco.*

BLOCK PARTIES

If your block is planning a party, please remember that such gatherings require a permit. There is no fee, but the application must be filled out so a temporary street closure may be scheduled. Call 847/945.5000 for more information. The application is available online.

GARAGE SALE PERMITS

Garage Sale permits are available at the Village Hall. Permits are \$5.00 and allow two sales per year with a maximum of 4 consecutive days for each sale.

LAWN SPRINKLING

As a reminder, between May 15th and September 15th lawn sprinkling regulations are as follows: Even numbered addresses may water on even numbered dates from midnight - noon and/or from 6:00 p.m. -midnight. Odd numbered addresses may water on odd numbered dates from midnight - noon and/or from 6:00 p.m. - midnight. This applies only to lawn sprinkling.

SAVE THE DATE - COMMUNITY SERVICES DAY

The 5th Annual Community Services Day will take place at Brickyards Park on Saturday, September 12 from noon - 4:00 p.m. This event highlights the many services various governmental agencies and service groups offer to residents of Deerfield. Look for more information in the next edition of D-Tales. ☞

HOMESHARING PROGRAM

Interfaith Housing Center’s Homesharing Program matches homeowners with an extra room to rent with working individuals who are seeking affordable housing near their workplace. *To learn more about this free, confidential service or to schedule a presentation about Homesharing, visit www.interfaithhousingcenter.org or call 847/501.5732 x401.* ☞

WHY SHOP LOCAL?

SHOPPING LOCAL...

1. ... **Supports Deerfield's Vibrant Mix of Businesses**
Why go anywhere else when you can find most everything you need right in your hometown! With a mix of locally owned businesses as well as regional and national outlets, Deerfield's local shops, restaurants, services and hotels provide residents and visitors alike with all the necessities as well as the niceties.
2. ... **Fosters Community Relationships**
When you shop in Deerfield, you are able to develop lasting relationships with local businesses and the people that provide goods & services. The businesses become neighbors and a human face is put on the service you receive.
3. ... **Protects the Environment**
Shopping local supports a more "green-friendly" community. By keeping your business within the village, you travel less, which reduces traffic and congestion, and ultimately creates less air and water pollution! Many shopping areas in Deerfield are also easily accessible by walking or bicycling, adding to the shopping experience.
4. ... **Reinvests in the Village**
When you shop local, you are keeping your sales tax dollars in Deerfield. This revenue goes back into the community to support village services and maintain roads and public utilities. Local businesses are also strong supporters of community events and local nonprofit organizations.
5. ... **Creates Jobs that Help to Strengthen the Local Economy**
Deerfield's local businesses generate jobs for members of our community. By patronizing local businesses first, you are helping to keep neighbors employed, as well as generating new jobs.
