Celebrate Deer-cember in Deerfield!

Why Shop Local?

Support Deerfield's Vibrant Mix of Businesses

Why go anywhere else when you can find most everything you need right in your hometown! With a mix of local, regional, and national businesses and outlets, Deerfield's shops, restaurants, and hotels provide shoppers with all the necessities and the luxuries.

Foster Community Relationships

When you shop in Deerfield, you are able to develop lasting relationships with local businesses and the people that provide goods & services. The businesses become neighbors and a human face is put on the service you receive.

Protect the Environment

Support a "green-friendly" community. Keep your business within the Village to reduce traffic, congestion, and ultimately reduce air and water pollution! Many shopping areas in town are also accessible by walking or bicycling.

Reinvest in the Village of Deerfield

When you shop local, you are keeping your sales tax dollars in Deerfield. This revenue goes back into the community to support Village services and maintain roads and public utilities. Local businesses are also strong supporters of community events and local nonprofit organizations.

Create Jobs to Strengthen the Local Economy

Deerfield's local businesses generate jobs for members of our community. Patronize local businesses first to help keep neighbors employed and generate new jobs in Deerfield.

This holiday season, shop local!

For more information on the Winter Celebration, contact the Village Manager's Office at 847.719.7400. For details on shopping local, visit www.dbrchamber.com or call 847.945.4660.
