WRF REPLACEMENT PROJECT

On October 18th, the Village Board approved a construction/inspection services contract with Strand Engineering for the Wastewater Reclamation Facility replacement project. Public bids have been received for the construction and the recommendation to award it to the low bidder (J.J. Henderson of Gurnee, IL) will be presented to the Village Board November 1st.

As it is critical to keep the WRF operating at all times in keeping with the Illinois Environmental Protection Agency requirements, construction is planned to be sequenced over 26 months. Additional project details will be provided as this essential public health project moves forward. Residents will be able to follow this construction through updates on the Village website and newsletter.

For more information, please contact the Director of Public Works at 847/317.7245 or visit www.deerfield.il.us. ☞

2010 WINTER CELEBRATION

Celebrate the season by joining neighbors and friends for some fun and festive activities in Downtown Deerfield!

Visit Village Hall Friday night, December 3, for sleigh rides, live entertainment and roasted chestnuts. Saturday, December 4, will provide even more excitement with activities occurring at the Deerfield Public Library, Deerfield Square and Deerfield Center!

Stay tuned for more information! Check the Village website, www.deerfield.il.us for event updates. ☞

2010 FALL LEAF COLLECTION PROGRAM

The Village's annual leaf collection program provides residents with an alternative for disposal of their autumn leaves. Residents who do not mulch or bag their leaves may rake leaves to the curb or carriage walk line the night before their scheduled pickup.

Beginning the week of October 25 and continuing through November 18, Public Works Department crews will make one pass by all homes in the Village each week during the 4-week program. We ask that you please not put out leaves more than one day prior to your scheduled pickup day. Leaves should be raked in a long neat row that does not exceed 5 feet in width. They should be raked as close to the curb as possible, so long as they are not placed in the street or on top of carriage walks or sidewalks, as this causes safety hazards.

Listed below are some helpful reminders for leaf collection:

- Do not park your vehicle on the street on the day of your pickup.
- Do not mix grass clippings, sticks, rocks, branches, mud or other debris with your leaves. If these items are found, the leaves will not be removed.

LEAF COLLECTION CONTINUED

Continued from Page 1

- Try to put leaves out each week, if possible, so that crews are not overloaded at the end of the program.
- If a crew starts to pick up in an area before they are scheduled to do so, they will also return on the scheduled day.
- Inclement weather may delay pickups, but crews will make at least four trips through your neighborhood.
- Do not rake leaves near sewer inlets as doing so can contribute to street flooding.
- Motorists should not park on top of or close to leaf piles as warm exhaust systems can ignite a fire.

Following the final collection in your neighborhood, remaining leaves must be bagged and a yard waste sticker attached, for regular landscape waste collections on Mondays and Tuesdays. December 13 and 14 will be the final yard waste collections by Veolia this year.

For more information, please contact the Public Works Department at 847/317.7245 or visit www.deerfield.il.us.

VOLUNTEERS WANTED

The Village of Deerfield is seeking enthusiastic and motivated residents to volunteer on Village boards and commissions. This rewarding experience will provide residents with the opportunity to serve directly alongside Village staff and impact Village matters. *For more information or to pick up an application please contact Jennifer Davis, Executive Secretary, at jdavis@deerfield.il.us or call 847/719.7400*

UTILITY BILLING SCHEDULE

2ND ANNUAL RIB COOK-OFF

The 2nd annual Police vs. Fire Rib Cook-Off took place Saturday, October 2, 2010 at Deerfield's Farmers Market. The Police Department remains victorious, again securing the coveted Stoney River's Chef's Coat and appropriate bragging rights for beating the Deerfield-Bannockburn Fire Department's sauce recipe. Truth be known, there were no losers in the event as close to \$1,000 dollars was raised for the Multiple Sclerosis and Juvenile Diabetes Foundations. Special thanks to Jason Yuhasz, Chef and General Manager of Deerfield's Stoney River, for not only sponsoring the event, but aiding us in preparing the ribs. For those who participated in the blind taste test, the winning recipe was designated as the "B" sauce. Thanks to all those who participated. *Both rib sauce recipes can be found at the the Village website, www.deerfield.il.us under the tab labeled Farmers Market.*

FLOOD INFORMATION:

NATURAL & BENEFICIAL FUNCTIONS

Floodplains play a valuable role in providing natural and beneficial functions to the area around, and including, Deerfield. Floodplains that are relatively undisturbed provide a wide range of benefits to both human and natural systems. These benefits provide aesthetic appeal as well as important functions such as filtering nutrients. Parts of both the Middle and West Fork of the North Branch of the Chicago River floodplain are used as a means to filter chemical run-off so that these areas can maintain bio-diversity and ecosystem sustainability. Both floodplains contain historic and archeological sites that provide opportunity for education and study. They enhance waterfowl, fish and other wildlife habitats and provide feeding/breeding grounds. Both floodplains provide natural erosion control and open space so further flooding damage does not occur.

