## DEERFIELD PUBLIC ART OPEN HOUSE SEPTEMBER 18

The Deerfield Fine Arts Commission will host a community open house on Thursday, September 18, to showcase the 24 pieces selected for the inaugural year of the Deerfield Public Art Program before they are put on display throughout the Village.

The event will be held in the Deerfield Public Library, 920 Waukegan Road, from 6 p.m. to 8 p.m. on September 18, and will feature many of the artists who created this year's pieces. Light refreshments will be served.

Multiple media are featured in this year's collection, including sculpture, fabric art, mixed media, photography, water color and oil paintings. The Fine Arts Commission selected this year's pieces from submissions from a very talented pool of artists.

Artists from Deerfield include Ruth Hecht, Deepak Jose, Caren Kaplan, Barbara Wagner, Kathleen Warren and Susan Willis. Other artists include Charlotte Kaplan of Wilmette, Anna Khadine of Libertyville, Jeff Mendenhall of Lombard, Janet Poppe of Highland Park, Lilach Schrag of Highland Park, and Michael Zidman of Lincolnshire.

The primary goal of the Deerfield Public Art Program is to publicly display works of art created by local, regional, national and international artists in public spaces. The art will be displayed for one year in public buildings. The program will select new pieces each year for the selected locations.

Buildings included in the program are Deerfield Village Hall, Public Works, Deerfield Public Library, Deerfield Park District facilities and the West Deerfield Township building.

## THE 'PUMPKIN INVASION' RETURNS OCTOBER 11

The pumpkins are invading Deerfield again! The Village of Deerfield, DBR Chamber of Commerce, The Shops at Deerfield Square and the Deerfield Park District have partnered to bring back "The Invasion of the Pumpkins" for charity. This year, the event comes with a twist – the Pack the Park Challenge.

The Shops at Deerfield Square, in conjunction with CRM Properties, will donate \$2 per person - up to \$10,000 for 5,000 attendees - at the "Brats & Blues" concert on Saturday, October 11, 2014. The concert, featuring Shirley King, daughter of blues legend B.B. King, and the band Blue Road, will take place at 6 p.m. in Jewett Park.

The money will be divided among the charities that have the greatest audience support at the live concert. All money donated in the giant pumpkins that will be placed around downtown Deerfield will also go to the registered charities.

Charities are required to preregister to participate. Residents are challenged to come Pack the Park to show their support and increase the donation.

## PUBLIC ART

*Continued from Page 1*

The specific artworks selected for display were reviewed via jury process. The Fine Arts Commission is responsible for reviewing artwork submissions and making a final recommendation. The artists have agreed to loan their works of art for public display for up to one year.

The duties of the Fine Arts Commission are to promote, encourage and foster an artistic and cultural environment within the Village by supporting diverse artistic groups and individuals.

## PUMPKIN INVASION

*Continued from Page 1*

This year, organizers have planned a day full of activities from morning through to nightfall with something for everyone. The day will start off with the Pumpkin Parade, in which the decorated pumpkins will be paraded around town atop trucks. Activities include horse-drawn hayrides shuttling people between The Shops at Deerfield Square and Deerfield Village Centre, and face painting, and a performance by the Jessie White Tumblers at The Shops at Deerfield Square.

## FARMERS MARKET HARVEST FEST SEPTEMBER 27

Celebrate the season's bounty at the Deerfield Farmers Market Harvest Fest on September 27, 2014, from 9 a.m. to noon.

In addition to all the wonderful fruit, vegetables, plants, flowers and specialty

foods for sale, there will be kids' activities, balloons, face painting, great prizes and more, including a Touch-A-Truck event. Fire trucks, military vehicles, snow plows and more will be on site for hands-on fun.

Come celebrate the harvest and stay for the fun!

The Deerfield Farmers Market is located at the northwest corner of Deerfield Road and Robert York Avenue and runs Saturdays through October 11 from 7 a.m. - 12:30 p.m.

