HAPPY NEW YEAR!

THE VILLAGE OF DEERFIELD WISHES YOU A PROSPEROUS 2014

MESSAGE FROM DEERFIELD MAYOR HARRIET ROSENTHAL

A new year provides the ability to look back at the previous year's accomplishments and to look forward to new opportunities. In Deerfield, we have many accomplishments to celebrate while we plan for the year ahead. The Village transitioned to a new fiscal year and completed major road and infrastructure projects in 2013, and new, large developments approved in 2013 will start to take shape in 2014.

In November and December of 2013, the Village approved its budget and tax levy. Our fiscal year was changed to match the calendar year, bringing more transparency to residents as property taxes will be spent in the same year they are collected. The budget process, including the property tax levy and debt service, is one of the major tasks of the Village Board, and many hours of open meetings and discussions take place.

Fundamentally, we are a service organization and our services are delivered by people. A labor-intensive business translates to an expensive business. Our staff has done a wonderful job over the past few recession years managing costs and we appreciate those efforts. Our tax levy is increased by three percent, which equates to about \$20 on a \$500,000 home. We realize this is real money, but we must keep up with our core priorities of infrastructure, public safety and long-term fiscal stability.

Continued on Page 2

TAX LEVY, 2014 BUDGET APPROVED BY BOARD OF TRUSTEES

This year, the Village completed its transition to a calendar fiscal year. The change to a calendar year end was done primarily to better align cash flow, revenue recognition and accounting for property taxes. Residents will not see any changes on their property tax bills because of the change. The Village Board approved the 2014 budget and 2013 tax levy in late 2013.

The 2014 budget totals \$41,303,248 which is a 14.48% increase over the Fiscal Year 13A budget. Much of the increase is due to comparing the current 12 month budget to the prior 8 month transition budget and is partially offset by a lower capital program in the current year.

This budget was prepared with the following general guidelines:

- No new major operating program additions
- Salary projections were made in light of the collective bargaining atmosphere in Illinois

MAYOR'S MESSAGE

Continued from Page 1

When you see your property tax bill, you will notice that the Village portion represents only about four percent of the total. We will continue to focus on more efficient Village operations and finding new revenue sources while maintaining our coveted AAA bond rating. The Village will collect \$5.2 million in property taxes, while our budget is \$41.3 million.

2013 saw the completion of the Lake Cook Road reconstruction project. A large-scale road project of this magnitude is never easy, and my thanks go out to our local business community, residents and partners for their patience and understanding that helped make this project as successful as possible. Construction was completed nearly a month ahead of schedule. This project demonstrates the value that collaboration, consistent communication and common sense practices can produce for the benefit of taxpayers, businesses and the motoring public. We thank the Cook County Department of Transportation and Highways, the DBR Chamber of Commerce, the Village of Northbrook and A-Lamp Construction for their cooperation.

The Village also completed work on the reconstructed Water Reclamation Facility (WRF), our largest public works project ever. Construction of the new facility began in January of 2011 and concluded in June of 2013. The previously existing WRF was constructed in the 1950s. Much of the now-retired equipment was well beyond its useful life and had become increasingly expensive to maintain and operate. The new facility utilizes innovative and more efficient technology that has already shown a reduction in our energy consumption. Recently, the Administration Building was certified as a Leadership in Energy and Environmental Design (LEED) Silver Building by the U.S. Green Building Council.

The Village completed its own list of capital improvement projects in 2013. These include the reconstruction of Heather

Lane and Lake Eleanor Drive as well as our 2013 Street Rehabilitation Project, which included parts of Bayberry Lane, Timberhill Road, Springfield Avenue, Cherry Lane, Carriage Way and Bentcreek Ridge.

Looking forward to later in 2014, our capital improvement projects include engineering and design work for the 2015 reconstruction of Deerfield Road and the design and engineering necessary for future projects in the Northtrails and Briarwood Vista subdivisions. Additionally, our 2014 Street Rehabilitation Project includes improvements to all or parts of Brookside Lane, Castlewood Lane, Cambridge Circle, Fairview Avenue, Princeton Lane, Radcliff Circle and Stratford Road.

