UPDATE ON THE VILLAGE'S ASSAULT WEAPONS ORDINANCE

On April 15, the Mayor and Village Board unanimously agreed to appeal the March 22 ruling prohibiting enforcement of the Village's assault weapons ordinance to the Illinois Appellate Court.

The Brady Center to Prevent Gun Violence and Mr. Christopher Wilson, partner of the Chicago office of Perkins Coie, have agreed to continue to provide pro bono legal services throughout the appeal process. These services have covered more than \$100,000 of the total cost of the litigation, with the Village paying less than \$30,000 to the Village Attorney for services not covered by the pro bono partners.

The Village continues to believe that these weapons have no place in our community and that our common-sense assault weapon regulations are legal and were properly enacted.

"We hope that our local decision helps spur state and national leaders to take steps to make our communities safer," Mayor Rosenthal said.

Last February, Mayor Rosenthal directed that Staff and the Village Attorney present a report concerning the implementation of a ban on assault weapons.

The ordinance bans the possession, sale and manufacture of assault weapons and large capacity magazines in the Village. It is based on a City of Highland Park ordinance that withstood a legal challenge and is currently in effect.

For further updates on the assault weapons ordinance, visit www.deerfield.il.us/707/Assault-Weapons-Ban or call the Village Manager's Office at 847.719.7400. ☞

DEERFIELD TRUSTEES RE-ELECTED TO VILLAGE BOARD

Following the local consolidated election on April 2, 2019, Deerfield congratulates trustees Thomas Jester, William Seiden and Daniel Shapiro on their re-elections to the Village Board for new, four-year terms.

on the Farmers Market Committee.

Thomas "Tom" Jester has been a Deerfield resident since 1976 and is entering his fourth term on the Board of Trustees. Trustee Jester is a former engineer and serves as a founding committee member

is a member of the Deerfield Optimist Club.

William "Bill" Seiden has been in the Deerfield community for over 41 years. He served his first term on the Board of Trustees in 1999 and is entering his sixth. Trustee Seiden works in Finance and

Shapiro & Associates Law.

Daniel "Dan" Shapiro has been part of the Deerfield community since 1991 and has served on the Board of Trustees since 2015. Trustee Shapiro is a practicing attorney at

LAWN SPRINKLING AND IRRIGATION REGULATIONS

From May 15 through September 15, lawn sprinkling regulations are in place.

Even numbered addresses may water on even numbered dates from midnight to noon and/or from 6 p.m. to midnight. Odd numbered addresses may water on odd numbered dates from midnight to noon and/or from 6 p.m. to midnight. This applies only to lawn sprinkling.

As a reminder, all irrigation systems are required to have a backflow prevention device called a Reduced Pressure Zone Backflow Preventer (RPZ). This must be certified annually by a licensed Cross Connection Device Inspector. This testing and certification must be completed every

year prior to the system going into service.

The Village has contracted with Backflow Solutions, Inc. (BSI) to administer the backflow prevention tracking program. The annual backflow assembly test report must be submitted electronically by your inspector via the BSI Online system at www.BsiOnline.com.

Residents who have an irrigation system that they do not use can contact Public Works to join a lockout device program and be exempted from the annual RPZ testing requirement. At the owner's request, Village staff will install a specially keyed 'lockout' device that prevents the irrigation system from being turned on. This ensures that inadvertent contamination of the water supply cannot occur, satisfying the IEPA's regulation and allowing residents to avoid paying for the annual inspection of a system they do not use.

To sign up for this program, residents are required to sign an agreement form along with an installation fee of \$45. There is also an annual inspection fee of \$25 beginning in the second year and continuing until the device is removed. This is a low-cost alternative when compared to the price of annual RPZ testing.

For more information, contact the Public Works Department at 847.317.7245. ~

VILLAGE OFFERING NEW ONLINE UTILITY BILL PAYMENT SYSTEM

The Village of Deerfield now accepts the online payment of utility bills at no additional charge to residents! Visit our website at www.deerfield.il.us and click the "Pay Online" button or visit <https://pay.deerfield.il.us> (Munis Self Service).