*For more information, contact the Village Manager's Office at 847.719.7400, email us at [farmersmarket@deerfield.il.us](mailto:farmersmarket@deerfield.il.us) or visit our website at [www.deerfield.il.us/residents/farmers\\_market](http://www.deerfield.il.us/residents/farmers_market) ~*

## RESIDENTIAL WATER CONSERVATION

The Village of Deerfield's Sustainability Commission wants to help residents conserve water. A simple way to save money and conserve water is to check for leaking toilets in your home.

If your toilet has a leak, you could be wasting about 200 gallons (or approximately \$2.00) of water every day. That would be equivalent to flushing your toilet more than 50 times for no reason.

Try this simple experiment to check for leaking toilets. First, place a few drops of food coloring in the toilet tank. Then, wait 15 minutes; if the color shows up in the bowl without flushing, you have a leak! Make sure to flush immediately after this experiment to avoid staining the tank.

If your toilet is leaking, the cause is often an old or faulty toilet flapper, a relatively easy, inexpensive do-it-yourself project that pays for itself in no time. For those unable to complete do-it-yourself projects, the Sustainability Commission has partnered with local area plumbers to provide residents with a standardized dye-testing of their home's toilets.

All participating plumbers have agreed

to provide a standardized dye-testing of your home's toilets for the quoted price of dye-testing up to 4 toilets at \$79.00, and dye-testing 5 or more toilets at \$99.00.

Participating plumbers include BMW Plumbing, 847.948.8484, 440 Lake Cook Road, Deerfield, [www.bmwplumbing.net](http://www.bmwplumbing.net); Pasquesi Plumbing, 847.433.3426, 3218 Skokie Valley Road, Highland Park, [www.pasquesiplumbing.com](http://www.pasquesiplumbing.com); and Ravinia Plumbing, 847.432.5561, 1580 Old Skokie Road, Highland Park, [www.ravinia plumbing.com](http://www.ravinia plumbing.com)

Interested residents should contact participating plumbers directly. After the plumber has identified any potential leaks, residents may choose any plumber they like to repair their toilet.

*For more information, contact Andrew Lichtenman, Assistant to the Village Manager at 847.719.7403. ~*

## ASH TREES ON PRIVATE PROPERTY

Property owners are urged to monitor their ash trees for the Emerald Ash Borer.

No private tree inventory currently exists, and ash tree density varies by neighborhood. Please note, tree removal requires a permit from the Village and fees are waived for diseased trees.

The decision to treat, remove or retain private trees rests with the property owner. Property owners should be aware of the risks associated with keeping dead ash trees on their property. Ash trees can become brittle and may lose large limbs in storms.

The Village encourages property owners to remove hazardous trees from their property. If a tree is hazardous to the Village right-of-way, the Village may require the property owners to have the tree removed for safety reasons. The Village also encourages residents to replace trees lost from removal.

*For more information, visit [www.deerfield.il.us](http://www.deerfield.il.us) or contact Public Works at 847.317.7245. ~*

## BACK TO SCHOOL SAFETY

The following traffic safety tips from the Deerfield Police Department will help keep you and our children safe this school year.

All passengers should wear a seat belt and/or an age- and size-appropriate car safety seat or booster seat.

Do not text or talk on your cell phone while driving.

Slow down and obey all traffic laws and speed limits.

Be alert for school zones that have a reduced speed limit at designated times of the day.

Watch for school buses. Red flashing lights and an extended stop arm indicate the school bus is stopping to load or unload children. State law requires you to stop.

Keep an eye out for children walking in the street, especially where there are no sidewalks.

Be alert for children playing and gathering near bus stops and for those who may dart into the street without looking for traffic.

When backing out of a driveway or leaving a garage, watch for children walking or biking to school.

When driving in neighborhoods or school zones, watch for young people who may be in a hurry to get to their destination and may not be thinking about getting there safely.

*For more information contact the Deerfield Police Department at 847.945.8636*

## POLICE TO PULL PLANE FOR SPECIAL OLYMPICS

The Deerfield Police Department will again be participating in the Illinois Special Olympics Plane Pull, now in its sixth year, on Saturday, September 27, 2014, at O'Hare International Airport. The Plane Pull fea-

tures the ultimate tug-of-war competition as teams battle a UPS Airbus A300, weighing more than 190,000 lbs. That's right, more than 90 tons!