Our community will see both residential and business growth in 2014. Numerous new businesses have opened in the past year and ground was broken on the AMLI Deerfield and Woodview Residences apartment developments. This year, Deerfield will welcome grocer Fresh Thyme Farmers Market to Cadwell's Corners. Please see pages 3 and 5 for more news about economic development in the Village.

Finally, I would like to thank all of my colleagues on the Village Board and members of our various Commissions for their dedication to Deerfield and the countless hours they volunteer every year to continue to make Deerfield a great place to live, to work and to visit.

From my family to yours, best wishes for a happy, healthy and prosperous new year.

Harriet Rosenthal,
Mayor

BUDGET, TAX LEVY

Continued from Page 1

• Revenue estimates were conservatively based on the current economic conditions and adjusted for known variations; a stable outlook was assumed

Major capital projects expected to begin or be completed this year include (with

engineering):

- Annual street rehabilitation and sidewalk program - \$1,250,000
- Engineering costs for Phingsten/Kates Road Bridge, Northtrails Subdivision and Briarwood Vista - \$325,000
- Deerfield Road Sidewalk Improvements - \$360,000
- Lake Cook Road water main reimbursement - \$463,000

The 2014 budget is funded in part with the 2013 property tax levy that will be collected in June and September of 2014. The total Village tax levy is to increase 3 percent, which amounts to an additional \$20 to a \$500,000 market value home.

The levy includes an \$84,560 (4 percent) increase for the general fund and a \$22,640 (2.5 percent) increase for the refuse fund to keep pace with increased costs. The remaining increase is allocated to the Infrastructure Replacement Fund for capital projects.

The levy also includes abatements (reductions) for all non-treatment plant related debt and for Federal Government rebates for Build America Bonds and Qualified Energy Conservation Bonds.

The overall budget is balanced as there are fund balances available to provide for the capital expenditure program and drawdowns in various funds. The projected use of fund balance overall is \$1,923,088. This is primarily due to an anticipated General Fund drawdown for the abatement of non-WRF debt service payments and a transfer to the IRF for capital projects, large purchases from E911 Funds, and use of cash on hand in the MFT Fund.

The budget reflects a proposed 2.5% increase in the water, sewer and refuse user charges. The budget also reflects additional revenue for dispatching Riverwoods Police. No other new revenue sources are introduced for the year.

For more information on the 2014 budget or 2013 property tax levy, contact Finance Director Eric Burk at 847.719.7432 or visit www.deerfield.il.us

DEERFIELD ECONOMIC DEVELOPMENT UPDATE

New and exciting developments are underway throughout the Village that will bring new residences and businesses to the Village while creating new jobs, improving the regional economy and expanding the local tax base.

Two new luxury rental developments are underway that will bring 488 apartment homes to the Village and a combined total economic impact of approximately \$138,135,409 to the state's economy. Fresh Thyme Farmers Market grocery store will open in Cadwell's Corners Shopping Center mid-year, focusing on fresh produce at reasonable prices.

These developments will join a bevy of new local businesses that have opened in 2013 or will open shortly and long-standing businesses. For a list of these businesses, see page 5.

AMLI DEERFIELD

In October, the Village Board approved a final development plan for AMLI Deerfield. AMLI Deerfield will occupy approximately six acres of vacant land located at 1525 Lake Cook Road and feature studio, one-bedroom, and two-bedroom apartment homes.

The development will be a four-story structure housing 240 rental units with a total of 413 total parking spaces.

The fully amenitized luxury rental building will feature an expansive fitness center, business center with internet café, comfortable resident lounge area with multiple entertainment areas, an interior courtyard with pool, lounge space and private trellis areas.

The building will be designed and built for LEED certification and will be entirely smoke-free. The project broke ground in late 2013 with an anticipated completion in mid-2015.

For more information, visit www.amli.com ↗

WOODVIEW RESIDENCES AT PARKWAY NORTH

In September, the Village Board approved a final development plan for Woodview Residences. Woodview will occupy 7.68 acres of vacant land located at 15 Parkway North Boulevard, on the south side of Deerfield Road just west of the I-94 Tollway.

The multi-family luxury rental apartment community will feature studio, one-, two- and three-bedroom apartment homes. The four-story development will house 248 rental units and have 406 parking spaces.

Building amenities include a resort style pool, electric car charging station, jogging trails and dog park, technologically advanced fitness center, exhibition kitchen, coffee bar and lounge seating, bike lounge, iLounge, courtyards and green space.

