D-TALES

Your Municipal News Source

HAPPY NEW YEAR!

THE VILLAGE OF DEERFIELD WISHES YOU A PROSPEROUS 2021

MESSAGE FROM THE MAYOR: HARRIET ROSENTHAL

Happy New Year, Deerfield!

I hope 2021 finds you all healthy and coping with our new reality. 2020 was a difficult year for us all, but I hope the vaccines on the horizon bring you hope that we will be able to gather together as a community again.

Each year the Village Board holds lengthy budget deliberations and reviews a comprehensive portfolio of infrastructure needs to ensure that projects are prioritized based on factors such as critical need and anticipated economic benefit. The Village Board members are taxpayers too, and we strive to keep the property tax increases to a minimum.

Importantly, we know that many residents and businesses are facing economic hardship due to COVID-19, so we developed a budget that prioritizes essential services without raising taxes. The Village's property tax levy will be flat this year. We have also waived most business and liquor license fees to provide relief to our businesses.

Sales tax is historically the single largest revenue source for the Village. That's why you've heard me urging everyone to shop local whenever possible during the pandemic. We've partnered with the DBR Chamber of Commerce on a number of promotions and a video to highlight how important spending your dollars in Deerfield is to the community. Shopping local supports our local businesses while also helping the Village. All of these dollars ensure that we can make the necessary improvements to our infrastructure, provide

our residents with critical services such as police protection, potable water, garbage collection, and snow plowing and help us meet the high demand for service we provide our residents every day.

This budget includes a scaled down capital improvement plan totaling over \$2.8 million. This includes funding for the annual Street Rehabilitation Program and sidewalk repairs, as well as sewer and water improvements. The budget also funds engineering studies for upcoming projects that may be funded using federal grants. These projects are long-term investments in our infrastructure that will last for decades.

One of the most important things we can all do this year is to get vaccinated. The Lake County Health Department has launched the Lake County AllVax Portal. All Lake County residents and those who work in Lake County can now register to be notified when a COVID-19 vaccine is available to them. Registering online is easy and secure—just visit AllVax.lakecohealth.org. You can also register over the phone by calling the Lake County Health Department at 847.377.8130. Cook County also has a COVID-19 vaccination survey for residents available at the following link <https://cookcountypublichealth.org/communicable-diseases/covid-19/covid-vaccine/>.

Right now, communication is more important than ever. I ask all of you to read the article on

Mayor's Message continued

this page about how to stay in contact with the Village. Whether it's text, e-mail, or social media, we hope to be able to reach you where you are with important information.

Thank you all for your efforts in the past year to stay healthy and be kind to one another. Please continue to follow the 3 Ws – wash your hands, wear your mask, and watch your distance.

LAKE COUNTY COVID-19 VACCINE ALLVAX REGISTRY

The Lake County Health Department's AllVax Portal is open. All Lake County residents can now register to be notified when a COVID-19 vaccine is available to them. Registering online is easy and secure—just visit AllVax.lakecohealth.org. You can also register over the phone by calling the Lake County Health Department at 847.377.8130.

“We want to assure our residents that their safety is our top priority,” said Mark Pfister, Executive Director at the Lake County Health Department. “The COVID-19 vaccines that will be available soon have gone through extensive clinical trials. The trial results indicate remarkable effectiveness in preventing COVID-19 with low risk of serious side effects. This is an exciting moment in science and an important step toward ending the COVID-19 pandemic, which has come at great cost to public health, our healthcare systems, and our economy.”

By entering basic information and answering a few screening questions on the portal, you will be notified when a COVID-19 vaccine becomes available. You can register yourself and others on the portal. Once you are registered, you can also schedule your vaccination appointments through the Lake County

clinics or facilities through the system when a vaccine is available to you. The portal also includes answers to frequently asked questions on COVID-19 vaccination.

The arrival of COVID-19 vaccines will help us protect our communities. The Lake County AllVax Portal streamlines the process of getting vaccines to Lake County residents to reach our goal of 80% of Lake County residents vaccinated.

Because vaccine supply will be limited at first, certain groups of people who are at higher risk will be eligible for vaccination before others. The Centers for Disease Control and Prevention (CDC) is helping state and local health departments distribute the vaccine fairly.

Visit the Health Department's Coronavirus web page, www.lakecountyil.gov/coronavirus, for updates, testing information, community guidance and resources, answers to frequently asked questions, and to sign up for the Health Department's weekly COVID-19 newsletter. General questions can be sent via e-mail to COVID19@lakecountyil.gov.