The Deerfield Police are working to raise at least \$1,000 to participate. Donations are encouraged for this great cause.

The 2013 event was a record-breaking success, as 64 teams participated and more than \$135,000 was raised for the athletes of the Illinois Special Olympics. Please help us to make this year an even greater success!

*For more information, contact Mary Anne Glowacz at the Deerfield Police Department at 847.945.8636.*

## POLICE GOLF OUTING TO BENEFIT CHARITIES

The Fourth Annual Deerfield, Bannockburn, and Riverwoods Police Departments Golf Outing and Silent Auction will be held on Monday, September 15, 2014. It will benefit the Illinois Special Olympics and the American Cancer Society.

The event will be held at the Ravinia Green Country Club, one of the most beautiful and renowned private golf clubs in the state. Golfers and donations are encouraged.

Thank you to our citizens for your continued generosity which serves to both inspire and enable us to continue our work for these very worthwhile organizations.

*For more information, please visit our website at [www.dbpdgolf.com](http://www.dbpdgolf.com) or contact Mary Anne Glowacz or Carolyn Bunnell at the Deerfield Police Department at 847.945.8636.*

## OVERNIGHT PARKING

Deerfield Municipal code prohibits parking any vehicle on any street for a period of time longer than thirty (30) minutes between the hours of 2:00 a.m. and 6:00 a.m. of any day, except physicians on emergency calls and those persons who shall have prior permission from the Deerfield Police Department.

Any person desiring permission to park within the prescribed hours must contact the Police Department to receive permission, except that no such permission will be granted for parking within twelve (12) hours of a snowfall of three inches (3") or more as set forth in Section 22-71. Permission is limited to the overnight parking of twelve (12) vehicles, in the aggregate, to the members of a single household during any twelve (12) month period.

*For more information contact the Deerfield Police Department at 847.945.8636*

## KNOW THE LAW FOR OPEN BURNING

In the Village of Deerfield, the open burning of leaves, brush, trimmings from trees or bushes, paper, garbage, refuse, waste or other combustible material on any property, public or private, is unlawful. However, this prohibition on open burning does not apply to outdoor grills or fires in outdoor fireplaces that meet the following requirements:

- A portable fireplace or fire pit shall not be operated within five feet of any property line. Any fire pit or fireplace with a foundation or that is embedded in the ground shall be located not less than ten feet from any property line.
- Outdoor fireplaces and fire pits shall be located on a noncombustible surface while in operation.
- Only charcoal, natural or propane gas, commercial fire logs or dry and seasoned firewood may be burned or used as fuel in an outdoor fireplace or fire pit.
- No outdoor fireplace or fire pit may be operated without adult supervision and a readily available means for extinguishing burning materials. The fire shall be completely extinguished prior to leaving the fireplace or fire pit unsupervised.

*For more information on wood burning, visit the EPA Burn Wise campaign at [www.epa.gov/burnwise](http://www.epa.gov/burnwise)*

## FLOOD INFORMATION: INSTALLMENT 3 OF 3:

### NATURAL & BENEFICIAL FUNCTIONS

Floodplains play a valuable role in providing natural and beneficial functions to Deerfield and the surrounding area. Floodplains that are relatively undisturbed provide a wide range of benefits to both human and natural systems. These benefits provide aesthetic pleasure as well as function to provide active processes such as filtering nutrients.

Parts of both the Middle and West Fork of the North Branch of the Chicago River floodplain are used as a means to filter chemical run-off so that these areas can maintain bio-diversity and ecosystem sustainability.

Both floodplains contain historic and archeological sites that provide opportunity for education and study. They enhance waterfowl, fish and other wildlife habitats and provide feeding/breeding grounds. And lastly, both floodplains provide natural erosion control and open space so further flooding damage does not occur.

