## ASIAN LONGHORNED BEETLE IN DEERFIELD

On Friday, August 8, the United States Department of Agriculture (USDA) and Illinois Department of Agriculture (IDA) confirmed that an insect specimen discovered in Deerfield was an Asian Longhorned Beetle.

Rapid response teams from the USDA and the IDA immediately took action and began a full survey of trees within a half-mile radius from the location of detection. The initial search was completed with no additional signs of an infestation. Based upon this, the survey area was expanded to a mile from the point of origin. This search includes areas of Deerfield, Northbrook, Highland Park, Northfield Township and the Forest Preserve District of Cook County. Import trends of surrounding industries are also being investigated as possible sources of the ALB introduction in Deerfield. The Public Works department has been trained by both the USDA and IDA to detect infestation. This search is ongoing.

It is important to allow team investigators (all of whom will be carrying proper identification) to enter private property for inspection. The Village is also asking that residents keep watch for any indication of the insect. The ALB is a large beetle, with bodies ranging from 1 to 1.5 inches in length and antennae which can be as long as 4 inches. The body is shiny and black with white spots, and antennae are banded in black and white stripes. Signs of

## WASTEWATER RECLAMATION FACILITY IMPROVEMENTS PLANNED

The Village of Deerfield is pleased to announce that it has initiated project planning for a significant upgrade and/or replacement of the 10-acre Wastewater Reclamation Facility (WRF) located at 1045 Hackberry Road.

The Village has always owned its sanitary sewer collection system and associated treatment facilities. The current plant dates to 1954. Through the years there have been several upgrades to the site, with the last significant expansion taking place in 1975. However, after over 50 years of constant use, the WRF has degraded and work must be done to ensure it will continue to function effectively. Much of the vital infrastructure is in constant need of repair.

In 2004, the Village Board and staff began the process of site evaluation. The 2005 report from Stanley Associates showed that all nine WRF

## MEETING SCHEDULE

Meeting times/dates subject to change.

### September

#### Board of Trustees

September 2 & 15, 7:30 p.m.

#### Village Center Development Comm.

September 3, 7:30 p.m.

#### Residential Redevelopment Review Task Force

September 9, 4:00 p.m.

#### Community Relations Commission

September 9, 7:00 p.m.

#### Plan Commission

September 11 & 25, 7:30 p.m.

#### Appearance Review Commission

September 22, 7:30 p.m.

#### Cable & Telecommunications Comm.

September 23, 7:30 p.m.

#### Safety Council

September 23, 7:30 p.m.

### October

#### Village Center Development Comm.

October 1, 7:30 p.m.

#### Board of Trustees

October 6 & 20, 7:30 p.m.

#### Community Relations Commission

October 14, 7:00 p.m.

#### Plan Commission

October 16 & 30, 7:30 p.m.

#### Appearance Review Commission

October 27, 7:30 p.m.

#### Cable & Telecommunications Comm.

October 28, 7:30 p.m.

#### Safety Council

October 28, 7:30 p.m.

## PLAN COMMISSION PUBLIC HEARING PROCESS

The Plan Commission, one of the Village's many all-volunteer Boards and Commissions, conducts public hearings and makes recommendations to the Board of Trustees on all land use petitions filed with the Village which, by State statute, require such hearings. In addition, the Plan Commission reviews zoning and subdivision regulations for conformance with the Village's Comprehensive Plan. Because of the responsibilities of this Commission, one of the most significant steps in the land use process of the Village of Deerfield is the public process associated with the Plan Commission's hearing process.

Generally, the public process is designed to permit applicants to present land use requests to the Village in a public forum, and to allow all concerned residents and property owners to be fully informed about the land use request by asking questions and expressing opinions, either in writing, in person, or both.

The Plan Commission consists of seven volunteers, all Deerfield residents, who make recommendations to the Board of Trustees. The Board ultimately has final authority over the approval (or denial) of a land use request; however, the Plan Commission is where the petition is first considered and where significant and detailed testimony takes place. The public process includes a pre-filing conference with the Plan Commission, a public

hearing with the Commission, and a meeting with the Board of Trustees.