Use the Munis Self Service website to create a unique user ID and password, register your account and pay your Village utility bills online. Once registered, citizens can link their Village utility account and pay bills online, view previous payments and review consumption history.

To register, you will need to enter your account number as shown in the top-right corner of your utility bill (Note: You must omit the hyphen when entering your account number). You will also need your customer number as shown in the top-right corner of your utility bill, also called a "customer ID" in the system.

This service provides the public with a more convenient, easier way to pay. There is no additional charge for online utility bill payment, which accepts Visa, MasterCard, American Express and Discover.

Note that you cannot set up auto-pay with your credit card, and the Village does not store your credit card information. If you already have auto-pay set up with the Village via your checking account, it will remain unaffected by this new system.

For full instructions and questions, visit www.deerfield.il.us or contact the Finance Department at 847.945.5000. ~

COAL TAR PAVEMENT SEALANTS PROHIBITED IN DEERFIELD

Last year, the Deerfield Village Board approved an ordinance that bans the use and sale of coal tar pavement sealants and regulates the licensing of pavement sealant professionals. The ordinance took effect on May 1, 2018.

Pavement sealant professionals are required to fill out a license application with the Village and must display a decal on their vehicles. This license must be renewed annually in the amount of \$100.

Homeowners who sealcoat their own driveways do not need a license but are prohibited from using coal-tar-based sealants. Home Depot and other retailers do not sell coal tar sealants.

For more information or to fill out a Pavement Sealant Professional License application, visit www.deerfield.il.us or contact the Community Development Department at 847.719.7484 or communitydevelopment@deerfield.il.us. ~

'COP ON TOP' EVENT AT DUNKIN' DONUTS MAY 17

On Friday, May 17, Deerfield Police officers will spend the day on the roof of our local Dunkin' Donuts (499 Lake Cook Road), not on surveillance, but to raise awareness and funds for Special Olympics Illinois.

Officers will participate from 5 a.m. to 1 p.m. at the annual "Cop on Top of Dunkin' Donuts" event in hopes of raising \$6,000 - last year over \$5,000 was raised. Dunkin' Donuts of Illinois will make a corporate contribution of \$10,000 to Special Olympics Illinois for our efforts.

As part of our commitment to this cause, the Police Department is also selling raffle tickets for \$10 each. Prizes include a new Harley Davidson, an ATV or one of five big screen HDTVs, as well as Special Olympics merchandise.

CRIME PREVENTION TIPS FOR THE SUMMER

Tips for Homeowners :

- Keep doors in your home and cars closed and locked, including garage doors. An open door is an invitation.
- Be a good neighbor and alert police to any unusual activity in your neighborhood. Plan for vacation by having your mail and newspapers stopped or having a neighbor pick them up. Leave inside lights on timers to create the impression that your house is occupied. Be sure to set your alarm system. Have a lawn service or neighbor mow your lawn.
- Avoid home improvement scams and deception burglaries by taking a proactive approach. Be particularly alert to anyone in your neighborhood looking to perform home repair and asking to gain entry into your home. Ask to see identification and let

them know you are going to call and get verification from their company before allowing them inside. If they are legitimate, they won't mind the wait.

Tips for Drivers:

- Do not leave valuables or cash in your car. If you must leave items in the car, lock them in the trunk.
- Be alert for children playing in neighborhoods and residential areas.
- Drive safely and slowly around parks and playgrounds. More children are out playing during the summer.

Tips for Parents:

- Provide a list of phone numbers of neighbors, family and friends that your child can call in an emergency. Make sure your child knows how to dial 9-1-1 and when it is appropriate to do so.
- Know the route your child will take to and from a given location. Remind your child never to take a shortcut or deviate from the agreed-upon route.
- Establish rules for using the internet. Children should have adult supervision when online. Make sure your child knows to never give out personal information on the internet.
- Require your child to check in with a parent before leaving the house and when returning home. Teach your child that there is safety in numbers and that it is best to be with a group of friends when going places without an adult.