### DRAINAGE SYSTEM MAINTENANCE

As simple as it may sound, simply keeping smaller ditches and streams free of debris can dramatically improve the run-off capacity of low-lying areas, as well as greatly reduce incidental blockage that significantly contributes to flooding.

Please note that it is illegal to dump materials into a required waterway and violators may be fined. If you see someone in the act of dumping or see debris in one of our watercourses, please contact the Village Engineering Department at 847.317.2490.

### FLOOD WARNING SYSTEM

Many times, flooding along the West and Middle Forks of the North Branch of the

Chicago River within Deerfield can be predicted days in advance, giving ample warning for preparation and evacuation.

In the event of a flash flood due to a large rain event, you may be the first to notice the oncoming situation so please notify the Village Police Department/Fire District.

You can also tune your radio to WGN-720 AM and WBBM-780 AM for local and national weather updates. You will also see regular interruption on local radio and television stations advising you of the situation.

If you should require further or more detailed information regarding flood-related issues in Deerfield, here are some additional sources:

## FALL LEAF COLLECTION

The Village's annual leaf collection program provides residents with an alternative for disposal of their autumn leaves. Residents who do not mulch or bag their leaves may simply rake leaves to the curb or carriage walk line the night before their scheduled pickup. Beginning the week of October 27 and continuing through November 21, Public Works Department crews will make one pass by each house in the Village every week during the 4-week program.

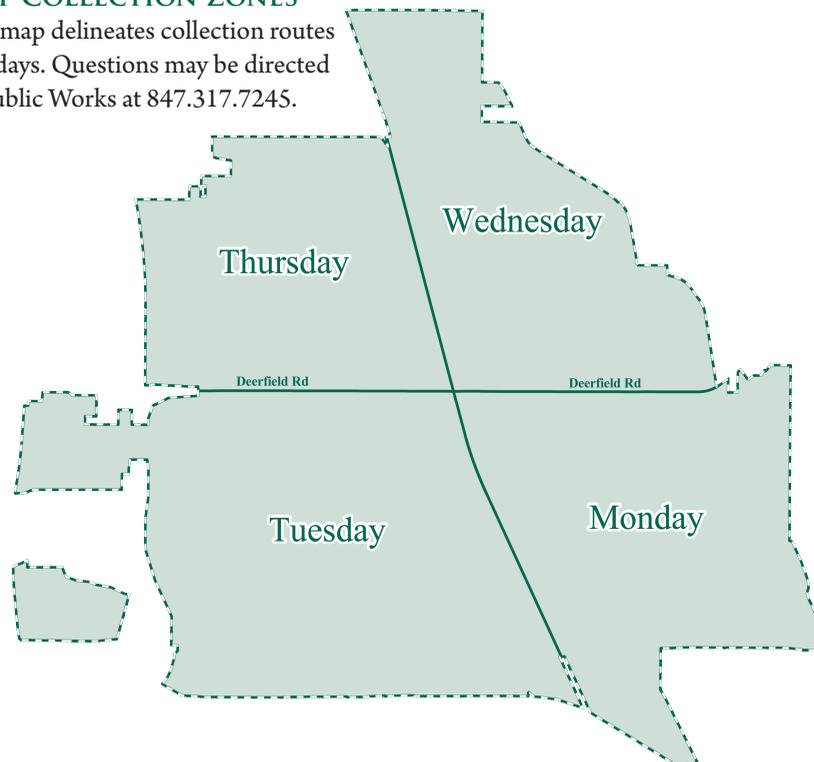

Here are some reminders for leaf pickup:

- Do not park on the street the day of your pickup.
- Do not rake grass clippings, sticks, rocks, branches or mud to the curb with your leaves.
- Try to put leaves out each week, if possible.
- Inclement weather may delay pickups, but crews will make at least four trips through your neighborhood.

*For more information call the Public Works Department at 847.317.7245 *

## GOING PLACES MADE EASY

West Deerfield Township has a great transportation service designed to make life easier for many residents.

This program is an appointment-based service and requires a registration process that is quick and simple. Once registered, a modified minivan can transport you to your medical, dental and physical therapy appointments. The program can aid anyone who is mobility challenged whether it be for orthopedic physical therapy, chemotherapy, epilepsy or other conditions making it difficult to drive.