When a petition is filed with the Community Development Department, letters are mailed to residents within 250 feet of the subject property (500 feet for height variations) explaining the proposal and inviting the recipients to participate in the public process. Yellow signs are also erected at the subject property mentioning the date of the public hearing. Agendas for the Plan Commission are posted on the Village's website. Additional information can also be provided by calling the Community Development Department at 847/719-7480.

The Plan Commission welcomes and appreciates all participation in the public process, especially at the public hearing. Comments from neighbors are very important as the Commission considers the petition and its recommendation to the Board of Trustees. Making comments in writing is also helpful if a neighbor is unable to attend the public hearing in person. These should be forwarded in advance of the meeting to ensure that they can be shared with the Commission and considered during the decision making process.

*For more information on the public process associated with petitions before the Plan Commission, please visit [www.deerfield-il.org](http://www.deerfield-il.org), or call 847/719-7480. The Plan Commission meets regularly on the 2nd and 4th Thursday of the month at 7:30 p.m. at Village Hall, 850 Waukegan Road. ~*

## RESIDENTIAL REDEVELOPMENT REVIEW TASK FORCE RECONVENED

Mayor Steve Harris reconvened the Residential Redevelopment Review (Tear Down) Task Force in order to review past ordinances and to address new issues related to redevelopment in Deerfield neighborhoods.

The Task Force originally met beginning in September 2001. Ordinances restricting building height, side yard set back planes and floor area ratio have been implemented, along with a drainage ordinance that protects residents' property from any new rain water runoff resulting from new construction. In addition, construction management requirements, including fencing to reduce the hazards from new construction and a tree ordinance to help preserve and protect trees from the hazards of new construction, have been implemented.

However, new issues such as attic measurements, storm water drainage and impervious surfaces, and "green" development practices have come to light. The Task Force will review these new issues, as well as recommend modifications to ordinances in order to bring them up to date.

*Meetings of the Task Force are held approximately twice a month, with scheduled meeting dates listed on the Village's website, [www.deerfield-il.org](http://www.deerfield-il.org). Questions may be directed to Jeff Ryckaert, staff liaison, at [jryckaert@deerfield-il.org](mailto:jryckaert@deerfield-il.org). ~*

## MONOPOLE APPROVED

The Village Board recently approved the construction of a cellular telephone monopole to be located at the rear of the Village Hall. Cellular telephone service has been problematic in the Village, especially in the northern sections of town, for years. This monopole will bring improved service for up to four service providers. Verizon Wireless is the first to be located, and the Village is actively negotiating with other carriers.

It is expected that construction will begin in early September and be complete by the end of October.

*Questions may be directed to Philip Kiraly, Assistant Village Manager, at 847/945-5000.*

## SENIOR/DISABLED TAXI PROGRAM

Residents are invited to participate in the Senior/Disabled Taxi Program which is designed to offer door-to-door transportation options for seniors 65 and older and those with disabilities. In-town trips cost riders only \$1 plus a coupon available from the Village. Out of town trips allow for a \$5 discount on the total fare.

*For more information, please contact Kendal Dean in the Village Manager's Office at 847/945-5000.*

*Look for more information on other senior transportation options in upcoming issues of D-Tales. ~*

## WRF CONTINUED

*Continued from Page 1*

facilities (most notably 1045 Hackberry Road) needed extensive work. Beginning in late 2006, the Village commenced an investigation of the various alternatives available besides reconstruction— re-routing sewage to a regional wastewater authority; privatization of the system through sale of the WRF and associated facilities; and continuous rehabilitation. The study showed that these three options would ultimately be more expensive and less cost-effective than the current plan of reconstruction/significant upgrading.