CURFEW APPLIES YEAR-ROUND, INCLUDING HOLIDAYS

The curfew law is applicable to those 17 and under. It is in effect Sunday through Thursday from 11 p.m. to 6 a.m., and Friday and Saturday from midnight to 6 a.m.

Drivers under the age of 18 may not operate a motor vehicle between 10 p.m. and 6 a.m., Sunday through Thursday, and between 11 p.m. and 6 a.m., Friday and Saturday. During allowed driving times, the number

of passengers is limited to one person under the age of 20, unless the additional passenger is a sibling, step-sibling, child or step-child of the driver.

Exemptions in the law allow new drivers to drive to and from employment or school-sanctioned activities outside the restricted times. Underage drivers convicted of violating the driving curfew may have their driver's license suspended.

For more information, contact Communications Director Mary Anne Glowacz at 847.945.8636 or mglowacz@deerfield.il.us

2019 POLICE & FIRE BLOOD DRIVE SCHEDULE

In our continued efforts to meet our mission and to meet the ever-increasing demand for blood donations, we have developed an annual schedule for blood drives. All drives will take place in the Robert Franz Room at Deerfield Village Hall (850 Waukegan Road) from noon to 6 p.m.

2019 dates are May 10, August 9 and November 1. Mark your schedules and save the dates as it can be a challenge to collect enough blood to meet the needs of patients and victims of tragedies.

It's always a good time to donate blood because:

- every two seconds someone in the U.S. needs blood;
- approximately 36,000 units of red blood cells are needed every day in the U.S.;
- the blood type most often requested by hospitals is type O;
- the blood used in an emergency is already on the shelves before the event occurs; and
- a single car accident victim can require as many as 100 pints of blood.

For more information, contact Communications Director Mary Anne Glowacz at 847.945.8636 or mglowacz@deerfield.il.us

2019 STREET REHABILITATION PROJECT

Bids for the Village of Deerfield 2019 Street Rehabilitation Project were accepted earlier this year, and the project was awarded by the Village Board in March.

Work is currently underway and is anticipated to be complete by Thanksgiving at the latest. The contract includes the reconstruction/rehabilitation of nineteen streets within the Village.

The following locations are associated with this year's project:

- Birchwood Avenue from Central Avenue to Rosewood Avenue and from Lake Cook Road to Laurel Avenue
- Castlewood Avenue from Montgomery Road to Cranshire Court
- Chatham Circle
- Cranshire Court
- Peartree Road
- Montgomery Drive from the south limits to the concrete pavement
- Village Green
- Berkeley Court west of Wilmot Road
- Wilmot Road from Greenwood Avenue to North Avenue
- Hawthorne Place
- Oakwood Place
- Woodbine Court
- Woodland Drive from Stratford Road to Wilmot Road
- Meadow Lane
- Rosemary Terrace
- Essex Court west of Warrington Road
- Warrington Road from Deerfield Road to Woodvale Avenue
- Warwick Avenue from Wincanton Drive to Warrington Road
- Margate Terrace from Oxford Road to Kenton Road

Updates on the project will be shared at www.deerfield.il.us/740/2019-Street-Rehabilitation-Project in blog form. You can sign up to receive email and/or text message updates on the project at www.deerfield.il.us under "Notify Me."

WOODLAND SUBDIVISION WATER MAIN IMPROVEMENTS

As part of the Village's ongoing water main system improvements, the Village initiated the execution of the Woodland Subdivision Water Main Improvement Project this spring.

This project will replace the aging water main in the Woodland Subdivision in the northwest part of town on Woodland Drive, Oakwood Place, Hawthorne Place and Woodbine Court. This work is anticipated to be completed in August with roadwork to follow.

Updates on the project will be shared at www.deerfield.il.us/741/Woodland-Water-Main-Replacement-Project in blog form. You can sign up to receive email and/or text message updates on the project at www.deerfield.il.us under "Notify Me."