Pre-leasing to begin in October 2014.

For more information, visit www.woodviewdeerfield.com ↗

FRESH THYME FARMERS MARKET

In November, the Village Board approved a special use to establish the 32,309 square foot Fresh Thyme Farmers Market grocery store to be located in Cadwell's Corners Shopping Center in the former SteinMart space.

Fresh Thyme is a grocery store focusing on fresh produce at reasonable prices. The store will have local and organic fruits and vegetables, freshly baked products, a deli, meats, seafood, dairy, bulk food bins, frozen foods, beer and wine, body care products and vitamins.

The store will be open seven days per week from 7 a.m. to 10 p.m. The Fresh Thyme management team has over 20 years of grocery experience.

Benefits to Deerfield include expanding the local sales tax base, while creating roughly 75 to 90 direct jobs and additional secondary jobs. Fresh Thyme strives to become an employer of choice in the local community and support local not-for-profit organizations and schools.

The grocer plans to offer free educational classes, tasting events and entertainment.

Fresh Thyme is built on a culture of farmer-friendly customer service with knowledgeable team members and uses green building initiatives and operational practices

For more information about Fresh Thyme visit their website at www.freshthyme.com ↗

Upscale women's designer shoes, jewelry, handbags, and accessories

LONG-STANDING BUSINESS RECOGNITION

Mayor Rosenthal and the Board of Trustees are recognizing retail and service businesses that have been operating in Deerfield for at least 20 years under the same business name. In 2012, the Village recognized long-standing businesses that were operating in the Village Center. Now, the Village is recognizing the long-standing businesses in the C-2 Outlying Commercial District. Thirty businesses meet the criteria for recognition. The business owners are invited to the January 21, 2014, Village Board meeting to be recognized for their service.

The 30 long-standing businesses being recognized are (in alphabetical order):

- Atta Orthodontics DDS
- Bed, Bath & Beyond
- Boston Blackie's Restaurant
- BP Gas Station
- Brunswick Zone Deerfield
- Burns Family Dentistry
- Calico Corners
- California Tan and Massage
- Carson's Deerfield
- Charles Ifergan Salon & Day Spa
- Cooker's Red Hots
- Courtyard by Marriott Chicago Deerfield
- Deerbrook Jewel-Osco
- Deerbrook Subway
- Deerfield Animal Hospital
- Deerfield Tire Company
- Dr. Howard Baim
- Doyle Optical
- Tony's Subs
- Lapp Chiropractic
- McDonald's

- My Own Meals
- Office Max
- Rainbow Cleaners
- Red Roof Inn Chicago-Deerfield
- Ristorante Abruzzo
- Robert Marc Cosmetics
- Shell Gas Station
- Whitehall of Deerfield
- Zengeler Cleaners

THINK BEFORE YOU FLUSH

The toilet isn't a garbage can. When items other than human waste and toilet paper are flushed, these foreign items can lead to blockages in the sewer lines, plugged pumps and damaged treatment equipment. These problems put you and your fellow residents at risk for costly repairs and use up limited Village resources.

Some household cleaning items are advertised as being "flushable" on the packaging, however the Department of Public Works asks that these items instead be placed in the garbage. Please think before you flush. Feminine products, wet wipes, dental floss, paper towels, and other personal care or cleaning items belong in the trash, not the toilet. Please only flush human waste and toilet paper.

POLICE TAKE POLAR PLUNGE FOR SPECIAL OLYMPICS

On Saturday, March 1, 2014, the Deerfield Police Department will again be participating in the Special Olympics Law Enforcement Polar Plunge, which will be held at Sunrise Beach in Lake Bluff.

More than a dozen personnel have committed to jumping into the frigid waters of Lake Michigan, all in the name of raising funds for the Special Olympics. Each participant must raise a minimum of \$75 in sponsorship funds.

If you would like to contribute, please contact Communications Director Mary Anne Glowacz at 847.945.8636 or via email at mglowacz@deerfield.il.us.

THANK YOU FROM THE POLICE DEPARTMENT

We would like to express our sincere thanks to the members of our community for your generosity and support throughout the year, particularly during the 2013 holiday season. With your help, we have exceeded our prior year's donations to several worthwhile organizations.