SIGN UP FOR TEXT & E-MAIL UPDATES FROM THE VILLAGE

Have you ever wondered how your neighbors stay in the know about Village news? The Village website's Notify Me feature allows residents to sign up to get up-to-date notices on Village news, events, meetings, construction projects and more.

Sign up to receive updates from the Village by clicking on the “Notify Me” button on the home page at www.deerfield.il.us. Follow these instructions to register:

- Enter your e-mail address and click the “Sign In” button.
- For mobile alerts, click the box allowing you to receive text messages and enter your full ten digit mobile phone number.
- When you find a topic of interest, subscribe by clicking the buttons next to the item - an envelope for e-mail and a cell phone for text alerts.

- You will be prompted to confirm your subscription via e-mail. Click the confirmation link sent to your inbox.
- Please remember to set your spam blocker to allow mail from listserv@civicplus.com.

Please note that you can also call 847.719.7400 for assistance to sign up to receive these alerts in addition to emergency alerts.

Notify Me categories currently include:

- Village News
- Farmers Market
- Water Reclamation Facility Updates

After registering online at www.deerfield.il.us and choosing the kind of information to receive, an e-mail, text message or both will be sent each time new information is published on the website.

For more information about Notify Me, contact Communications Coordinator David Fitzgerald-Sullivan at 847.719.7400 or dfitzgerald@deerfield.il.us.

FOLLOW DEERFIELD ON SOCIAL MEDIA

Residents who use social media are encouraged to follow the Village on various platforms. The Village regularly posts updates, photos, and videos across a number of social media platforms to keep residents informed about what is happening in the community.

You can find the Village at the following accounts:

ILLINOIS APPELLATE COURT UPHOLDS VILLAGE'S ASSAULT WEAPONS BAN

The Illinois Appellate Court (2d District) on December 7, 2020, reversed the ruling of the Lake County Circuit Court and found that the Village of Deerfield properly and lawfully adopted an ordinance banning assault weapons in the Village in 2018. The Appellate Court also vacated the permanent injunction against enforcement by Deerfield that was put in place by the Lake County Court.

The Appellate Court opinion, authored by Justice Kathryn Zenoff, accepted all of the arguments advanced by Deerfield's legal team concerning home rule authority and statutory interpretation. The plaintiffs in this case had challenged Deerfield's authority to adopt the ordinance under State municipal law. The plaintiffs did not challenge the validity or constitutionality of the Deerfield ordinance under the Second Amendment to the US Constitution.

"We were troubled with the legal interpretations and legal reasoning set forth in the trial court's opinion, and we are pleased that the Appellate Court corrected the analysis, as a matter of law," said Village Attorney Steve Elrod. "As the Appellate Court correctly determined, Deerfield was well within its authority as a home rule unit to adopt the assault weapon ban."

The Appellate Court made two important legal determinations. First, that the Illinois State Legislature did indeed intend to allow for home rule units to regulate assault weapons, including complete bans, if they followed the correct statutory process for doing so. And second, that Deerfield, by enacting a regulation within the 10-day period following the adoption of the State law, and then later amending the regulation to include a complete ban, acted properly and lawfully and in accordance with the statutory process.

The Village is thankful for the continued pro bono services provided by the Brady Center to Prevent Gun Violence and Mr.

Christopher Wilson, partner of the Chicago office of Perkins Coie.

"We are pleased the court validated our right to regulate this important public safety measure. I continue to believe that these weapons have no place in our community," said Mayor Harriet Rosenthal. "I thank all of the residents, especially students, who called for action following the shooting at Marjory Stone Douglas High School."

The Village intends to enforce this ordinance in a manner consistent with other local ordinances. This ordinance will initially be enforced primarily through education and voluntary compliance. A police officer may issue a citation for a violation of this ordinance in the manner provided by law. Any other enforcement of this ordinance, including search or seizure to effect this ordinance, must comply with the requirements of State and Federal law. Members of the Police Department will not go "door to door" to ensure compliance. 🌿

ADOPT-A-HYDRANT

The Village of Deerfield has a program to ensure that firefighters can access fire hydrants during an emergency. In the winter months, heavy snowfall makes finding and accessing fire hydrants difficult, and every second counts during an emergency. We are asking residents, business owners and community groups to consider participating in the Adopt-A-Hydrant Program.

