2010 CENSUS - YOUR PARTICIPATION COUNTS!

Some Deerfield residents may be asking themselves, "Why should I participate in the 2010 Census?" A decennial Census, which is required by the U.S. Constitution, is conducted to ensure an accurate and fair count of all populations at all geographic levels in the nation. The Census directly affects how more than \$400 billion per year in federal and state funding is allocated to state and local governments. Simply put, the more people counted, the more money allocated. It is estimated that every person not counted means a loss of \$1,000 annually for the next ten years according to the U.S. Census Bureau. Researchers predict that for each uncounted person Illinois will lose \$12,000 in federal funds in the next decade.

The cost to you to fill out a Census form is nothing but 10 minutes of your time. The 2010 Census questionnaires will be sent out by mail to all households in mid-March and are due back to the Census Bureau by April 1, 2010. Each household will need to complete only one questionnaire. The short form will be used this year with ten questions including birth date, ethnic group, address, and number of people living in the household. Spending just a few minutes to fill out your Census form will ensure the Village of Deerfield gets its fair share of federal and state funding. The Village of Deerfield and the U.S. Census Bureau are relying on you, our residents, to answer the Census questionnaire. By law, your responses are kept confidential to protect the privacy of respondents.

For more information about the 2010 Census in Deerfield, please contact Jeff Ryckaert, Principal Planner at (847) 719-7482 or jryckaert@deerfield.il.us.

EMERGENCY INFORMATION PROGRAMS

There are two new programs sponsored by the State that the Police Department wants Deerfield residents to be aware of: the *Illinois Premise Alert Program* and the *Illinois Secretary of State, Emergency Contact Database*.

The former is a safety program that supports individuals living with disabilities while aiding public safety personnel to better respond. The Department is creating a database of individuals with special needs that will be secured in our computer aided dispatch (CAD) database and maintained by the Department at the request of families, caregivers, and individuals with disabilities or special needs. The program is free of charge. It will assist us in identifying individuals who have special needs, which will in turn enable us to have additional information at our disposal in order to better serve you.

To enroll in this program, forms will be available at Deerfield Village Hall, the Police Department, and the Deerfield Township Office. You can also request a form be mailed to you by contacting Mary Anne Glowacz at 847/945.8636.

The second program is managed by the Illinois Secretary of State. It compiles emergency contact information and associates it with your Illinois driver's license and/or state identification card. In the event of a motor vehicle crash or other emergency situation where a person is unable to communicate directly, law enforcement may access this database to help them reach the person's designated emergency contacts. If you would like to participate, follow the directions on the Illinois Secretary of State website at www.cyberdriveillinois.com/departments/drivers/ecd/home.html

If you have questions or concerns about either program, please contact the Deerfield Police Department Communications Director, Mary Anne Glowacz at 847/945.8636. ☞

POLICE DEPARTMENT

NATIONAL PUBLIC SAFETY TELECOMMUNICATORS WEEK APRIL 11-17, 2010

Each year, the second full week of April is dedicated to the men and women who serve as public safety telecommunicators or 9-1-1 Operators. It was introduced in Congress in 1991 as “National Public Safety Telecommunicators Week”; there are more than 500,000 telecommunications specialists nationwide.

The Deerfield Police Department has 8 full-time (and one part-time) Telecommunicators. They will celebrate the week with a proclamation from Mayor Rosenthal as well as a series of in-house special events to recognize their efforts to serve the community. Please take the time to thank this group of public servants.

POLICE DEPARTMENT WINS AWARD

The Deerfield Police Department was named recipient of the 2009 Michael Shanahan Award for Excellence in Public/Private Cooperation by the International Association of Chiefs of Police. The Michael Shanahan award recognizes outstanding achievement in the development and implementation of public/private cooperation in public safety.

The Deerfield Police Department received this award for using their relationship with the Lake-Cook Regional Critical Incident Partnership (LCRCIP) group as a model. This regional partnership was initiated by Michigan State University, using the Critical Incident Protocol Program. The LCRCIP’s mission is to further public/private cooperation in public safety in the southern Lake and northern Cook County region. This partnership has led to better emergency preparedness. The Deerfield Police Department has not only led in promoting this program, but also in developing forward-thinking public/private initiatives within the group.

For more information visit Deerfield’s website at www.deerfield.il.us. ☺