DEERFIELD FLOOD INFORMATION

Special Flood Hazard Areas (100-year floodplain) in the Village of Deerfield are located near the Middle Fork and West Fork of the North Branch of the Chicago River. The eastern portion of Deerfield is in the Middle Fork watershed, while the western part of town is in the West Fork watershed. For a detailed map visit the Village of Deerfield website www.deerfield.il.us under maps and information.

Information on whether your property is in the 100-year floodplain can be obtained by visiting the Engineering Department and having a staff member help you. Contact the Engineering Department at 847.317.2490 for further assistance.

FLOOD SAFETY

The following common-sense guidelines can help protect you from the dangers of flooding:

- Do not drive through a flooded area. More people drown in cars than anywhere else. Do not drive around barriers.
- Do not walk through flowing water. Currents can be deceptive. Six inches of water can knock you off your feet.

FLOOD RECOMMENDATIONS

- Stay away from power lines and electrical wires. If your house is about to be flooded, turn off the power at the service box. Electrical current can travel through water. Electrocutation is the second leading cause of death during floods.
- Be alert for gas leaks. Turn off the gas to your house before it floods. If you smell gas, report it to a Village official or your gas company. Do not use candles, lanterns or open flames if you smell gas or are unsure whether your gas has been shut off.
- Keep children away from the flood waters, ditches, culverts and storm drains. Flood waters can carry items that have dislodged themselves.
- Clean everything that has been wet. Flood water will be contaminated with sewage and other chemicals that pose severe health threats.
- Look out for animals, especially snakes. Small animals flooded out of their homes may seek shelter in yours.
- Do not use gas engines, such as generators, or charcoal fires indoors during power outages. Carbon monoxide exhaust can pose serious health hazards.

10 TIPS TO REDUCE MOSQUITOES

The South Lake Mosquito Abatement District offers the following tips to defend yourself from mosquitoes and the West Nile Virus.

Every week:

- Tip free-standing containers such as flowerpots, watering cans and buckets.
- Change the water and clean bird baths.
- Empty water that collects in folds of tarps
- Position corrugated drain pipes to ensure drainage or dump out water.

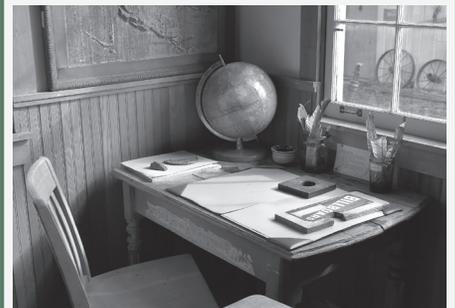

As necessary:

- Clean leaves and debris from gutters.
- Store or recycle old tires.
- Clear debris to allow water to flow freely from drainage ditches and culverts.
- Filter or aerate ornamental ponds using a circulation pump, or stock it with fish.
- Drain or fill-in areas of your yard that remain wet for more than a week.
- Check windows and screens for holes.

DEERFIELD HISTORIC VILLAGE OPENS JUNE 2

The Deerfield Historic Village (517 Deerfield Road) is open Sundays from 2-4 p.m., June through September. Tour the oldest building in Lake County, the Caspar Ott log house (1837), two pre-Civil War era houses, a carriage house and a one-room schoolhouse that has been a favorite with children for many years. Admission is free.

The Deerfield Area Historical Society is a donor-supported, independent nonprofit organization. All of the Society’s programs and services are made possible by membership dues and donations.

For more information, call 847.948.0680, visit www.deerfieldhistoricalsociety.org or www.facebook.com/deerfieldhistory/.

TEENCONNECT

Deerfield’s TeenConnect program aims to connect teens who are able to do outside yard work, including lawn mowing, with Deerfield residents who need the service.

The TeenConnect list will provide contact information for Deerfield teens including the name and phone number of the teen, days of availability, type of work they are willing to do and their expected rate of pay.

For more information or to sign up, visit www.deerfield.il.us or call the Village Manager’s Office at 847.719.7400.

