2024 PARADE MARSHALS

JOHN AND JAN ZOBUS

The Family Days Commission is honored to announce this year's 4th of July Parade Grand Marshals, John and Jan Zobus, honoring their years of service, dedication and continued volunteerism to the Village of Deerfield and Lake County.

John and Jan have called Deerfield home for nearly 64 years. After moving from Glenview, they built a beautiful life with their two daughters, Laura and Audra, at their home on Rosemary Terrace. They are proud grandparents to their grandson John Kempf, granddaughter Erin, and her husband John Leightner.

Upon moving to Deerfield, John and Jan immediately got involved in the community through volunteer work for various clubs and organizations, which has continued to this day. For nearly 50 years these organizations have brought joy, fulfillment, friendship and a passion for helping others into their lives. John and Jan take enormous pride in helping their community and its residents.

John, a plumber by trade, was service manager of DiPietro Plumbing. He has always been willing to lend a helping hand to a neighbor in need or a local business who may have needed service on short notice. John has always been generous with his time, his trade and his heart. His experience as an All-Conference football player and State Champion heavyweight wrestler taught him to put hard work into everything he does. One of his many passions has been being an active member of the Deerfield Lions Club, an organization who focus is providing aid to the visually and hearing impaired.

As a long-standing member of the community, John has sponsored and set up the 4th of July parade at its inception. He served as parade chair for many years and has continued to assist as a starter.

John has been involved in numerous projects such as relocating the Ott Cabin and the Little Red School House, as well as installing the boiler for Kipling Elementary School. John, along with longtime Deerfield resident Paul Meintzer, were some of the original builders of the main gate entrance to the Deerfield Cemetery back in 1976. In fact, John still serves on the Deerfield Cemetery Commission.

Like all great volunteers, John knew he could not do it alone. Jan has always been a strong supporter of her husband's volunteer efforts in the community, and has become a trailblazer in her own right by giving back to the Village they call home. Jan got started in community service at the school level. As an active parent, she served as PTA/PTO president at Kipling Elementary School and as a troop leader for the Girl Scouts for many years. Jan has also been the recipient of the prestigious Sherry Kalan Award given by the Deerfield, Bannockburn, Riverwoods Chamber of Commerce.

Jan continued to volunteer by serving as Chairperson of the Village Center Development Commission. Together with State Senator Julie Morrison, Jan helped to organize the logistics and resources to open Deerfield's first food pantry. She has continued to help those in need with compassion and dedication. As Jan says, "we should all take pride in helping those in need in our community." Living by those words, she still volunteers at the food pantry to this day!

While working for State Senator Bill Peterson (26th District), Jan developed an unwavering passion for public service. From helping to organize absentee and voting registration for Lake County, to organizing "Meet and Greets" with various citizens running for public office, Jan recognized the importance of caring about her community. Jan has served as President of the Northern Illinois Council of Substance Abuse Prevention (NICASA) and was a longtime member of the College of Lake County Foundation Board, two organizations she holds near and dear to her heart.

Together, John and Jan Zobus are pillars of the great community we call home. Throughout the years, the Zobus family have made lifelong friendships and lasting memories that they are eternally grateful for. They are humbled and honored to be part of the Village of Deerfield, and to serve as this year's Parade Grand Marshals.

4TH of JULY