This program provides independence to those who might otherwise find it difficult to get to their appointments.

To register for the program:

- Call the Township Transportation Department at 847.945.0614 x310
- Ask to have a registration form mailed to you.
- Once registered, schedule an appointment for your ride up to 30 days in advance.
- Fares are \$5 round trip and \$2 for Veterans.
- Riders are eligible for up to two trips per week.

*For more information, contact West Deerfield Township at 847.945.0614. 🌀*

## TOWNSHIP FOOD PANTRY SERVES GROWING NEED

The food pantry at the West Deerfield Township office is serving more individuals and more families than ever before.

Please consider donating non-perishable food items, personal care or household cleaning products. Whether it is a box of pasta, a bottle of glass cleaner, a can of fruit, or shampoo, your donations all will go to fellow township residents who are struggling to provide some basic items for their household.

Contributions of gift cards to local grocery stores and checks payable to the West Deerfield Township Food pantry are also graciously accepted.

The West Deerfield Township Food Pantry is a 501 (c) 3 organization, so your contribution is tax-deductible.

Your generosity will help someone that will greatly appreciate a neighbor's help.

*The pantry, located at 601 Deerfield Road, operates five days a week from 8:30 a.m. - 4:30 p.m. For more information, contact West Deerfield Township at 847.945.0614. 🌀*

## VOLUNTEER COMMISSION, BOARD MEMBERS WANTED

The Village of Deerfield is seeking enthusiastic and motivated residents to volunteer on Village boards and commissions. This rewarding experience provides residents the opportunity to serve directly alongside their neighbors and impact Village matters.

There are 18 boards and commissions appointed to assist the Village Board in policy-making decisions. While most operate at the sole discretion of the Village Board, some have specific duties and obligations established by state law.

The overall communication process between the village and its residents is enhanced through the voluntary service of more than 100 citizens who serve as advisors to the Mayor and Board of Trustees.

All positions on these boards are non-salaried.

The commissions vary in their areas of concern from the Fine Arts Commission and Family Days Commission, to the Board of Zoning Appeals and Cemetery Commission.

Residents interested in serving on a board or commission are encouraged to fill out a Manpower Application and return it to the Village Manager's Office

These applications are held until a vacancy opens and applicants are brought in to meet with the Manpower Commission for an interview.

Come join the hometown team!

### DROP IT AND DRIVE: DON'T TEXT BEHIND THE WHEEL

It is illegal to use an electronic communication device while driving. An "electronic communication device" means an electronic device; including but not limited to a wireless telephone, personal digital assistant, portable or mobile computer. Cell phones and electronic devices are permitted only if using a hands-free device or Bluetooth technology. Talking on a cell phone in speaker phone mode while holding the phone in your hand is not considered "hands-free."

Illinois also has a statewide ban on driving while electronic messaging. An "electronic message" is defined as a self-contained piece of digital communication transmitted between physical devices. This includes but is not limited to e-mail, a text message, an instant message, a photograph, a video, or a command or request to access an Internet site.

The Deerfield Police Department reminds drivers to give their full attention to the road and promote a safer environment for motorists and pedestrians. 🐾

### DOGS ARE REQUIRED TO BE LEASHED

All dogs in the Village are required to be leashed. No owner or any person entitled to the custody of any dog shall permit the dog to be at large or to confine the dog in a manner so that it can escape and be at large, unless the dog is securely confined upon a leash of sufficient strength not more than three feet (3') and accompanied by any able bodied person capable of controlling the actions of the dog under any circumstance.

Any person, firm or corporation in violation of the leash ordinance shall be fined not less than \$10.00 for the first such offense; and shall not be fined less than \$25.00 for the second such offense; and shall be fined not less than \$50.00 for the third offense and all subsequent offenses within a one year period.

Remember to pick up after your pets and properly dispose of animal waste. Be courteous to your neighbors and only dispose of animal waste in your own garbage receptacle.