Strand Associates Inc. is currently developing a required feasibility study that will detail conditions of the plant as well as future needs. During this time, Strand will also perform strict scrutiny tests to determine what from the existing plant can be re-used in a new facility. After the feasibility report is finalized, an engineering firm will be selected to design the plant. Any proposed design would streamline the treatment process, making the facility more energy-efficient and cost-effective. The design will allow for future expansion to meet new IEPA regulatory standards. The WRF strives to be a good neighbor, and the proposed upgrades will decrease both odor and noise.

As part of the planning process, the Village is hosting a series of public meetings to provide information, receive comments, and answer questions about the WRF and related issues. The first meeting took place in late

July. The next meeting will be scheduled in October, and meetings will continue throughout the facility planning process (dates, times and locations will be posted on the Village website, [www.deerfield-il.org](http://www.deerfield-il.org)).

According to Wastewater Superintendent Frank Cisek, "The Wastewater Reclamation Facility is a vital piece of infrastructure that holds Deerfield together." The facility operates around the clock aiding nature in the water purification process to preserve healthy living and a healthy environment by protecting water sources and the community from harmful pollutants. The plant is an essential public utility, and it is important that the Village takes the necessary steps to ensure this facility operates for many years to come.

*For more information, please visit [www.deerfield-il.org](http://www.deerfield-il.org), or contact the Public Works Department at 847/317-7245.*

## LIVING IN A FLOOD ZONE

Because the Village of Deerfield is a participating member of the National Flood Insurance Program (NFIP), anyone can purchase flood insurance through their local insurance agent. There is a 30 day waiting period for flood insurance coverage to begin. A home located within a Special Flood Hazard Area (SFHA) has a 26% chance of being damaged by a flood over the life of a 30 year mortgage and, typically,

homeowner's insurance will not cover flood damage. This is why flood insurance is mandatory for all federally backed mortgages. Your home does not have to be in a flood zone to get flooded. Flood insurance is available at a reduced rate for properties located in the flood zone. Also, the Village of Deerfield is applying for FEMA's "Community Rating System", which can further reduce flood insurance premiums.

### Flood Protection

If your property is susceptible to flooding, there are some things you can do to reduce damages.

- Watertight seals can be applied to brick and block walls to protect against low level flooding (less than two feet).
- Furnaces, air conditioners, water heaters and major appliances can be elevated on platforms or moved to higher floors.
- Temporary measures like sandbagging and removing items from the flooded area.
- Elevating or relocating the entire structure may be an option with a special rider on flood insurance policies. For more information on this rider or to see if you qualify, please contact the Engineering Department at 847/317-2490.

*Residents who are interested in more information can visit the Deerfield Public Library where more information has been provided. Please contact the Engineering Department with questions or concerns, or to determine if your home is in a flood zone.*

## ALB CONTINUED

*Continued from Page 1*

infestation include dime-sized holes in hardwood trees (i.e. Maples and Oaks). If you see one of these distinctive insects or notice these holes, please contact the USDA at 847/699-2424 immediately.

The Village will continue to work closely with the IDA and USDA, along with surrounding municipalities who are also connected to the search, until the matter has been resolved.

*For more information, please contact Jennifer Medina of the USDA at 847/699-2402, or contact the Public Works Department at 847/317-7245. Also, visit the Village's website at [www.deerfield-il.org](http://www.deerfield-il.org).*

## LEAF COLLECTION

The Village's annual leaf collection program provides residents with an alternative for disposal of their autumn leaves. Residents who do not mulch or bag their leaves may simply rake leaves to the curb or carriage walk line the night before their scheduled pickup. Beginning the week of October 27 and continuing through November 21, Public Works Department crews will make one pass by each house in the Village every week during the 4-week program. Please inform your landscaper of these provisions.

Look for more information in the next edition of D-Tales.

*Please visit [www.deerfield-il.org](http://www.deerfield-il.org), or call 847/317-7245.*

# BOARDREPORT

The following is a synopsis of actions taken by the Village Board since the last publication of D-Tales. For complete sets of minutes for Village Board meetings, please visit the Village's website at [www.deerfield-il.org](http://www.deerfield-il.org).