VILLAGE VEHICLE STICKER REGISTRATION BEGINNING MID-MAY

Applications for 2019 vehicle stickers will be mailed in mid-May. Stickers must be displayed on all vehicles registered or garaged in Deerfield by July 1.

If purchased by June 30, stickers for passenger vehicles cost \$30. After June 30, a 50 percent late penalty is assessed.

Looking for a quicker and more convenient way to purchase vehicle stickers? Look no further! The Village now offers a new online payment system for vehicle stickers. Visit www.deerfield.il.us and click the "Pay Online" button on the website's homepage. There is no additional charge for online payment.

Additional vehicle sticker purchasing options include in-person at Village Hall; returning the renewal application by mail; or using the payment drop box located in the median just south of Village Hall on Jewett Park Drive.

If you do not receive your application, you still need to have your stickers by July 1. Additional applications are available online or at Village Hall.

Remember, the deadline to display a new 2019 sticker is July 1.

For more information, contact the Finance Department at 847.945.5000 or visit www.deerfield.il.us.

LANDSCAPE WASTE PICKUP CONTINUES THROUGH DECEMBER

Landscape and yard waste pickup started the first week of April and runs through December 15.

Residents north of Deerfield Road will have yard waste collected on Tuesdays; those south of Deerfield Road will have collection on Wednesdays.

Yard waste must be placed in a 30-gallon paper bag and placed at the curb with a sticker affixed for collection. A sticker is also required for each bundle of sticks or other yard waste not exceeding 4 feet in length, 30 inches in circumference and 50 pounds in weight.

The price of landscape waste stickers this year is \$2.88. View a list of locations selling stickers at www.deerfield.il.us.

For more information, contact the Finance Department at 847.945.5000.

VILLAGE REGULATIONS FOR COMMERCIAL SOLICITORS

Spring is here and so are door-to-door salespeople. All commercial solicitors are required to get a Village permit prior to going door-to-door. Along with the permit, they are required to carry a Village-issued badge that includes a photo, their name, their company and the expiration date of the license.

Before engaging with any door-to-door salesperson, ask to see their badge. The badge proves that the solicitor has paid their \$50 fee, has been informed of the Village's door-to-door solicitation regulations and has passed a background check by the Police Department. The permit is good for two weeks. If you encounter a commercial solicitor without a badge, please call the Police Department non-emergency number at 847.945.8636.

Commercial solicitors are prohibited from entering any private property that has posted a "No Solicitors or Peddlers" sign. Commercial solicitation is authorized between 9 a.m. and 5 p.m., Monday through Saturday. It is not allowed on Sundays or on a State or National holiday.

Although the Village issues door-to-door solicitation permits, it does not endorse any service or product.

Please note that these regulations apply only to commercial solicitors. Non-commercial solicitors, such as people

asking for support for a charitable, political, religious or not-for-profit organization, are not required to register with the Village.

For any questions or concerns, contact the Village Manager's Office at 847.719.7400.

DO YOU NEED A PERMIT?

Planning a home improvement project? In most situations, a permit will be required. Projects that include structural, mechanical, electrical, plumbing or grading modifications to your home or property will most likely require a permit.

When planning a home improvement project, it is important to factor the permit process into your project schedule. Permits are required to ensure that home and property modifications are constructed in compliance with all building, zoning and municipal codes adopted by the Village. The enforcement of these codes allows the Village to ensure the integrity and safety of permitted projects, as well as to maintain the character of the community.

The permitting process is in the best interest of the property owner, as it enables the Village to engage in plan review, building and engineering inspections, contractor licensing and property record maintenance.

For any inquiries about permit requirements, please contact the Building Department at 847.719.7484.

SIGN UP FOR EMERGENCY ALERTS

Spring and summer weather can be unpredictable. To help be prepared, we urge residents, business owners and commuters to sign up for our emergency alerts system, CivicReady.

With CivicReady, the Village can send messages in emergency situations via phone call, email and text message. Sign up online at www.deerfield.il.us/494/Alerts or fill out a form in person at Village Hall.
