HAPPY NEW YEAR!

THE VILLAGE OF DEERFIELD WISHES YOU A PROSPEROUS 2022

MESSAGE FROM THE MAYOR: DANIEL C. SHAPIRO

Happy New Year, Deerfield!

I hope 2022 finds you healthy as we continue to battle Covid-19. The past two years have been challenging, but I am pleased we were able to resume community gatherings in 2021, including our very successful Harvest Fest and Winter Market. I am happy to announce that both will return this year.

Each year, the Village Board holds several budget discussions and considers budgeting the necessary funds to ensure that infrastructure improvement projects are prioritized based on factors such as critical need and anticipated economic benefits. As part of this year's budget planning process, the Village Board established a two-year capital plan totaling approximately \$19.5 million over 2022 and 2023, that includes a \$7 million bond issuance and \$7,385,000 of expenses from the 2022 Infrastructure Replacement Fund.

These critical projects include the replacement of deteriorated water mains along Waukegan Road between Deerfield Road and North Avenue (\$3M), phosphorus removal upgrades to the water reclamation facility (\$800K), the second year of the four year-water meter head replacement program (\$600K), and the annual Street Rehabilitation Program, including reconstruction of Price Lane(\$900K). They will be paid for using bonds with a very small increase in the tax levy of less than \$20 for the average-priced Deerfield home. These

ILLINOIS SUPREME COURT ALLOWS ASSAULT WEAPON BAN TO STAND

On November 18, 2021, the Illinois Supreme Court affirmed the Second District Illinois Appellate Court decision upholding Deerfield's 2018 ordinance banning assault weapons. The Village's assault weapons ban has been in effect since December 7, 2020, when the Illinois Appellate Court reversed the ruling of the Lake County Circuit Court. The plaintiffs in this case challenged Deerfield's authority to adopt the ordinance under State home rule authority. The plaintiffs did not challenge the validity or constitutionality of the Deerfield ordinance under the Second Amendment to the US Constitution.

The Supreme Court's 3-3 tie with one judge recusing himself effectively affirms the Appellate Court, and allows the Appellate Court's ruling to stand. That ruling accepted the arguments advanced by Deerfield's legal team concerning home rule authority and statutory interpretation.

"We have been confident all along that the Deerfield ordinance would be upheld by the Courts. The Second District Appellate Court decision entered last December provided a strong affirmation of our ordinance. We are pleased that the Second District opinion will stand, and that our ordinance has been

projects are long-term investments in our infrastructure that will last for decades.

The total expenditure budget for fiscal year 2022 is \$53,544,694, which represents a 4.27% increase from last year's budget. This year's expenditure increase is primarily due to increased capital project funding. Last year's capital improvement program was significantly decreased as a result of the negative impact COVID-19 had on Village revenue streams.

Sales tax is the single largest revenue source for the Village. Shopping local supports our local businesses while also helping the Village. All of these dollars help us make the necessary improvements to our infrastructure and provides you with top-notch Village services such as police protection, garbage collection and snow plowing.

Finally, one of the most important things you can do is to get vaccinated and boosted, especially in light of the Omicron variant. Do it for yourself, your family, your friends and your neighbors. You can register for a free vaccine at most pharmacies or contact your primary care physician. I ask all of you to read the article on the next page about how to stay in contact with the Village. Whether it's text, e-mail, or social media, we hope to be able to reach you where you are with important information.

Thank you all for your efforts in the past year to stay healthy and have a Happy New Year.

validated," said Village Attorney Steven Elrod.

"We are pleased the Supreme Court validated our right to regulate this important public safety measure. I continue to believe that these weapons have no place

in our community," said Mayor Daniel C. Shapiro. "I thank former Mayor Harriet Rosenthal, who listened to residents, especially our high school students, and called for action following the shooting at Marjory Stoneman Douglas High School." The Village is also thankful for the pro bono services provided by the Brady Center to Prevent Gun Violence and Mr. Christopher Wilson, partner of the Chicago office of Perkins Coie.

The Village will continue to enforce this ordinance in a manner consistent with other local ordinances. It will initially be enforced primarily through education and voluntary compliance. A police officer may issue a citation for a violation of this ordinance in the manner provided by law. Any other enforcement of this ordinance, including search or seizure to affect this ordinance, must comply with the requirements of State and Federal law. The Village does not intend to have members of the Police Department go "door to door" to ensure compliance. ∞

NEW BUSINESS FAÇADE REBATE PROGRAM

The Village of Deerfield is launching a Business Façade Rebate Program for commercial properties within the C-1 and C-2 Business Districts. The program intends to encourage improvement and revitalization of the visible exterior appearance of existing buildings in which businesses are located.

Qualifying properties must have a building of at least 15 years of age that is visible to the public. The program is set to begin on January 1, 2022 and anticipated to run for two (2) years. To be eligible, an applicant must make a minimum investment of \$10,000. Funding is available for up to 50% of their Building Improvements (up to \$50,000) and 50% of their Site Improvements (up to \$50,000). Eligible businesses can receive up to \$100,000 if both Building and Site Improvements are addressed. Examples of improvements under the Business Façade Rebate Program include, but are not limited to the following:

Building Improvements:

- Windows and Doors
- Awnings
- Signage
- Exterior Building Lighting

Site Improvements:

- Landscaping
- Site Lighting
- Trash Enclosures
- New Patios and Outdoor Spaces

In addition, all Village permit fees will be waived.