## VILLAGE BOARD ACTION

- Approved an Ordinance authorizing an amended special use to permit replacement of the River Road lift station at 297 River Road in the P-1 Public Lands District
- Approved an Ordinance authorizing an amended special use to permit renovations to Briarwood Park/Nature Area and Trail Tree Park in the P-1 Public Lands District (with the addition of lights in the parking lot)
- Approved an increase of the ticket reimbursement for the Senior/Disabled Taxi Subsidy Program
- Adopted an Ordinance authorizing a special use to permit a free-standing telecommunications service facility at Village Hall
- Adopted an Ordinance approving a ground lease agreement with Verizon Wireless for the monopole at Village Hall
- Adopted an Ordinance relating to the issuance of \$5.0 million in General Obligation Bonds, Series 2008
- Adopted an Ordinance decreasing the number of Class A liquor licenses from three to two and the number of Class C liquor licenses from four to three
- Adopted an Ordinance redeeming certain outstanding Village debt and amending the annual budget of the Village of Deerfield for the fiscal year beginning May 1, 2008 and ending April 30, 2009
- Authorized an intergovernmental agreement for utilization of the Lake County Sheriff's shooting range
- Authorized an agreement with D & W Events for the 2009 Festival of Fine Arts
- Authorized execution of the water supply contract with Highland Park
- Authorized additional compensation to Bolder Contractors for additional work under the Wilmot Road North infrastructure rehabilitation project
- Awarded the contract for additional Waukegan Road signal improvements, in conjunction with the IDOT project, to H & H Electric
- Awarded the contract for traffic signal repairs and upgrades to Hecker and Company
- Awarded the contract for the 2008 Dutch Elm disease study to Urban Forest Management, Inc.
- Awarded the Deerfield Road pedestrian underpass engineering services contract to McDonough Associates, Inc.

### WEST DEERFIELD TOWNSHIP

Township Board meetings will be held September 16 and October 21 at the Township Offices, 601 Deerfield Road.

## CITIZENS POLICE ACADEMY

The Deerfield Police Department is sponsoring a Citizens Police Academy beginning September 17, 2008. The program runs for 10 weeks. Classes meet from 7:00 p.m. - 9:00 p.m. The classes are limited to 12 participants who must be at least 18 years old, a Deerfield resident and have no felony convictions.

Most classes will be held at the Deerfield Police Department, 850 Waukegan Road, but some classes may also be held at an alternate location, depending on the subject matter. Topics covered in the classes include fundamentals of investigations, narcotics, canine units, and includes a citizen ride-along.

To apply to participate in the Citizens Police Academy, download an application from the Police Department's website at [www.deerfield-il.org/cpa.htm](http://www.deerfield-il.org/cpa.htm) and return the completed application to the Police Department. You may also pick up an application at the Department. Questions may be directed to Sgt. Mel Soltwisch at 847/945-8636 between the hours of 7:00 a.m. - 3:00 p.m.

The Deerfield Police Department is committed to the philosophy of Community Policing. The Citizen Police Academy provides a forum to improve communication between police and the community. Graduates become partners with us in identifying problems and solutions to quality of life issues that face our community and are able to take their knowledge back to neighborhoods, where they can inform other community members about the Police Department. ~

## PARENTS WHO HOST CAMPAIGN UNDERWAY

The Deerfield Police Department would like to remind parents of the legal ramifications of hosting parties for underage children. State law and local ordinance prohibit the consumption of alcohol by a minor, and parents that host parties will be subject to prosecution to the full extent of the law.

With the school year upon us and reunions and homecoming events on the horizon, it is important that parents keep an open and active line of communication with their children about the hazards of drinking and driving and be vigilant in knowing their child's whereabouts.

Events in past years have shone a spotlight on the dangers of underage drinking, a hazard that can be effectively remedied by parental prevention that starts at home. *Parents that Host Lose the Most* is a local campaign to remind parents of legal ramifications of hosting parties and the harm it can cause families.

