Deerfield Ranked 14th Best Chicago-Area Community for Families

A WalletHub analysis of 222 Illinois communities found the Village of Deerfield to be the 14th best community in the Chicago region to raise a family in.

WalletHub's analysts compared 222 cities in the state across 21 key indicators of ideal family conditions, including family life and fun; education, health and safety; affordability; and socioeconomic environment. Deerfield scored a 67.40, just behind the community of Channahon at 67.60. Deerfield took the top score for communities with the lowest percentage of families in poverty.