Participants get to name their hydrant to show their commitment to public safety. Participation involves the following:

- Ensuring the adopted fire hydrant is clearly visible from the street.
- Keeping the fire hydrant free of snow and ice. Snowfall and associated plowing activities can often hide hydrants under large amounts of snow, making them difficult to locate quickly in the event of an emergency.
- Keeping clearances of at least three feet all around the hydrant. Please use caution when shoveling.
- Keeping the hydrant free of grass, weeds and debris.

For more information, visit www.deerfield.il.us

or contact Communications Coordinator David Fitzgerald-Sullivan at dfitzgerald@deerfield.il.us or 847.719.7400. 🌿

TEEN CONNECT PROGRAM

Deerfield's TeenConnect program aims to connect teens who are able to do outside yard work, including raking leaves and shoveling snow, with Deerfield residents who need the service.

The TeenConnect list will provide contact information for Deerfield teens including the name and phone number of the teen, days of availability, type of work they are willing to do and their expected rate of pay. Right now, the Village is especially looking for teens to add to the list.

For more information, contact Communications Coordinator David Fitzgerald-Sullivan at dfitzgerald@deerfield.il.us or 847.719.7400. 🌿

HIDE, LOCK, TAKE!

The Village of Deerfield and neighboring communities have experienced an increase in reports of burglary to motor vehicles. In most cases these crimes are committed in unlocked vehicles. Car burglaries are crimes of opportunity and failing to lock your vehicle makes it a target for thieves. A vehicle can be burglarized or stolen while on your street, in your driveway, or in a parking lot—even if it is only unattended for a short time. Every time you exit your vehicle, remember to Hide, Lock, Take:

1. Hide (or remove) your valuables
2. Lock your car doors
3. Take your keys

Other safety precautions include keeping the car windows closed, removing the garage door opener from your vehicle and keeping your garage door closed.

If you see something, say something. Remain vigilant and report any suspicious people, vehicles or circumstances to the Police at 9-1-1 or 847.945.8636. 🌿

PUBLICWORKS

SNOW PLOWING OPERATIONS

The Village's Public Works Department is prepared for snow and is able to effectively clear Deerfield's 70 center-line miles of roadway quickly to make safe travel possible for all who use our streets. To assist your neighbors and Village staff this winter, please remember the following:

- Keeping vehicles off the street assists plows and salt trucks in clearing the streets more effectively.
- Vehicles cannot be parked on the street for 24 hours after two inches of snow have fallen, per Village ordinance.

- By Village ordinance, you may not deposit snow from your property onto the street or sidewalk. This can hinder safe passage of vehicles and pedestrians and make it harder for Village plow crews to keep streets clear. **If using a snow removal service, please instruct contractors to abide by Village regulations.**
- Please be a good neighbor and shovel and clear the sidewalks in front of your home for pedestrian safety.
- Remember to shovel an extra area on your driveway apron or parkway for your refuse and recycling bins to be picked up by Waste Management.

WINTER TREE TRIMMING

The Village's Public Works Department is responsible for trimming parkway trees for traffic clearance, to preserve the tree's health and appearance and to prevent possible damage to human life and property. The Village has established a 4-year cycle

for the parkway tree trimming program. Deerfield is divided into quadrants with Deerfield Road as the north/south divider and Waukegan Road the east/west divider. One of these quadrants is maintained each year.

This is the second year in the southwest quadrant, focusing on the remaining portion south of Hackberry Road between Wilmot Road and Pflingsten Road.

Trimming work is scheduled for the dormant season to avoid unnecessary damage or trauma to the tree.

Trimming is done in accordance with professional standards and may include cutting lower limbs for clearance and thinning of the crown.

For questions or concerns, contact the Public Works Department at 847.317.7245. ☞

POLICE DEPARTMENT

UNEMPLOYMENT INSURANCE IDENTITY THEFT FRAUD

Identity thieves and hackers have long known how to use stolen identities to commit fraud – for example, open a new credit card or file a false tax return – and criminals using stolen identities to defraud public assistance programs is not new. In fact, such schemes are so pervasive that federal rules require Illinois to have staff dedicated to preventing and stopping fraudulent activity in the Unemployment Insurance (UI) system.

How can you spot unemployment insurance identity theft?

You receive a debit card or an unemployment insurance letter (UI Finding) and have not filed a claim for benefits. You are notified by your employer

that a claim for benefits has been filed when you have not been separated from employment. You attempt to file a claim online and one already exists. You receive IRS correspondence regarding unreported UI benefits. You receive notice of a State or Federal tax offset.