*For more information on this program, contact the Deerfield Police Department at 847/945-8636. To report a party or other activity where drinking may be involved, contact the Police Department by dialing 911. ~*

## WORKPLACE TRANSPORTATION OPTIONS

Workplace Transportation Options are designed to reduce the number of commuters driving alone each workday in order to ease traffic congestion and lower emissions.

There are a number of strategies employers and individuals can pursue, including:

- Vanpools/Ridesharing
- Transit Benefit Program
- Telecommuting
- Biking and Walking to Work

### *How Can This Improve Air Quality?*

Heavy automotive use is one of the most notorious contributors to poor air quality. Workforce Transportation Options can have a significant, positive impact. For every 1,000 commuters in the Chicago regional area who use an alternate means of transportation instead of driving to work in a vehicle alone, there is a reduction of 11 tons of volatile organic compounds (VOCs) and 14 tons of nitrogen oxide. This also translates into reduced ground-level ozone, which is responsible for smog-filled air. For every fifty two-person carpools, ground-level ozone is reduced by one ton.

### *Why Should You Participate In Workforce Transportation Options?*

Benefits of Workplace Transportation Options include:

- Reduced emissions of VOCs, nitrogen oxide and other smog-forming pollutants, improving regional air quality
- Improved ground-level ozone
- Puts state and federal transportation funds to work for employers participating in vanpool programs
- Increased worker productivity and ability to attract and retain the best employees
- Less traffic congestion on roads regionally
- Reduced employer payroll taxes and a tax-free benefit to employees for some strategies
- Lower commuter costs compared to driving alone
- Helps conserve a non-renewable natural resource – gasoline

Clean Air Counts is a voluntary, public-private initiative to reduce smog-forming pollutants and energy consumption in the greater Chicago, six-county region. It is a collaborative effort between the Metropolitan Mayors Caucus, the Illinois Environmental Agency, US Environmental Protection Agency – Region 5 and the Delta Institute. ~

## NOVEMBER 4, 2008 GENERAL ELECTION INFORMATION

As the general election approaches, residents are reminded to register to vote. You may register at the West Deerfield Township office, 601 Deerfield Road, until October 7. Between October 8-October 21, the Lake County Clerk offers grace period registration at the County building in Waukegan. No requests for registration will be taken after October 21. Voter registration will reopen on November 6.

Two forms of identification are required, one showing a current address. If you have moved, make sure that your registration is current for your new address. Residents must re-register to vote no matter if the move was across the State or across the street.

You can always check the status of your current registration by visiting the Lake County Clerk's website [www.co.lake.il.us/cntyclk](http://www.co.lake.il.us/cntyclk), or by calling 847/377-2406.

As a reminder, any registered voter is eligible to vote during the Early Voting period which runs from October 13-October 31.

In-person absentee voting will run from October 31-November 3. Only those residents who expect to be absent from their precinct on voting day are eligible to vote during in-person absentee voting.

If you are unsure of your polling place, visit the Lake County Clerk website. The website provides a search function that allows you to check by simply typing in your address.

### DATES TO REMEMBER:

#### October 7

Last Day to Register at the West Deerfield Township office, 601 Deerfield Road.

#### October 8-October 21

Grace Period Registration at Lake County Clerk's office.

#### October 13-30

Early Voting period at the Township office. Any registered voter is eligible to vote during this time period.

M-F 9:00 a.m. - 4:30 p.m.

Sat. 9:00 a.m. - 12:00 p.m.

#### October 27

Last Day to request an absentee ballot by mail by calling the Lake County Clerk at 847/377-2406.

#### October 31-November 3

In-person absentee voting for those who expect to be away from their precinct on November 4.

F 9:00 a.m. - 4:30 p.m.

Sat. 9:00 a.m. - 12:00 p.m.