DRAINAGE SYSTEM MAINTENANCE

Keeping smaller ditches and streams free of debris can dramatically improve the run-off capacity of low-lying areas, as well as greatly reduce incidental blockage that significantly contributes to flooding. Please note that it is illegal to dump materials into a required waterway and violators may be fined. If you see someone in the act of dumping or see debris in one of our watercourses, please contact the Village Engineering Department at 847/317.2490.

FLOOD WARNING SYSTEM

Many times, flooding along the West and Middle Forks of the North Branch of the Chicago River within Deerfield can be predicted days in advance, giving ample warning for preparation and evacuation. However, in the event of a flash flood due to a large rain event, you may be the first to notice the oncoming situation so please notify the Village Police Department. You may also tune your radio to WGN-720 AM and WBBM-780 AM for local and national weather updates. Announcements will likely be made on local radio and television stations advising you of the situation.

WINTER REMINDERS

Winter is on the way! After last year's high level of snowfall, the Public Works Department is again prepared to clear the Village's 72 miles of streets once the snow begins to fly. Public Works operates over 20 pieces of equipment for snow removal. Utilizing a combination of road salt, deicers and plowing, crews are able to keep roadways clear and safe for winter travel. Residents should be aware that Public Works does not park its

vehicles until every street has been cleared. The goal is for every street to be cleared within 6 hours after the snow has stopped coming down.

Please remember: by Village ordinance, vehicles may not be parked on the street for 24 hours after 3 inches or more of snow has fallen. Also, you may not deposit snow from your property onto the street or sidewalk. Your cooperation will help us keep the streets clear! Please stay alert and cautious while driving this winter.

SIDEWALK SNOW REMOVAL

Residents are asked to please be mindful of pedestrians and school children by clearing their sidewalk of snow and ice. Trash bins should be placed on the driveway apron to keep the sidewalk as unobstructed as possible. 

CONSTRUCTION UPDATES

Please refer to the Village's website www.deerfield.il.us (click "Construction Updates" on the homepage) for additional project information, detour maps and construction updates. If you have questions regarding any of the following projects, please contact Robert Phillips, Assistant Village Engineer, at 847/317.2490, or via email at rphillips@deerfield.il.us.

QUICK NOTES:

Carlisle and Carriage Way Infrastructure Replacement Project

The Village is pleased to announce that this project has been progressing on schedule and within budget. Carlisle Ave. between the Briarwood Nature Area and Deerfield Road is expected to be completed, with the exception of minor punch-list items, by October 30, 2010. The Contractor has completed the majority of the construction of underground public utilities. Homes on Carlisle Ave. are now connected to the newly installed water main, providing a more reliable water source. A new storm sewer system has been installed to achieve

effective storm water collection in relation to the placement of the roadway.

Deerfield Road Pedestrian Underpass Project

A bid opening for this project was held on September 30, 2010. The lowest of the four bidders was Herlihy Mid-Continent Company with a cost of \$2,406,694. The project was awarded the week of October 11, subsequent to the Village Board of Trustees approval, thereby allowing construction to begin as soon as Metra's scheduling permits.

The Village has been engaged, for several years, in the design engineering and procurement of Federal funding for the Pedestrian Underpass Project. The project is intended to provide safe passage for pedestrians wishing to walk/ride along Deerfield Road and traverse the Metra railway via a pedestrian underpass.

Through two Federal programs, IDOT will match a substantial portion of the cost for utility relocation, construction, and construction engineering. The Village will be responsible for 20% of the costs of the improvement. The project is expected to be complete by the spring of 2010.

EMERGENCY INFORMATION PROGRAMS

There are two new programs sponsored by the State that the Police Department wants Deerfield residents to be aware of: the *Illinois Premise Alert Program* and the *Illinois Secretary of State, Emergency Contact Database*.

The Illinois Premise Alert Program supports individuals living with disabilities while aiding public safety personnel to better respond. The Department is creating a database of individuals with special needs that will be secured in the computer aided dispatch (CAD) database and maintained by the Department at the request of families, caregivers, and individuals with disabilities or special needs. The program is free of charge. It will assist us in identifying individuals who have special needs, which will in turn enable us to have additional information at our disposal in order to better serve you.

To enroll in this program, forms will be available at Deerfield Village Hall, the Police Department, and the Deerfield Township Office. You can also request a form be mailed to you by contacting Mary Anne Glowacz at 847/945.8636.

The second program, the Emergency Contact Database, is managed by the Illinois Secretary of State. It compiles emergency contact information and associates it with your Illinois driver's license and/or state identification card. In the event of a motor vehicle crash or other emergency situation where a person is unable to communicate directly, law enforcement may access this database to help them reach the person's designated emergency contacts. If you would like to participate, follow the directions on the Illinois Secretary of State website at www.cyberdriveillinois.com/departments/drivers/ecd/home.html

If you have questions or concerns about either program, please contact the Deerfield Police Department Communications Director, Mary Anne Glowacz at 847/945.8636. ☎

CONNECT-CTY ~ SIGN-UP TODAY

If you are a Deerfield resident or business, are you on our list to receive communications from the Village and Police Department regarding time-sensitive incidents which may include planned and unforeseen public safety matters?

