This permit will be approved with the condition and understanding that the applicant, property owner, design professional or contractor for the described work or building project shall conform in all respects to the adopted codes/ordinances of the Village of Deerfield. The construction of buildings and components thereof within the Village corporate limits shall comply with the adopted codes. It is the responsibility of the applicant to notify the building department for all inspections prior to commencement of work and at all stages related to the approved project in accordance with the Village ordinances. This permit may be revoked at any time upon the violation of the provisions of said ordinances or failure to comply with the approved plans.