Sun. Closed

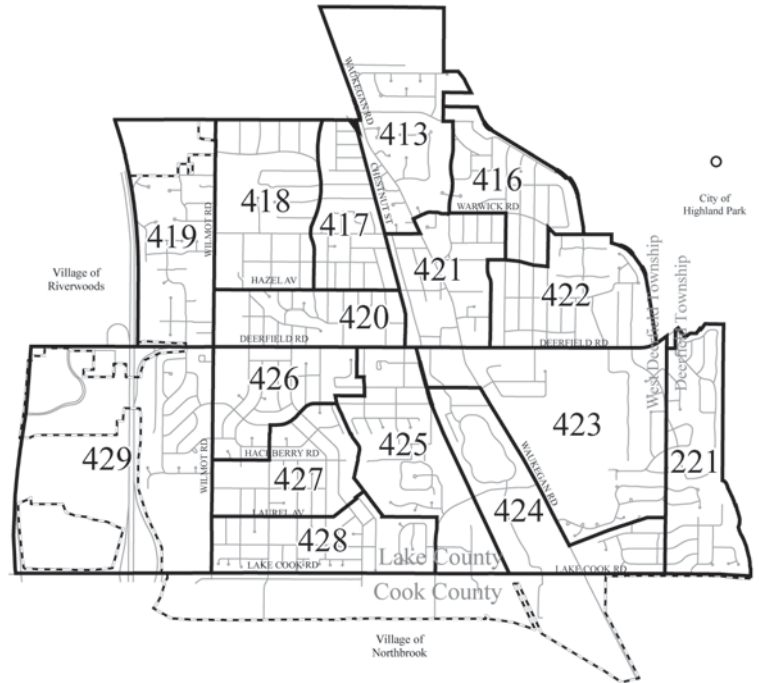

M 9:00 a.m.- 4:30 p.m.

#### November 4

General Election Day. If you need to find your polling place, go to [www.co.lake.il.us/cntyclk](http://www.co.lake.il.us/cntyclk), or call West Deerfield Township at 847/945- 0614.

## MUDFEST

Mudfest will be held on Sunday, September 14th from noon to 4 p.m. at Jewett Park. Participants are teams of 8 to 10 high school students which must be Co-Ed (at least 4 boys and 4 girls per team).

Events will include mud volleyball, tug-of-war and a pie-eating contest. For further information contact Jerry Zachar at the Deerfield Police Department at 847/945-3120, or Linda Anderson at the Deerfield Park District at 847/945-0650. ☞

## HISTORICAL SOCIETY FALL FESTIVAL

Join us on Sunday, September 7 from noon to 4:00 p.m. at the Deerfield Historic Village for a fun-filled adventure into Deerfield's past featuring activities for all ages. Participate in hands-on activities and vintage games for children. Attend school in the one-room schoolhouse. Explore the Historic Village grounds and buildings. Watch artisans make handcrafted items. Enjoy a classic car show, entertainment, refreshments, book sale, and antique market. Shop for 19th century reproduction toys and other items from our museum store. Admission is free.

The Deerfield Historic Village is open on Sundays, 2:00 - 4:00 p.m. through September. Displays include "Deerfield History," from the first settlers through the 1950s; and "Celebrating Deerfield's Bicentennial Quilts."

For more information call 847/948-0680, or visit [www.deerfieldhistoricalsociety.org](http://www.deerfieldhistoricalsociety.org) ☞

## SWALCO EVENTS

The Solid Waste Agency of Lake County will be hosting several events in September:

Household Chemical Waste Collections:

**September 6:**  
Round Lake Beach Metra Station

**September 27:**  
Lake Forest Municipal Services Center

Please call SWALCO at 847/336-9340 or visit [www.swalco.org](http://www.swalco.org) for more information. ☞

## UPCOMING EVENTS @ PTSC

For more information on any of the programs listed below, including times and locations, or to register to be a member, please contact the Patty Turner Senior Center at 847/940-4010, or visit [www.deerfieldparkdistrict.org](http://www.deerfieldparkdistrict.org).