If you suspect a claim has been submitted using your information, and you have not applied for unemployment insurance benefits in Illinois, take steps as follows: Call the Illinois Department of Employment Security Benefit Payment Control Division at **800.814.0513**. Do not activate the debit card that was mailed to you. Do not contact KeyBank. Destroy the card. Request your free credit reports via www.annualcreditreport.com and review them for other fraudulent activities. ☞

BEWARE OF TAX SCAMS

Tax scams tend to rise during tax season

or during times of crisis; unfortunately, we find ourselves in the midst of both. Scam artists are using this season to try and steal money & information from honest taxpayers.

The IRS will never initiate contact with taxpayers via e-mail about a tax bill, refund or Economic Impact Payments. Don't click on links claiming to be from the IRS. The IRS will never demand immediate payment, threaten, or ask for financial information over the phone.

Taxpayers can find legitimate and qualified charities with the search tool on IRS.gov to avoid fake charities

Senior citizens and those who care about them need to be on alert for tax scams targeting older Americans.

For more information, visit www.irs.gov/newsroom/dirty-dozen ☞

The following is a synopsis of actions taken by the Village Board since the last issue of D-Tales. For complete sets of minutes for Village Board meetings or to watch meetings on demand, please visit the Village's website at www.deerfield.il.us.

VILLAGE BOARD ACTION

- Approved Amendment No. 1 to the Intergovernmental Agreement between the Village of Deerfield and Cook County regarding Cares Act funding
- Approved an Ordinance adopting the budget of the Village of Deerfield for the fiscal year beginning January 1, 2021, and ending December 31, 2021
- Approved an Ordinance amending the Village of Deerfield wage and salary plan
- Approved a Resolution adopting a consolidated fee schedule for fiscal year 2021
- Approved an Ordinance levying taxes for corporate purposes for the fiscal year commencing on January 1, 2021 and ending on December 31, 2021
- Approved an Ordinance abating a portion of the 2020 tax levy requirement for Series 2011B G.O. Bonds
- Approved an Ordinance amending and revising the annual budget of the Village of Deerfield for the fiscal year beginning January 1, 2020 and ending December 31, 2020
- Awarded landscape maintenance contract, turf maintenance contract, tree trimming contract, tree and stump removal contract, and GIS Services Contract
- Approved an Ordinance authorizing an amendment to a sign plan for Horizon Therapeutics
- Approved a Resolution setting the regular meeting schedule of the Board of Trustees for 2021
- Awarded 2021 sanitary sewer lining contract
- Awarded 2021 storm sewer televising and lining contract
- Awarded water meter head replacement contract
- Authorized purchase of water meters
- Approved a Resolution providing Village personnel direction to provide additional flexibility to food and beverage service establishments to facilitate outdoor service during the COVID-19 emergency (Extension #2)

COMMUNITY CALENDAR

DEERFIELD PARK DISTRICT

Summer Camps

The Deerfield Park District Summer Camp brochure will be available online only at deerfieldparks.org at the end of January.

- Summer Camp resident registration begins February 8
- Summer Camp non-resident registration begins February 15

2021 Permanent Tee Times

Remaining tee times for the 2021 season at Deerfield Golf Club are available. Check deerfieldgolf.org for a list of available times.

Ice Skating and Hockey Rinks in the Parks

Ice Rink locations maintained by the Deerfield Park District are available at Briarwood Park, Jaycee Park (Hockey Rink) and Patti Stryker Park. Lights at the rinks operate from 4 – 10 p.m. daily based on weather conditions. Please bring your own skates and equipment.

Sweetheart Gram

Send your valentine a little love! Small, personalized boxes filled with

individually-wrapped candy will be available for pick-up at Jewett Park Community Center the week of February 8. Registration must be received by January 29.

Valentine's Day Pillow with Ciao Bella Sewing

Dive into the world of hand sewing during this fun & creative four-week virtual class. This is the perfect class for new or returning sewers. All supplies are included and will be mailed to your home. *Sewers need to register at least one-week in advance to receive their sewing kit in the mail. *Sewers will need access to Zoom.

ESports is Here!

The Deerfield Park District is partnering with GG Leagues to offer ESports to the Deerfield community for both teens and adults. GG Leagues is an ESports management platform that is focused on making gaming a social experience for players. For more information and to register for Leagues that begin this January please visit deerfieldparks.org and view the program guide.

For more information or to register for Park

District programs, call 847.945.0650, or visit www.deerfieldparks.org.