All proposed improvements are subject to the review and approval of the Village Manager's Office, the Appearance Review Commission and the Village Board.

Interested businesses should contact Planning & Design Specialist Liz Delevitt at edelevitt@deerfield.il.us or 847.719.7483 for more information. ☞

ADOPT-A-HYDRANT

The Village of Deerfield has a program to ensure that firefighters can access fire hydrants during an emergency. In the winter months, heavy snowfall makes finding and accessing fire hydrants difficult, and every second counts during an emergency. We are asking residents, business owners and community groups to consider participating in the Adopt-A-Hydrant Program. Participants get to name their hydrant to show their commitment to public safety.

Participation involves the following:

- Ensuring the adopted fire hydrant is clearly visible from the street.
- Keeping the fire hydrant free of snow and ice. Snowfall and associated plowing activities can often hide hydrants under large amounts of snow, making them difficult to locate quickly in the event of an emergency.
- Keeping clearances of at least three feet all around the hydrant. Please use caution when shoveling.
- Keeping the hydrant free of grass, weeds and debris.

For more information, visit www.deerfield.il.us or contact Communications Coordinator David Fitzgerald-Sullivan at dfitzgerald@deerfield.il.us or 847.719.7400. ☞

TEEN CONNECT PROGRAM

Deerfield's TeenConnect program aims to connect teens who are able to do outside yard work, including raking leaves and shoveling snow, with Deerfield residents who need the service.

The TeenConnect list will provide contact information for Deerfield teens including the name and phone number of the teen, days of availability, type of work they are willing to do and their expected rate of pay. Right now, the Village is especially looking for teens to add to the list.

For more information, contact Communications Coordinator David Fitzgerald-Sullivan at dfitzgerald@deerfield.il.us or 847.719.7400. ☞

HIDE, LOCK, TAKE!

The Village of Deerfield and neighboring communities have experienced an increase in reports of burglary to motor vehicles. In most cases these crimes are committed in unlocked vehicles. Car burglaries are crimes of opportunity and failing to lock your vehicle makes it a target for thieves. A vehicle can be burglarized or stolen while on your street, in your driveway, or in a parking lot—even if it is only unattended for a short time. Every time you exit your vehicle, remember to Hide, Lock, Take:

1. Hide (or remove) your valuables
2. Lock your car doors
3. Take your keys

Other safety precautions include keeping the car windows closed, removing the garage door opener from your vehicle and keeping your garage door closed.

If you see something, say something. Remain vigilant and report any suspicious people, vehicles or circumstances to the Police at 9-1-1 or 847.945.8636. ☞

NEW MONTHLY MEMORY CAFE ON FIRST WEDNESDAYS

The Memory Café is a place for persons who are experiencing memory changes and their care partners to gather for connection and conversation while enjoying themed activities.

The meetings are held the first Wednesday of every month from 10:00 - 11:30 a.m. at the Deerfield Public Library, 920 Waukegan Road.

Please note that Covid-19 safety precautions will be in place. Space is limited, register today.

For more information and to register contact Judy Hoffman at the Deerfield Public Library at jhoffman@deerfieldlibrary.org or call 847-580-8954. ☞

PUBLICWORKS

SNOW PLOWING OPERATIONS

The Village's Public Works Department is prepared for snow and is able to effectively clear Deerfield's 70 center-line miles of roadway quickly to make safe travel possible for all who use our streets. To assist your neighbors and Village staff this winter, please remember the following:

- Keeping vehicles off the street assists plows and salt trucks in clearing the streets more effectively.
- Vehicles cannot be parked on the street for 24 hours after two inches of snow have fallen, per Village ordinance.

- By Village ordinance, you may not deposit snow from your property onto the street or sidewalk. This can hinder safe passage of vehicles and pedestrians and make it harder for Village plow crews to keep streets clear. **If using a snow removal service, please instruct contractors to abide by Village regulations.**
- Please be a good neighbor and shovel and clear the sidewalks in front of your home for pedestrian safety.
- Remember to shovel an extra area on your driveway apron or parkway for your refuse and recycling bins to be picked up by Lakeshore Recycling.

WINTER TREE TRIMMING

The Village's Public Works Department is responsible for trimming parkway trees for traffic clearance, to preserve the tree's health and appearance and to prevent possible damage to human life and property. The Village has established a 4-year cycle

for the parkway tree trimming program. Deerfield is divided into quadrants with Deerfield Road as the north/south divider and Waukegan Road the east/west divider. One of these quadrants is maintained each year.

This year trimming will take place in the southeast quadrant.

Trimming work is scheduled for the dormant season to avoid unnecessary damage or trauma to the tree.

Trimming is done in accordance with professional standards and may include cutting lower limbs for clearance and thinning of the crown.

