Village Manager's Office

Pace Bus Route Operation Changes

Pace officials report that many of their bus routes are undergoing a conversion to a posted-stops-only operation. Presently, riders may flag-down busses in safe areas along a route- regardless of whether there is a bus-stop sign posted. As a result of detailed study, Bus Route 471 will have new posted stops based on safety, ridership counts, and other factors. Pace and its contractors are in the process of relocating or installing the new bus-stop signs at the identified locations attached to this document.

Please visit www.pacebus.com for further information.