If you are unsure, please sign-up today! The Connect-CTY service allows authorized Village officials to create and rapidly disseminate time-sensitive messages to every telephone number stored in the notification database. With the service, authorized users can contact thousands of residents/businesses in minutes. Only authorized officials are allowed access to the system.

We know that your personal information is important, and rest assured that it will not be shared with anyone. To sign-up or update your information, please visit the Village website at www.deerfield.il.us and click on the "Connect-CTY" logo on the home page. You may also fill out the form below and either mail or fax it to the Police Department:

WINTER ENERGY SAVING TIPS

To ensure your energy dollars are being used wisely this winter:

CHECK FOR LEAKS

Weatherstripping and caulking are probably the least expensive, simplest, most effective ways to cut down on energy waste in the winter. Improperly sealed homes can waste 10 to 15 percent of the homeowner's heating dollars.

CHECK YOUR INSULATION

Insulate your attic. In an older home, that can be the most cost-efficient way to cut home heating costs. Weather-strip and insulate your attic hatch or door to prevent warm air from escaping. Seal holes in the attic that lead down into the house, such as open wall tops and duct, plumbing, or electrical runs.

CHECK YOUR HVAC SYSTEM

Routine maintenance and inspection of your heating system each autumn will help make sure it is in good working order. Replace your furnace air filter monthly. Your heating system will use less energy and last longer as a result. Most homeowners can replace filters and do such simple tasks as cleaning and removing dust from vents or along baseboard heaters. Install an electronic thermostat that allows you to automatically turn down the heat when you are away at work or when you're sleeping at night, and then boost the temperature to a comfortable level when you need it. Properly using your set-back thermostat could cut your heating costs significantly.

Also, reverse the movement of your ceiling fan blades so they blow upward, toward the ceiling. By reversing the fan's direction, the blades move air upward. This is especially valuable in rooms with high ceilings, where heat that naturally rises is forced back down into the room.

For more information on energy saving tips, visit www.cleanaircounts.org. ☺

VETERANS DAY THANK YOU

Deerfield American Legion Post 738, Auxiliary Unit 738, and the Sons of the American Legion Squadron 738 want to take this opportunity to thank those currently serving for the sacrifices they are making for our country. If you have a family member serving on active duty anywhere in the world, please consider participating in the historic Blue Star program, which has been in place since World War I. The Legion will provide you with either a blue star banner or a removable blue star window decal to display to others your pride in your family member for serving. Support your military personnel and your own patriotism; contact the Legion at 847/945.9821. As a Veterans Day tribute, the Legion will hold a public ceremony at 11:00 a.m. on Thursday, November 11th at the Veterans Memorial (Jewett Park Drive & Park Avenue).

It is the Village's intent to honor all those on active duty; however, we have not been able to develop a comprehensive list. If a Deerfield resident currently serving in our armed forces is not listed on the display banner, we ask that you contact Commander John P. Coughenour of Post 738, at 847/366.7554 or dfldpost738@gmail.com with their name and branch of the armed forces. ~

TOYS FOR TOTS

The Deerfield Police Department is proud to announce its annual partnership with the Marines Toys for Tots program. From November 1 until December 24th, the Deerfield Police Station and the Village Hall (850 Waukegan Road) will serve as drop off points for new, unwrapped toys.

Through your contribution, you deliver a message of hope to our nation's most valuable natural resource, our children, while also helping to motivate them to grow into responsible, productive, patriotic citizens and community leaders. *If you have any questions, please contact Deerfield Police Department Communications Director, Mary Anne Glowacz, at 847/945.8636.* ~

2. ... **Fosters Community Relationships**

When you shop in Deerfield, you are able to develop lasting relationships with local businesses and the people that provide goods & services. The businesses become neighbors and a human face is put on the service you receive.

3. ... **Protects the Environment**

Shopping local supports a more "green-friendly" community. By keeping your business within the village, you travel less, which reduces traffic and congestion, and ultimately creates less air and water pollution! Many shopping areas in Deerfield are also easily accessible by walking or bicycling, adding to the shopping experience.

4. ... **Reinvests in the Village**

When you shop local, you are keeping your sales tax dollars in Deerfield. This revenue goes back into the community to support village services and maintain roads and public utilities. Local businesses are also strong supporters of community events and local nonprofit organizations.

5. ... **Creates Jobs that Help to Strengthen the Local Economy**

Deerfield's local businesses generate jobs for members of our community. By patronizing local businesses first, you are helping to keep neighbors employed, as well as generating new jobs.

This holiday season, **shop local and win!** For more details, visit www.dbrchamber.com or call 847/945.4660.