Thanks to your charity, we have been able to make many people's lives a little better. In partnership with you, for 2013, we raised more than \$17,000 for the Illinois Special Olympics, provided a truckload of toys for Toys for Tots, donated food and other essentials to the West Deerfield Township Food Pantry and the North Chicago Community Partners, made a significant contribution to the American Cancer Society/Relay for Life, and provided toys to Advocate Lutheran General Children's ward.

In the words of George Bernard Shaw, "We are all dependent on one another, every soul of us on earth." We couldn't have done it without you.

SMALL OFFICE HOME OFFICE IN DEERFIELD

The DBR Chamber of Commerce is pleased to announce a networking event designed specifically for small and home based businesses.

Beginning in February 2014, the Chamber will offer a monthly meeting open to all small and home based businesses. Monthly programs will include educational speakers on topics specific to this business demographic as well as an opportunity to network with like size businesses.

For more information on how your business can participate, call the Chamber office at 847.945.4660 or email info@dbrchamber.com

UPCOMING EVENTS @ PTC

NEW VOTER REGISTRATION INFORMATION FROM WEST DEERFIELD TOWNSHIP

Will you be 18 on or before November 4, 2014? If you answered yes, you will be able to register and vote in the March 18, 2014, primary election.

Beginning January 1, 2014, 17-year-olds are eligible to register and vote in an Illinois primary election if they are 18 years of age by the date of the next general election. This change in law is referred to as "Suffrage at Seventeen."

To vote in any election, U.S. citizens must be registered 28 days before the election, 18 years old on or before the general election, and a resident of the precinct for 30 days immediately prior to Election Day.

To register to vote, you'll need to provide two forms of valid identification, one of which must show your current address. You may register to vote at the West Deerfield Township office Monday through Friday, 8:30 - 4:30 p.m. No appointment is necessary.

Please call Town Clerk Kristen Scott or the Township office at 847.945.0614 if you have any questions. ~

GIFTS CELEBRATE DEERFIELD HISTORY

The Deerfield Area Historical Society invites you to visit their online store at www.cafepress.com/deerfieldil, where residents are able to celebrate the history of Deerfield with Deerfield gifts.

From apparel to drinkware, find souvenirs for kids and adults.

Choose historical photos with Harry's Grill, once Deerfield's favorite diner, the Historical Society's little red schoolhouse at the Deerfield Historic Village and more.

THANK YOU!

Our sincere thanks to these residents who volunteered their time on the Village's various Boards, Commissions, and Committees in 2013.

BE PREPARED FOR WINTER

The follow tips are from the Deerfield Police Department:

Make sure you have a battery-powered radio and National Oceanic and Atmospheric Administration (NOAA) weather radio receiver for listening to National Weather Service broadcasts.

Listen to emergency broadcasts. Know what winter storm warning terms mean: *Winter weather advisory*: expect winter weather conditions to cause inconvenience and hazards.

Frost/freeze warning: expect below-freezing temperatures.

Winter storm watch: be alert; a storm is likely.

Winter storm warning: take action; the storm is in or entering the area.

Blizzard warning: seek refuge immediately! Snow and strong winds, near-zero visibility, deep snow drifts and life-threatening wind chill.

Extreme cold can cause water pipes in your home to freeze and sometimes break. To prevent this, leave all water taps slightly open so they drip continuously, keep the indoor temperature warm, and allow more heated air near pipes by opening cabinet doors under the kitchen sink.

If your pipes do freeze, do not thaw them with a torch. Thaw the pipes slowly with warm air from an electric hair dryer. If you cannot thaw your pipes, or if the pipes have broken open, use bottled water or get water from a neighbor's home until repairs are completed.

Prepare your car with emergency supplies:

- Cell phone with portable charger
- Shovel
- Windshield scraper
- Battery-powered radio
- Flashlight
- Extra batteries
- Water
- Snack food
- Extra hats, coats, mittens
- Blankets
- Chains or rope
- Tire chains
- Canned compressed air with sealant
- Road salt and sand
- Booster cables
- Emergency flares
- Bright colored flag; help signs
- First aid kit
- Tool kit
- Road maps
- Compass
- Waterproof matches and a can to melt snow for water
- Paper towels