For questions or concerns, contact the Public Works Department at 847.317.7245. ☞

POLICE DEPARTMENT

KNOW THE 9 P.M. ROUTINE

Have you seen or heard about the 9 p.m. Routine on social media? This program is designed to help you prevent burglaries and thefts from your home, cars or personal property.

Too often these are crimes of opportunity perpetrated by criminals looking for an easy target. An unlocked car with valuables easily visible is an irresistible temptation for some thieves.

Similarly, a residence with poor exterior lighting or an open garage door might entice a burglar to take a closer look at your property.

How can the 9 p.m. Routine help? Humans are creatures of habit. We want you to get into the habit each night of making sure you've secured your home

and vehicle and taken proactive steps to combat auto thefts and break-ins. Every night at 9 p.m., we encourage the community to: **BRING IN** valuables from your car, yard, and patio; **LOCK UP** your car, house, windows, garage, gates and shed; **TURN ON** exterior lights and alarm systems.

This campaign has proved successful throughout the country and we look forward to implementing it in the Village of Deerfield.

Please partner with us, your neighbors and our community to help deter crimes of opportunity with this proven and effective program. Stick to it every night, just like brushing your teeth! ☞

BEWARE OF TAX SCAMS

Tax scams tend to rise during tax season or

during times of crisis; unfortunately, we find ourselves in the midst of both. Scam artists are using this season to try and steal money & information from honest taxpayers.

The IRS will never initiate contact with taxpayers via e-mail about a tax bill, refund or Economic Impact Payments. Don't click on links claiming to be from the IRS. The IRS will never demand immediate payment, threaten, or ask for financial information over the phone.

Taxpayers can find legitimate and qualified charities with the search tool on IRS.gov to avoid fake charities.

Senior citizens and those who care about them need to be on alert for tax scams targeting older Americans.

For more information, visit www.irs.gov/newsroom/dirty-dozen ☞

YOUR CHILD AND 9-1-1

9-1-1 is a vital part of the emergency response system. If an emergency situation exists and the only person who is able to call 9-1-1 is a child, that child's knowledge of 9-1-1 and how to use the system can be the key to getting the help that is needed.

Here are some tips to help arm your child with the tools they need to make a 9-1-1 call:

Teach your child their last name, their parent's names, their home address and phone number. Always list this information near the phone.

Teach your child the name of your employer and the phone number.

Teach your child when they should call 9-1-1.

Teach your child to not be afraid to call 9-1-1 if there is any doubt as to whether they should.

Teach your child to dial "Nine, One, One" and never teach them "Nine Eleven", this might confuse the child and they may look for the number eleven on the phone.

Make sure your child can reach at least one of the phones in your house. Wall mounted phones can be unreachable for small children.

Discuss with your child any situations that may be unique to them. This could include an elderly live-in relative; younger sibling or other unique factor that the child might encounter.

Always call from a safe location. If the house is on fire, get out and call from a nearby phone.

Also, teach your child how to use your home phone and your cell phone to call 9-1-1.

For questions or concerns, contact the Deerfield Police Department at 847-945-8636. ☞

SCAM PHONE CALL? JUST HANG UP!

When a stranger calls and asks you to wire them money- "Just Hang Up!" Even if they are purporting to be a utility company, a relative or the IRS, just hang up.

Every year, thousands of people lose money to telephone scams- from a few dollars to their life savings. Scammers will say anything to cheat people out of money. Some seem very friendly, calling you by your first name, making small talk, and asking about your family; they may claim to work for a company you trust, or they may send mail, e-mail, or ads to convince you to call them.

If you get a call from someone you don't know who is trying to sell you something you hadn't planned to buy, say "No thanks" and hang up! If they pressure you about giving up personal information — like your credit card or Social Security number — it's likely a scam, hang up!

Additionally, if you haven't already, you can register, for Free, with The National Do Not Call Registry by either calling: 888-382-1222 or using the link: www.donotcall.gov/. The Registry gives you a choice about whether to receive telemarketing calls at home or cell phone. Most telemarketers should not call your home once your number has been on the registry for 31 days. If they do, you can file a complaint with the Registry.

Please contact the Deerfield Police Department at 847-945-8636 or the Illinois Attorney General's Consumer Fraud Hotline at 800-386-5438 if you have been a victim of a fraud. ☞

LAKESHORE RECYCLING REMINDERS

Lakeshore Recycling will collect trees at no cost on the regular collection day between January 2 and 25. Please remove all decorations. This includes real trees only that are free of chemicals and sprays.

If additional services are needed, such as scheduling a special pickup for oversized items or white goods, or to report a missed pickup, residents can call Lakeshore Recycling at 844.NEED.LRS.

Please remember not to block the sidewalk with your containers and return your empty carts the day of collection.

If you're looking for a New Year's resolution, consider composting. As part of the Village's new contract with LRS, residents can place organics material and food waste out for weekly collection. Food waste accounts for approximately 20% of all waste that ends up in landfills. With the food waste option, residents can now play a larger role in reducing waste in landfills while helping reduce greenhouse gases. ☞

THANK YOU!

Our sincere thanks to these residents who volunteered their time on the Village's various Boards, Commissions and Committees in 2021.