DEERFIELD PUBLIC LIBRARY

All Library programs are free and open to the public. Until further notice, all programs will be presented online only. Program descriptions and advance registration at deerfieldlibrary.org, click on "Programs" at the top. Questions? E-mail reference@deerfieldlibrary.org.

Marvelous Magic (with Magic by Randy)

January 16, 9-9:30 a.m., Ages 3-6

February 25, 7-8 p.m.

Finding Your Voice: Memoir Writing
February 27, 2-3 p.m.

For more information and a full listing of events, please visit www.deerfieldlibrary.org.

NEW WATER METER REPLACEMENT FEE

The Village Board has approved a nominal water meter replacement fee that is now included in your quarterly water bill. This fee will fund the complete future replacement of the water meter and meter head specific to your residence, scheduled for 2036. It is not a fee for the upcoming water meter head replacement program beginning in 2021. That program will replace every residential and commercial water meter head only, which are battery powered, over the next four years.

Water meters consist of two main parts: the brass meter body and the radio frequency head that reads the meter and sends the signal to the Village. The current brass bodies and the meter head batteries have a life expectancy of approximately 30 years and 10 - 15 years, respectively. The meter heads scheduled for replacement in the beginning of 2036 will have an extended life of 15 - 20 years.

Frequently Asked Questions:

What is this new "Water Meter Fee" line item on my bill?

The fee is for the future replacement of your home's water meter and deduct meter, if applicable.

I have always had a water meter, why am I being charged now?

Previously, Infrastructure Replacement funds were used for major water meter replacement projects. This caused water meter replacement projects to compete for funding with other infrastructure projects that may have had a higher priority. The water meter fee provides a stable funding source for a project with a known lifecycle.

Will I be charged more if I have a larger meter?

Yes, the fee you are charged is based on your water meter size, as larger meters cost more.

Is the cost of the meter subsidized by the Village?

Yes. While the property owner will pay for the full cost of the water meter and meter head, the Village will pay for the installation cost and associated annual software fees.

When can I expect my new water meter?

While your property's water meter head and battery will be replaced sometime over the next four years, this fee is for the future replacement of both your brass water meter and radio frequency head tentatively scheduled for 2036.

How long does a water meter last before needing to be replaced?

The brass meter body has a life expectancy of 30 years and the meter heads battery typically lasts 10-15 years.

Why do I need a new water meter head?

Your current water meter head is nearing the end of its battery life. Once the battery dies, they will no longer send a signal and will need to be manually read.

How can I determine the age of my meter?

You may contact the Village to find out the age of your meter.

How long will this new charge be applied for?

The current program is a 15-year replacement program. At that time, the Village will determine its level of success and assess the need of further replacement needs.

RESIDENTIAL METERS ANNUAL FEE

Meter Size	Yearly	Quarterly
5/8" Meter	\$20.33	\$5.08
3/4" Meter	\$22.23	\$5.56
1" Meter	\$29.00	\$7.25
1.5" Meter	\$54.33	\$13.58
2" Meter	\$104.53	\$26.13

For questions or concerns, contact the Public Works Department at 847.317.7245. ☞

JOIN THE COMMUNITY SOLAR PROGRAM

Join the more than 200 Deerfield households and small businesses that have signed up for the Community Solar Program.

You can save approximately 20 percent off your energy supply while going green with no hidden costs! Your power will be generated by a community solar field located downstate.

For more information or to join, visit www.northshorecommunitysolar.com, or contact Communications Coordinator David Fitzgerald-Sullivan at 847.719.7400 or dfitzgerald@deerfield.il.us. ☞

REGULATIONS FOR POLITICAL SIGNAGE

The Illinois Consolidated Elections will take place on April 6. During the political campaign season, the Village wants to remind residents about regulations for placing political campaign signs on your property.

Permits are not required for temporary signs, and residents can place any number of political signs on their property as long as the aggregate gross surface area does not exceed 20 square feet.

Signs must be:

- on private property;
- at least 5 feet toward the house side of the sidewalk;
- at least 10 feet toward the house side of a carriage walk; and
- at least 15 feet from the street edge or back of curb if no sidewalk.

Signs must not be:

- placed in the public right-of-way;
- attached to trees, traffic or light poles, utility poles or fire hydrants; or
- higher than 10 feet above curb level.

For more information, contact the Community Development Department at 847.719.7484.

THANK YOU!

Our sincere thanks to these residents who volunteered their time on the Village's various Boards, Commissions and Committees in 2020.