- Sept. 2,** Blood Pressure/Blood Glucose Screenings
- Sept. 4,** Gender Knee Presentation
- Sept. 8,** Great Decisions
- Sept. 8,** Book Chat
- Sept. 9,** Breakfast with Rick Kogan
- Sept. 11,** Milwaukee Art Museum & New Discovery World Aquarium Trip
- Sept. 16,** Single Mingle
- Sept. 20,** Brain Games Computer Class
- Sept. 22,** Parent/Grandparent Partnership & Dessert
- Sept. 25,** Roberta Morris Presents Viet Nam
- Sept. 27,** Brain Games Computer Class
- October 7,** Blood Pressure/Blood Glucose Screenings
- October 11,** 50+ Life Style Expo & Flu Shots
- October 15,** "Dirty Dancing"
- October 18,** Q&A Computer Class
- October 20,** Self Advocacy in Pain Management
- October 21,** Single Mingle
- October 22,** San Fillippo Victorian Mansion Trip
- October 22,** "The Price of Privilege"
- October 29,** "Turn of the Century"

## 4TH ANNUAL COMMUNITY SERVICES DAY CELEBRATION!

A cooperative effort of the Village of Deerfield, the Deerfield-Bannockburn Fire Protection District, the Deerfield Park District, and the Deerfield and Bannockburn Police Departments, the 4th Annual Community Services Day is a free, community-wide event for residents of all ages. The festivities will be held on Saturday, September 6 from noon to 4:00 p.m. at Brickyards Park and the Patty Turner Senior Center in Deerfield.

Community Services Day was spearheaded by local government agencies to help promote services offered by the many local organizations that serve the community. This event is a unique opportunity for residents to see demonstrations and learn about the programs and services that these local agencies offer.

Throughout the day there will be demonstrations, exhibits and activities. These include a live landing of the Flight for Life medical helicopter, a police dog demonstration, "Touch-a-Truck" featuring Fire, Police, and Public Works vehicles, mascot race and various other types of entertainment. Food will be available for purchase throughout the day. A passenger/child safety seat checkpoint will be offered from 9:00 a.m. to noon. The Village will also be hosting a household electronics collection at the Public Works facility, 465 Elm Street, from 9:00 a.m. to noon. **Please note that there will be no gas can or lawnmower recycling events held this year.** Deerfield, Bannockburn and Riverwoods community service clubs and organizations will be represented.

Thanks to the generous support of Astellas, John Buck Company, Parkway North Center, the Deerfield Park Foundation, Dominicks Finer Foods, District 109 PTOs, the Deerfield Optimist Club and other sponsors, this event promises to be fun for the whole family!

*Special Gift: The first 1000 visitors will receive a free reusable shopping bag, courtesy of Deerfield Whole Foods!*

For more information on this exciting community event, including event schedules, please visit the Village's website at [www.deerfield-il.org](http://www.deerfield-il.org), or call 847/945-5000. ☞

COMING SOON!

## REMINDERS:

### WEBSITE COMING!

Deerfield's new website is almost here! Look for an announcement in your mailbox soon. Remember, our web address is changing to [www.deerfield.il.us](http://www.deerfield.il.us) - Deerfield, connecting to the Community!

### VILLAGE HALL CLOSED

The Village Hall will be closed on Monday, September 1, in observance of Labor Day. The regularly scheduled meeting of the Board of Trustees will be held on Tuesday, September 2.

### REFUSE/RECYCLING COLLECTIONS

Remember to place refuse and recycling collections out by no later than 7:00 a.m. on your collection day (6:30 a.m. if you live on Deerfield or Waukegan Roads) to ensure collection. Veolia works in the Village from beginning as early as 6:30 a.m. and sometimes uses alternate routes due to construction, staff changes, or other unforeseen circumstances. Please wait until 11:00 a.m. to call if you believe you have been missed.

Also, excess recycling that does not fit in your recycling toter should be placed neatly in paper bags next to the toter. Remember, large cardboard should be cut down to no larger than 2' x 2'.

Due to the Labor Day holiday, refuse collections during the week of September 1 will be delayed one day.
